PETITIONS ASK ERECTION OF TWO NEW SCHOOLS

Are Chicago emigrants wrecking personal property payments?

by STUART R. PADDOCK, Sr.

An assessor of a local township said this week that the publication of the efforts being made by his group to give the tax payers a break in the size of their personal property tax bills had met wtih a ready response.

However, on all sides, we have heard the boasts of those who say, "I never paid a personal property bill when I resided in Chicago, and do not intend to do it now."

They can be likened to emigrants who are unwilling to pay their just share for the maintenance of school and municipal government of their "adopted" country. They want all the advantages of life in the country "for free."

Every Cook county real estate tax payer this spring is paying a penalty of 41% in his realty assessment because Cook county has not placed its assessment machinery on a par with DuPage county. Cook county realty taxes are high enough, especially the amount assessed on business property, but the breakdown of tax collection is on the personal property.

There will be no guess work as to personal property valuations in Palatine township this year. Robert Horn, Palatine assessor, released to the press this week the basis that he will use in determining valuations.

All local assessors agree that owners of autos should be assessed and pay personal property taxes. They may differ as to the values of the cars.

Mr. Horn has the following to say as regards household goods and other property: "Ordinary furniture and clothing need not be included on the personal property tax schedule. Such items as antiques, oriental rugs, ornamental silver, freezers, television sets, etc. should be listed, but at values in the same ratio to original cost as is being used for automobiles."

The Illinois Department of Revenue in an announcement made last week said in part, "the DuPage county assessors did such a good job that the state has found no need to supply a factor for DuPage county."

As an example of how DuPage county assessment machinery operates, a partial resume of its assessment method follows.

Automobiles

1939 and earlier models not assessed.

1940 to 1952 two-thirds of the Red Book average cash value.

Farm stock

Cattle, $150 each; swine, $10 each; chickens, $1 each, and turkeys, $4 each.

Grain

Corn 60c, oats 40c, seed corn $3, wheat $1, soy beans $1.20 per bushel.

Household goods

Low $50, fair $75, average $100, good, plus $150.

Machinery, equipment, merchandise, cash and bank deposits taxable stocks and bonds two-thirds of fair cash value, of inventory of money scheduled, etc.

Assessment of dogs

The assessor is expected to collect or assess a county license fee of $1 for each male and $3 for each female dog, in the township, regardless of the fact that owner is also required to pay a village dog tax.

The above figures only hit the high spots. They are not being published in an effort to change the present assessing methods in Cook county, but as an example of what could happen here.

Personal property settlements in Cook county will be "exposed" Thursday evening at a public meeting to be held in the Palatine village hall under the auspices of the Chamber of Commerce of that city.

University of Illinois, in a recent pamphlet sent to all assessors in the state outlines the situation as follows:

"Personal property tax delinquency is a chronic problem that requires both preventive and curative treatment. No panacea has been found, but many counties are approaching a cure thrcugh a wide array of devices, some provided for in the law and others manufactured by officials in the counties.

"The problem is not entirely that of the county treasurer or the county sheriff, as ex-officio collectors. Other officials, both county and township, should play an active role in bringing about full collection of all taxes for the support of local units of government which they direct. The average taxpayer has no philanthropic feelings toward government, but he will react favorably if he learns that a forceful and fair collection policy is pursued."

Then follows a resume of the tax collection law, which has plenty of teeth in case an effort is made by county officials to force collection as is being done in DuPage county.

As stated last week, there are not enough Cook county courts to put those teeth in motion, but if there will be fewer personal property tax bills thrown into the waste baskets of this area, the publication of the above facts has been worth while.

Former Methodist church janitor explains operation of 50 year old still

There was a lot of excitement around Palatine early this week over the report that excavators for the addition to the Palatine church had discovered a still buried six feet in the ground.

It was later found that the tank that had been discovered was nearly full of gasoline of 1900 vintage. (Even in those days such stuff was not popular for drinking purposes.)

The answer to the discovery was given by R. M. Bennett who, a half century ago, was a janitor of the church. The church was lighted by gasoline mantels, the same principle as the Coleman lantern of today.

Gasoline was forced through the lights by air pressure brought about by a drum, half filled with water which was turned with a heavy weight suspended from the ceiling. This method is a hydraulic method in use today on modern machinery.

The gasoline lights were distributed around the church auditorium. Near the ceiling of the center of the room was a large glass reflector that was supposed to reflect downwards the illumination given by the side lights.

That system of lighting was used so many years ago, before the arrival of gas and electric lights, that there were few residents of today who could give any reason for the tank found on the church premises.

The tank and the piping were still in excellent shape. Fearing an explosion if the excavating machinery set off a spark, a call was sent to the Gaare Oil Co., which had the machinery to pump out the tank.

The story of the "Methodist still" was an unsolved mystery about Palatine Tuesday until an old timer exploded the myth.

Open bids next week for Lutheran Home for Aged

Contract bids for the proposed new Lutheran Home and Service for the Aged are expected to be opened next Wednesday at a meeting of delegates from the Northern Illinois region of the Lutheran Synodical conference.

The building will be erected upon a tract of land in the northern part of Arlington Hts. and will be three stories in height. There will be 142 rooms to house aged people, nurses and attendants. With its completion the number of persons cared for at present can be doubled.

The present building on the highway was erected nearly 60 years ago. Rev. John M. Kempf is executive secretary and in direct charge of the home.

Girl Scout cookie drive begins Friday

Brownie and Intermediate Girl Scouts of Arlington Heights begin their annual cookie sale Friday. Immediately after school Friday, some 350 eager scouts will begin canvassing Arlington, taking orders for cookies through Tuesday, April 29. This year the cookies will again be the popular sandwich type vanilla and chocolate assortments.

Heading the cookie drive financial committee is Rolland A. Franzen. He will be assisted by two co-chairmen: Mrs. F. B. Tracy for the south side; and Mrs. H. A. Burnett for the north side.

Cookies will be delivered to purchasers on or about May 2 by the scouts. It is hoped that everyone in Arlington will stock their cookie jars with Girl Scout cookies, as proceeds from the drive are important in running the Girl Scout organization in Arlington Heights.

FISHING LICENSES

Wisconsin and Illinois fishing licenses are available in Arlington Heights during the regular business hours of the municipal office, which is from 8 a.m. to 5 p.m. except Saturdays when the office closes at noon. The police department will not handle licenses this year.

Heights youth, 3 others hurt

An 18-year-old Arlington Hts driver was one of four persons injured Sunday in an auto accident at Palatine and Wolf rds.

D. J. Legg jr., of 209 Vail st., Arlington Heights, was driving an auto that collided with a car operated by Mathew J. Kelch, 49, of 825 Main st., Evanston.

Others injured besides Legg were: Mrs. Terry Kelch, 27, of the Evanston address; passengers in Legg's car, Miss Joan Williams, 17, and Miss Marilyn Vogt, 17, both of Des Plaines.

All of the injured were taken to St. Francis hospital in Evanston.

Petition asks for referendum on rezoning

A petition signed by more than 300 residents of Arlington Heights asking for a referendum on the proposed rezoning of the recently annexed Kirchhoff property was presented to the village board Monday night.

The property in question is that sought to be rezoned from residential to business to allow the Roth Manufacturing company of Chicago to erect a plant on the site. The petition will be checked by Forrest F. Davis, village clerk, and Hugo J. Thal, village attorney, for legality of signatures. The board will then sit in as a committee to discuss the matter before a decision on the subject is rendered.

SEVERAL PROPERTY owners along Douglas ave., near Frederick, petitioned the board to permit the proposed sidewalk in that area to be erected adjacent to the curb instead of allowing for the contemplated parkway setback. The board permitted the exception because of the way the corner house had been situated on the lot. If the sidewalk were to be installed away from the curb, as in the original plan, it would pass within six feet of the front door of the corner house.

A group of northside property owners petitioned the board to start condemnation proceedings on a "garage home" located at 1012 N. Highland ave. They also ask that action be taken against property owners at 1304 W. Vine and 815 W. Euclid, who are supposedly using their property in violation of the zoning ordinance. The complainants charge that the owner at 1304 W. Vine is operating a trucking business on residential property, and that the owner at 815 W. Euclid is operating a salvage and junk yard on his premises.

THE BOARD will ask Chief of Police Carl H. Skoog to investigate the complaints and to bring in a report to the board.

Due to inadequate sewer facilities in the village the board passed an ordinance more than a year ago prohibiting the connecting of down spouts on new homes to the sewers. Practically every new home erected since that time has connected its down spout to the sewer. The police will be authorized to check on all violations and issue warnings to the owners, giving them a limited number of days to disconnect. If they fail to do so the police will be instructed to issue tickets to offenders.

The responsibility of the village of Arlington Heights for Weller Creek operation will not be lessened by the action of the Chicago Sanitary District, which will build a flume independent of Weller Creek from Des Plaines to Central rd., Mount Prospect, at a cost of $1,500,000. The flume will only handle the sewers at Mount Prospect and the overflow from Arlington Heights sewage treatment plant may still be a future headache for Arlington. This situation makes it mandatory that there be as little storm water entering the local sewer system as possible.

Increased enrollments require additional class room space

Petitions requesting the Board of Education of District 25 to call a special election regarding the erection of two new elementary schools are being circulated this week. Pursuant to a sufficient number of signatures of qualified voters, it is the duty of the board to set a date for the election. While it is not necessary to petition with regard to issuing bonds to pay the cost of the buildings nor with regard to the acquisition of land adjacent to school grounds, these propositions must, by law, be included on the ballot.

The plans of the board of education, developed through careful study by the board and the administration of the school system, have been presented through newspaper articles, at public meetings, and as the complete program of the January PTA meeting, as well as briefly at the April PTA meeting.

Briefly, the plans include the following proposals:

1. To secure that part of the area bounded by South st., Mitchell ave., Park st., and Highland ave. not now owned by the school district. The district now owns the north six of fourteen large lots into which this tract is divided. Options are now held, pending a successful referendum, on the four lots in the center of the tract owned by the Park District, and the four lots at the south end of the tract owned by the Catholic Bishop of Chicago.

2. To build a seven-room lower grade (kindergarten through fifth grade) school on Park st. The construction of this building would allow the junior high school to utilize approximately half of the present South school. With facilities for only four classes in each grade in the present Junior high school and with some grades below junior high school having as many as eight classes, the junior high school problem promises to become very serious unless additional facilities can be provided.

3. To build a six-room lower grade (kindergarten through fifth grade) building on the Arlington Ridge site now owned by the school district. This additional building on the north side would provide that part of the district with substantially the same number of lower grade classrooms as the South Side will have with the completion of the Dryden Place school. That this building will be sorely needed by the time it can be built is attested by the fact that there will be at least six kindergarten groups in the North school next year for a building which can accommodate only three classes per grade. Double sessions, in the first grade at least, seem to be imperative on the North side until this building can be completed.

4. To issue an additional $30,000 of bonds to provide for equipment and for walks, drives, and paving at the Dryden Place school. While the major items on this building are under contract and will be completed within the amount of the original bond issue of $325,000, it will be necessary to have this additional sum if all necessary equipment and the necessary work on the grounds are to be taken care of.

The board of education will publish a brochure fully describing the complete program and will distribute it widely in the community before May 24, the date proposed for the referendum. It is the board's belief that the citizens will continue to support the effort to provide adequate facilities for the children of the community.

Concert series drive for tickets week of May 12

During the past four fall and winter seasons the Arlington Heights Comunity Concert association has brought outstanding musical entertainment to the village.

THE CONCERTS have been varied in type — a chorus of 35 male voices, string ensembles, piano teams, even a piano quartette; tenors, sopranos, violinist, and dance sextette, all outstanding and internationally famous. The talent has been varied with a definite purpose in mind — to bring to the membership new and different attractions each concert, and to please all tastes.

During the past four seasons there have been 16 concerts presented for a cost of $6 per person. If this isn't an outstanding attractive package of entertainment, then the committee who has worked so untiringly for the past four seasons has wasted a lot of time and effort.

This association, which is nonprofit, was made up of 1156 members this past season. It is their association and these concerts are their concerts. Memberships are available to every one every where during the one week beginning May 12. The established price for four concerts during the fall and winter season of 1952-1953 is $6 for adults and $3.50 for students through high school age. The association needs workers for the one week's drive. Volunteers should call Arlington Heights 3758.

FOUR NIGHTS during the season are concert nights available to members only. These concerts are a vital part of the community life and an asset to the progressive spirit of the village.

If the Arlington Heights Community Concert association is to continue the support of every citizen in this town and surrounding villages is needed.

BOY SCOUT PAPER DRIVE SATURDAY

Saturday the Boy Scout units of Arlington Heights will conduct their last Saturday of the month paper drive. Residents are asked to tie old magazines and newspapers in bundles and place them on the curb for pick-up.

The paper drive committee will meet next week to discuss possibilities of conducting a drive in May. They will have to set a date other than the last Saturday of May as that will be Decoration day week end.

The time has come!

There comes a time in every year when clocks must be set ahead one hour, changing the time from Central Standard to Daylight Savings. Sunday, at 2 a.m., is the official time to make this change, which will remain in effect until the last Sunday in September.

Tax dead line near

There are only a few days left for the payment of the first installment of the 1951 real estate tax and the entire personal property tax.

Penalty date on these payments is May 1, the township collectors will close their books April 30, so the time is rapidly drawing to a close during which these bills can be paid without penalty.

The township collectors this year are able to receive payments right up to the deadline which is a great convenience to property owners who are compelled to wait until the last of the collection period.

The deadline is close and the local township collectors ask their patrons to get in as soon as possible in order to beat the deadline and avoid the penalty which applies after May 1.

VFW plan to hold Memorial day parade

The Veterans of Foreign Wars, Post 981, Arlington Heights, are making plans for the annual Memorial Day parade and ceremony to be held May 30. Sylvester Greschner is chairman of arrangements and further details will be published later.

Proponents of rezoning of Roth tract placed 'on trial'

The story of the Roth Manufacturing Company was repeated at a hearing last Wednesday evening before the Arlington Heights Zoning Board of Appeals.

The presentation of facts favorable to the rezoning of the proposed factory site was frequently interrupted from the floor to such an extent that the hearing became a debate, if not a trial.

Statements made by those speaking in favor of the rezoning were frequently questioned notably by Henry B. Hutton, a member of the plan commission and George S. Hoban, a resident of Scarsdale.

Following nearly a three-hour session an adjournment was taken to May 13 which was the earliest mutual date upon which both groups could agree.

EVIDENCE presented and the objections made to such evidence was practically a rehash of the recent public hearing before the plan commission.

Attorney Wild, represented the petitioners. George Kirchhoff, one of the present owners established the location of the tract, its relationship to five factories already established, and the buffer strip that had been set up between the property and the corporate limits of Mount Prospect.

William C. Keeran, general manager of the Roth Mfg. Co., testified regarding the nature of the plant, its freedom from obnoxious odors or operations, the expectation of spending in the neighborhood of two million dollars in its development; the use of a 250-foot strip along Central rd. for future park and recreational purposes and the plan to screen the company's property with proper landscaping, including trees. "The present wage scale," said Keeran, "is above the existing union rates."

THE INITIAL installation of the company will employ only about half of its present number of employees. Under questioning, he reiterated previous statements that there is no danger undesirable labor would be hired by the company. "It is too much specialized," he said.

Keeran repeated statements he made at the planning commission hearing that the company will not establish a foundry on its Arlington property and would have no right to do so. He branded as untrue any such story.

Alfred Jasper said a possible foundry was advanced to him as one of the reasons why he should sign a petition against the factory.

The facts brought out in the testimony and "question and answer" period that followed, were not news to those who have followed previous hearings and news stories about the factory.

Among those who presented favorable opinions to the location of the factory in Arlington Heights was Allen J. Hamilton, civil engineer for Cook County Highway Department and who is preparing plans for the extension of the Tri-State Highway; E. J. Murphy, real estate expert; Harry Bierma, 126 Wilshire, Stonegate, who is a member of the architectural committee of the village of Arlington Heights and George Schneberger, local business man.

ERIC M. ELLIS, 612 Burton pl., said he does not care about taxes and wants the village to stay as it is. Richard L. Brownell and Otto J. Schwartz, E. Willow st., expressed themselves as being opposed to the rezoning.

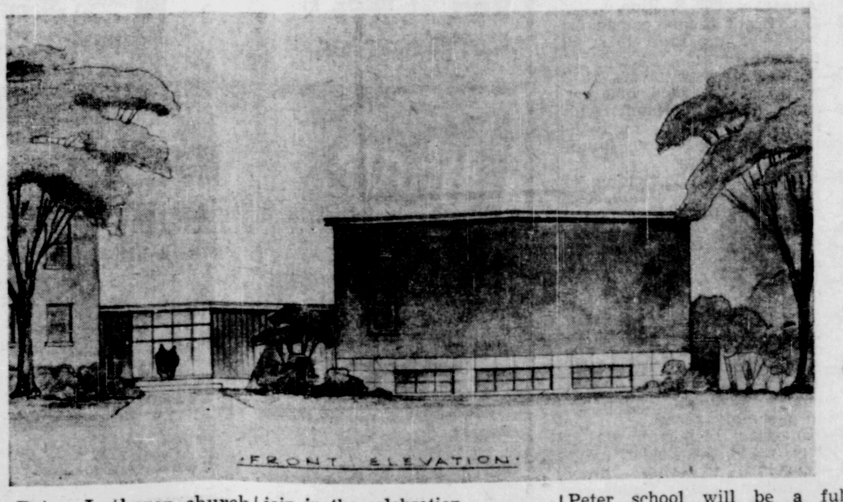
Mr Murphy spoke of a balanced community—one in which you have equal balance between means of making a livelihood and means for enjoying the fruits of that livelihood. He stated that he had visited the property under question and is of the opinion the location of the factory here would be beneficial to every class of people living in the town. Arlington, he said, has a crowded business area, a proportionately small industrial area, and a large residential area. When you have a community out of proportion, values fall, but gradually values increase as business and industry increase, he said.

In proper balance, industry is paying 50 to 55% of the village and school taxes. It does not require as much proportionate protection.

INDUSTRY BRINGS in pay rolls to be distributed among local merchants. Industry, he stated, is the highest and best use for the property in question. It could not possibly be residential use, against the sewerage disposal plant, which is classed as heavy industry.

Then he got into the question of the effects of a depression. Higher income brackets, he said, suffer most the minute a depression comes. He said a larger amount of industry would tend to stabilize the village's economy in time of depression.

Lutherans to lay cornerstone Sunday



St. Peter Lutheran church will lay the cornerstone for their activity building Sunday, April 27, at 4 p.m. Pastor Luther V. Stephan will conduct the outdoor service. The ladies of the congregation will serve a cafeteria supper in the school dining room.

Everyone is invited to attend this important event in the life of St. Peter congregation. The cornerstone laying has been postponed until late in the process of construction in the hope of having pleasant spring weather for an outdoor service so that many friends from near and far can join in the celebration.

THE ACTIVITY building is an addition to the parochial school, comprising an auditorium with a stage for social and athletic activities, and a basement dining room seating 300 people. The basement will also have a complete kitchen, a Ladies' society meeting room with its own kitchenette and lavatory, and a Sunday school room. The auditorium will seat an audience of 700 people. As a gymnasium the main floor will have a basketball court of standard junior high school dimensions with ample room for spectators.

This building, designed by Charles Klopp, A.I.A., is being constructed by the Ranbor Construction company.

WITH THESE new facilities St. Peter school will be a fully equipped unit in the elementary school system of Arlington Heights. Another male teacher is being called to teach one of the grades and help with a physical education program. With the larger dining room and kitchen the Mothers' club will find it much easier to serve daily hot lunches to the majority of the 320 children now enrolled.

Not only will the school program be improved, but a long-felt need will be filled by a place for social and educational gatherings of the adults. The members of St. Peter congregation appreciate the frequent use of the public school auditoriums granted them: the completion of this building will relieve the heavy schedule on those auditoriums.

Await state approval on Dunton avenue widening program

Village board members of Arlington Heights are keeping their fingers crossed until the state approves the Dunton ave. widening program, for which contracts were recently signed by Milburn Bros. and the village. The approval from the state should take approximately a week after which construction should have the "green light."

Village Attorney Hugo J. Thal told the board Monday night that the Dunton ave. widening program was "one of the biggest headaches" he had ever had. He presented an estimate of deficiency in funds to pay for the improvement and hoped by the time the state approved the project these last minute wrinkles could be ironed out, allowing the project to get under way without any further delays.

IT IS STILL hoped that the street lighting program along that street will be approved in time to allow the conduit to be installed at the same time the pavement is laid. The board of local improvements will set a date for a public hearing on the matter in the near future.

Numerous contractors have been proceeding with street improvements in the village before clearing the project through the proper channels. The board is determined to bring these offenders to task and will take immediate steps to prohibit any further violations of this sort. All contractors must report to the village clerk before beginning these improvements so that an inspector may be placed on the job.

A letter from the Arlington Heights fire department presented the village with a GMC 1951 emergency truck purchased by the fire department and to be used exclusively by them. The truck will carry inhalator and resuscitator equipment, as well as first aid supplies and will go out on all fire calls to be on hand in event of any emergencies.

THE BOARD opened one bid submitted in response to its advertisement for a street sweeper. The bid was for an Elgin No. 81 motor sweeper, at a cost of $9,815, plus 2% state sales tax. The bid has been taken under advisement.

The motor fuel tax allotment for the month of March totaled $2,334.25.

Authorization was given by the board for the advertisement for bids for sale of bonds on the proposed sewer and water improvements in the village. The advertisement will call for all bids by May 12.

COMMUNITY COUNCIL TO MEET MONDAY

The Arlington Heights Community Council will meet Monday night at the field house at 8 o'clock. Each organization in the village is urged to have its representatives attend

Anita Balfour

Northwest Heighters Activities

Christening

Sunday, Dianne Marie, 3½-month-old daughter of Mr. and Mrs. Alfred Meuser, was christened at St. Peter Lutheran church. Pastor Luther V. Stephan officiated. The baby's sponsors were Mr. and Mrs. Donald Ellery of Chicago. Following the ceremony a family dinner was held at the home of the parents. Present were the grandparents, Mr. and Mrs. Alfred Meuser, Sr., and Mr. and Mrs. Wilbur Haupt of Chicago, Mrs. M. Lattin of Galesburg, Ill., and the sponsors.

Trips

Sunday, Mr. and Mrs. E. J. Lewinski spent the day in Milwaukee, Wis., at the home of Mr. and Mrs. W. F. Kinnee

The William J. Warrens and their three children motored to Grand Rapids, Mich., over the week end where they visited their parents, Mr. and Mrs. Harry Hoover and Mr. and Mrs. William J. Warren, Sr.

Mr. and Mrs. F. W. Weiser and daughters, Carol, Janet and Connie, recently returned from a week's vacation in Williamsport, Pa. While there they visited with Mrs. Weiser's parents, Mr. and Mrs. L. C. Crowe.

The Paul Fellingham family returned home Friday evening from Washington, D. C., where they spent a week visiting all points of interest. On their way they stopped off for a short visit with their friends, Mr. and Mrs. Edward Lyon of Dayton, O., who are former residents of Sherwood.

Stork shower

A surprise stork shower was given in honor of Mrs. Alfred Weed Tuesday at the home of Mrs. N. Shishkoff. Guests in attendance were Mrs. E. Ackerlund, Mrs. George Predick, Mrs. John Kanne, Mrs. L. Graham, Mrs. B. Textor, Mrs. E. Ray, Mrs. F. Kreusch, Mrs. W. Harrington, Mrs. L. Bryant and her mother, Mrs. Harmer.

Visiting

Donnie Russell, 5, son of Mr. and Mrs. M. Donald Russell, is spending a week at the home of his grandparents, Mr. and Mrs. John Fogarty of Chicago.

Mr. and Mrs. Allen J. Modine of Houston, Tex., arrived Sunday for a week's visit with the Joseph Valvos and the Robert Balfours.

Dinner guests

Guests of the William L. Johnsons for dinner Sunday were Mr. and Mrs. William Hodge and son, Jeffrey, of Palatine, Mr. and Mrs. Herman Stein of Evanston and Mr. and Mrs. William David Johnson and son, Roy, of Chicago.

The Stan Molises, Jack LeBeaus, Thomas Goodings and Charles Klements, joined the Glen Buckleys in celebrating their anniversary Saturday evening. They dined at the Chalet on Waukegan rd.

Tour

Brownie troop 23 toured the Hager Pottery works at Dundee recently during their spring vacation. It was an interesting trip in which each step in the process of pottery making was shown. Afterwards a picnic lunch was enjoyed. Mrs. J. McGrath, Mrs. Frederick Weber and Mrs. Alfred Hall accompanied the children.

Birthday celebrations

Ronnie Thompson, son of Mr. and Mrs. Harvey Thompson, observed his fourth birthday Friday afternoon by inviting in a group of neighborhood children for refreshments and games. His guests were Jimmy Shogren, Carol Mears, Neal Neuman, Jeffrey Lind, and Mary Loechel. Ronnie's brother, Wayne, and sisters, Pam and Nancy, also joined in the fun. The decorations were in the Easter theme.

Eleven little friends helped Pammy Bruck celebrate her third birthday Sunday afternoon. They were Denny and Patti Olsta, Jerry and Bobby Ross, Johnny and Betty Ann Lorbach, Keith Katzenberger and Sharon, Dick, Michael and Charles Huss. The children's parents were also included in the festivities. Pammy is the daughter of Mr. and Mrs. George Bruck.

Housewarming

Mr. and Mrs. Richard Olsta were among the 35 guests who enjoyed a buffet supper at the new home of Mr. and Mrs. LeRoy Olsta in Elmhurst.

Jim Blackburn of Arlington Heights and Joe Alexander of Mount Prospect, students of Iowa State, were initiated into Delta Upsilon fraternity Sunday.

Community Calendar

April

24—Woman's club American citizenship study group tour of the Historical museum.
24—Kiwanis club meets at Simson's restaurant, 6:15 p. m.
24—OES Friends' night.
24—Kiwanis club meets at Simson's restaurant, 6:15 p. m.
25—VFW meets at the village hall, 8 p. m.
25—Book Talkers meet at the home of Mrs. Willis Hubbard, 525 Bristol Lane, 1:30 p. m. Mrs. Arthur Franzen will review.
25—Card party sponsored by the Ladies Aid of St. Peter Lutheran church at the school, 8 p. m.
25—Girl Scout leaders overnight training course, Camp Pine, returning next morning.
26—Rummage sale sponsored by the Friendly circle of St. John Evangelical and Reformed church in church basement, 9 a. m. to 12:00 noon.
28—Woman's club literature and drama study group meets at the home of Mrs. W. G. Edelblute, 109 S. Pine, 1:30 p. m.
28—Wheeling Township Regular Republican Woman's club meets at the field house, 8 p. m.
28—Prospect Heights Choral Society meets at Presbyterian church, 8 p. m.
29—Woman's club spring luncheon and fashion show at Medinah Country club, 1 p. m.
29—Community Council meeting at the field house, 8 p. m.
30—Girl Scout nature course for leaders, Camp Pine, 10 a. m. to 2:30 p. m.

May

1—PTA card party at South school, 8 p. m.
2—All-school play at Arlington High school.
2—St. John Evangelical and Reformed church meets at the church.
2—Girl Scout nature course for leaders, Camp Pine, 10 a. m. to 2:30 p. m.
3—Rummage sale, Methodist Women's society 9 to 1 at the church.
4—St. James Mothers' club delicatessen and bake sale, 6:30 a. m. to 1 p. m. in new church basement.
5—Prospect Heights Choral society meets at the Presbyterian church, 8 p. m.
6—Lions club meeting at the Lutheran school hall, at 6:30 p. m.
6—American Legion auxiliary meets at 8 p. m. at the Legion hall.
6—Eastwood Improvement association meets at the field house at 8 p. m.
7—VFW Auxiliary meets at Village hall, 8 p. m.
7—Pi Beta Phi alumnae club meeting at home of Miss Ann Cox, 607 S. Pine.
7—Girl Scout nature course for leaders Camp Pine, 10 a. m. to 2:30 p. m.
8—Village Theatre meets at 8 p. m. at the field house.
8—St. James Mothers' club meets 8:30 p. m. in basement of new church building.
9—Regular monthly meeting of St. Peter Mother's club, 8 p. m. at the school.
9—Girl Scout nature course for leaders, Camp Pine, 10 a. m. to 2:30 p. m.
9—VFW meets at Village hall, 8 p. m.
12—Prospect Heights Choral Society meets at Presbyterian church, 8 p. m.
13—Sunday circle of St. John Evangelical and Reformed church meets at 7:45 p. m. in assembly rooms.
13—American Legion meets at 8 p. m. at the Legion hall.
16—Wheeling township Junior Chamber of Commerce dance, 8 p. m., Fred's Community center.
16—Third Friday Book Review club meets at Mt. Prospect VFW club house.
18—Dedication of new high school addition at 2:30 p. m.
19—Prospect Heights Choral Society meets at Presbyterian church, 8 p. m.
20—Arlington Heights Lions club meets at Lutheran school hall, 6:30 p. m.
20—PTA meets.
21—Mt. Prospect Home Bureau meets at 1 p. m.
23—VFW meets at Village hall, 8 p. m.
23—Book Talkers meet at the home of Mrs. Tom Hildebrand, 527 Mayfair rd., 1:30 p. m. Mrs. George Glow will present the program.
25—Friendly Singing club, 7:30 p. m., at high school.
26—Prospect Heights Choral Society meets at Presbyterian church, 8 p. m.
26—Wheeling Township Regular Republican Woman's Club meets at field house, 8 p. m.

FLOWERS

Selected with care, will help make your wedding a day to remember. Let us help choose your bridal bouquet, attendants' flowers and floral arrangements for church and reception hall.

YOU CHECK YOUR HAT FOR PROTECTION...

Why not your Health?

● Hats and Health... The comparison may seem a bit far-fetched. But let's see. You check your hat as a protective measure. Why not check up on your health for the same reason? You can buy a new hat for a few dollars. But who would care to put a price-tag on his health?

You aren't really ill . . . just a bit under par, perhaps. And that's the very time you should see a Doctor—before he has to see you! Better make an appointment right away. He will be glad to help you get back on the highway to Health! A little foresight may save you the price of a dozen hats! And remember, bring your Doctor's prescriptions here for careful, conscientious compounding by our experts.

SIEBURG Rexall DRUG

1 W. CAMPBELL ARLINGTON HEIGHTS 19

WHEN DID YOU LAST HAVE YOUR CAR TESTED?

Use change oil regularly . . . you have your battery checked . . . you keep tire pressures up to standard . . . because you know these things are essential to the economical operation of your automobile. Wheel, Brake and Headlight Checkups are equally important to economical operation and in ADDITION ARE ABSOLUTELY ESSENTIAL TO SAFE DRIVING. Make it a rule to have wheels, brakes and headlights tested TWICE-A-YEAR!

WHEELS TESTED

Don't wait until a scuffed tire signals danger! Long before the evidence of misalined wheels becomes apparent, your car is unsafe. Drive your car ower our Bear Tire Scuff Detector TWICE-A-YEAR . . . this periodical test is your best guarantee of Safety . . . Not only will it safeguard your car against accident but it will safeguard your tires from the excessive wear caused by misalined wheels.

BRAKES TESTED

Defective headlights cause more accidents than any other factor except reckless driving. Drive with "new car" lights. Not only is it safer but it adds to the pleasure of night driving. Have them TESTED TWICE-A-YEAR for intensity and focus by our famous Bear Headlight Testers.

HEADLIGHTS TESTED

When was the last time you had your brakes tested? Unless they are checked TWICE-A-YEAR, your car is not safe to drive. Neglect is costly . . . it is far cheaper to keep brakes in adjustment and not only eliminate the cause of many accidents but prevent the brakes wearing out prematurely. Our Bear Hydraulic Brake Tester is at your service.

Sidelights of Arlington Heights

Guests

Mrs. Louise Tonne of Lake Zurich and Mrs. Ollie Anderson of Chicago were visitors at the home of Mr. and Mrs. E. H. Ingles Saturday. Mrs. Tonne and Mrs. Anderson are cousins and this was their first meeting in many years.

Mrs. W. G. Franke of Chicago visited her sister, Mrs. Martha Baer, over the week end.

Dr. Jeanette P. Nichols of Swarthmore, Pa., was a guest at the Milton Daniels home for a few days last week. She flew here to attend historical meetings in Chicago. Dr. Nichols also visited her brothers, Stuart and Charles Paddock, and her sister, Miss Lucille Paddock.

Mr. and Mrs. Roy Henken and children, Guy, Linda and Mark, of Michigan City, Ind., spent Easter week end at the home of Mr. and Mrs. William Heidemann. Mrs. Henken and the children remained here during the week and returned home Sunday. Mrs. Heidemann is Mrs. Henken's mother.

Mrs. Violette Beaudro of Chicago visited Dr. and Mrs. H. J. Carr last week end.

Vacations

Sunday Mr. and Mrs. Herbert Olson and daughter, Alice, returned home after spending two weeks visiting relatives in Alabama and sight-seeing in Florida and several other Southern states. Mr. Olson's father, Nels Olson, also accompanied them but will return home by plane because of injuries he received in a fall during the trip.

Miss Gloria Jorgensen and Miss Beverly Rogers will return home Sunday after spending two weeks vacationing in California.

Mr. and Mrs. J. Edward Middleton and family spent a few days at Turkey Run Inn in Indiana last week.

Mr. and Mrs. James Yates and family returned home Sunday from a three-weeks vacation in Florida. Their son, Bruce, became ill with measles while they were in St. Petersburg, so the family remained there for a week.

Easter trips

During Easter vacation Mr. and Mrs. Laurence Smith and family visited relatives in Des Moines, Ia. They drove through the flooded Mississippi area on their trip.

Mr. and Mrs. George Orth and family spent Easter week end in Milwaukee.

The Swaby family spent Easter vacation visiting in Southern Illinois.

Entertaining

Mrs. L. John Mirs of Maywood will entertain her pinochle club tonight, Thursday. Those attending will include Mesdames Mervin Fink, William Beckman, George Rezner, and Miss Vera Folkman, all of Arlington Heights; Mrs. Erwin Jiran of Des Plaines and Mrs. Meyr Sachs of Chicago.

Mrs. Emil Schubert entertained her 500 club Tuesday afternoon.

Mr. and Mrs. George Orth and Mr. and Mrs. Clarence Tody were entertained by Mr. and Mrs. Herman Schmukel Thursday evening.

Recuperating

George Held has been confined to Sherman hospital, Elgin, for the past three weeks, where he underwent a major operation.

Saturday, Douglas Brown, son of Mr. and Mrs. Douglas Brown, underwent an appendectomy at St. Joseph hospital, Elgin.

Rody Ismay is recuperating from a case of measles.

Spring vacations

Several high school teachers and their families went out of town during spring vacation.

Mr. and Mrs. R. C. McLennan and daughter, Karen, visited Mr. McLennan's parents in Cedar Rapids, Ia. Mr. McLennan also attended a three-day National Convention of Mathematics Teachers in Des Moines. During this time Mrs. McLennan visited friends in Ames.

Mr. and Mrs. Fredrick Schmoyer and daughter, Judy, spent spring vacation visiting Mr. Schmoyer's mother in Boyertown, Pa.

Mr. and Mrs. Bruno Waara and daughter, Kathy, visited Mrs. Waara's mother in Manistique, Mich.

Mr. and Mrs. Ted Seiler spent spring vacation in St. Augustine, Fla., visiting Mr. Seiler's aunt and uncle.

Birthdays

Jeanne Meyer, daughter of Mr. and Mrs. Willard M. Meyer, celebrated her fifth birthday Saturday afternoon.

Susan Torhan, daughter of Mr. and Mrs. George Torhan, celebrated her first birthday April 16.

Mrs. Nels S. Olson, who is residing at Thorsen's Rest Home at the present time, celebrated her eighty-second birthday April 17. She spent the day at home with her family and later enjoyed refreshments at the home of her grandson and family, Mr. and Mrs. Ralph Clarbour, Jr.

Surprise luncheon

Mrs. Paul Patrick gave a surprise luncheon last Wednesday for Mrs. Frank Sachs. Mrs. Sachs is moving the first part of May to New York.

Mr. and Mrs. Quentin Ebel and family left Arlington Heights recently to make their home in Florida.

Attends convention

Mrs. Milton Daniels left here April 12 to attend the DAR national convention in Washington, D. C. She plans to spend a month sight-seeing in the East.

Bert Clarbour, son of Mr. and Mrs. Ralph Clarbour, returned last week to the University of Illinois after spending two weeks vacationing at home.

Thursday, A/3C Philip Theis will come home on a three-weeks' leave from Mather Air Force base in California. He will then return to an air force base in Texas.

Guest day

The ladies of Rolling Green Country club held their annual guest day Wednesday in the clubhouse. Approximately 150 women attended the event. Following luncheon a dramatic reading was presented by Jo Fields Shallet of Chicago.

Mr. and Mrs. Herman Meyer of Harvard, Ill., visited relatives and friends in Arlington Heights last week. They also attended the funeral of Albert Neumann.

Bridal shower

A bridal shower was given [illegible] Miss Marion Linneman at the home of Lorraine Schubert. Twenty-five guests were present and a buffet supper was served. Miss Linneman will become the bride of Louis Niemeyer May 3 at St. Peter Lutheran church.

Sympathy

Sympathy is extended to Mrs. Paul Carroll whose father, Martin Olsen of Gurnee, died last week.

Attend Boy Scout conclave in Chicago

The Northwest Suburban Council of the Boy Scouts of America, which administers the program of Scouting in Arlington Heights, Palatine, Mount Prospect and Prospect Heights, was represented at the recent region seventh annual meeting in Chicago, by George H. Sheppard, council president. Jordan A. Minerva, Barton T. Mears, Erick Schalk, Otto E. Harz and W. G. Pilgrim.

More than seven hundred Boy Scout volunteer leaders and executives from the four-state area comprising region seven — Illinois, Indiana, Michigan and Wisconsin — heard Dr Arthur A. Schuck, chief scout executive, announce that Boy Scouts all over the country will engage in a "good turn" program to get out the vote this Fall. He said the plan is for more than 2,950,000 Scouts and adult leaders, covering the entire nation, to hang voting reminders on the doorknobs of 30 million homes on the Saturday before the presidential election.

Dr. Schuck also revealed that tentative plans have been made to hold next year's Scout Jamboree at the Irvine Ranch near Santa Ana, Calif., July 10-16, 1953, inclusive. Approximately 50,000 Scouts will attend the national event.

Heights students win 1st places in district

Three students from Arlington Heights township high school won first place ratings and six students won second place ratings at the district meeting of the Illinois Junior Academy of Science held April 19 at J. Sterling Morton high school in Cicero. The first place winners will be eligible to compete in the state contest at Eastern Illinois State college which is to be held in Charleston May 2.

Barbara Martin won first place with her herbarium in which she has classified and mounted about 180 wild flowers, herbs and plants. Joe Horcher and Charlene Rehfeldt were the other first place winners with their exhibit showing experiments in genetics with mice with resulting variations in color, hair, eyes and tails.

Second place winners were Don Hutchinson with his exhibit of electronics, Robert Cummisford with his experiment of making sugar from wood, Marshall Sherrill with his Delta wing plane, Pete Green and Carrie Kadoyama with their work with chemicals showing periodic table, and Don Kroeber with his electronic scale.

The judging of the projects was based on their scientific worth and educational value, originality, accuracy of information, effective presentation and workmanship, and difficulty and comprehension. Projects were accompanied by essays giving the purpose, procedure, difficulties, and conclusions.

Nelson L. Lowry, head of the science department, and Robert Kemman, biology instructor, accompanied the group. Next year the district meeting will be held at Arlington Heights township high school with Mr. Kemman serving as district chairman and Mr. Lowry serving as chairman of the exhibits.

Let's get down to brass tacks and the PLAIN HARD FACTS

Here's why a Chevrolet truck means dollars-and-cents savings!

Size up the four facts why a Chevrolet truck cuts down your hauling or delivery costs.

But there's more to it than that. It's the greatest truck to drive you ever got your hands on. Easier Ball-Gear Steering. Clutch smooth and easy. Fast, quiet Synchro-Mesh transmission that eliminates double clutching. Roomy cab with five feet of hip room, ventipane windows, and seats with double-deck springs.

Come in and let us show you.

FACT No. 1 — You pay less to buy!

FACT No. 2 — You save on cost per mile!

FACT No. 3 — You get the right truck for the job!

FACT No. 4 — Your truck investment is safer!

C. L. Griffith, Secretary.

Culver-Stockton chapel choir to sing at high school Friday afternoon

The Culver-Stockton college chapel choir of Canton, Mo., which is on a seven day tour, will entertain students at Arlington Heights township high school Friday, at 2 p. m.

The forty-seven voice choir will sing excerpts from "Carousel" and "Oklahoma," wearing costumes appropriate to the setting. They will also sing a group of Negro spirituals, in addition to the regular choir repertoire.

J. Leslie Pierce, well known baritone soloist, is director of the choir. The group left Canton April 20 and will give a total of 14 concerts before returning home. They are scheduled to sing in Kimball hall, Chicago, Saturday night.

Ranks second

California is the second largest state in the Union.

Orthodontist opens suite of offices in Arlington Heights 'loop'

Dr. Vernon Boman, orthodontist, who has been practicing orthodontics for the past three years at 34 S. Dunton ave., Arlington Heights, opened a suite of new offices at 7 W. Campbell st. last Thursday.

When Dr. Boman started to practice here it was on a part time basis, as he also had an office in the Uptown bank building, Chicago. He has now closed that office in order to devote his full time to Arlington Heights patients.

As an orthodontist, Dr. Boman deals exclusively with straightening teeth. He is a graduate of Northwestern university dental school, later receiving a master's degree in orthodontics from the graduate school.

The opening of Dr. Boman's suite is the first one of several offices expected to be located in the building in the near future.

Parents to be notified of bike riding violations

Boys and girls operating bicycles will soon receive "tickets" for violations noticed by members of the police department. The youths and their parents will not be required to appear before the judge, but signature of parents will be required in order that the department may know that the incident has been reported to them.

The "tickets" will cover six possible violations as follows: reckless riding, riding double, wrong side of the street, no lights, no signal device, no village license, stop lights and stop signs.

Chief Skoog explains that it is purely a safety measure. "The police do not intend to 'pick on' bike riders; we are only here to educate them to safety measures. It should have the support of all parents," says Skoog. "We want young people to realize that their responsibility is as great as a driver of an automobile. We do not want any bicycle fatalities."

Before putting the plan in operation, talks will be given in each of the elementary schools of Arlington Heights. The 1952 bike licenses will soon go on sale at the municipal office. They are 50c each.

Benefit card party

A card party sponsored by the Mothers' club of the Forest View school, Arlington Hts., will be held April 25 at 8 p. m.

Refreshments will be served and there will be special attractions. The public is invited to attend.

The school is located on State rd., south of Golf rd.

St. John's Evening Guild celebrates 5th anniversary

The Evening Guild of St. John's Episcopal church, Mt. Prospect, celebrated the fifth anniversary of its founding with a party in the village hall in Mt. Prospect April 16. The birthday atmosphere was created by appropriate decorations and refreshments.

Hostesses for the evening were Mrs. John A. Beverley, Mrs. R. E. Gerrard, Mrs. J. Herbert Haynsworth, and Mrs. Frederick J. Reinking. Mrs. John F. Havard and Mrs. George Adam poured coffee.

During the business meeting which preceded the social hour, Mrs. John F. Havard, president of the Guild, introduced Mrs. William Hartman from the Northwest Suburban branch of the AAUW. Mrs. Hartman told about the school for migrant children which is held in the Congregational church in Des Plaines every summer.

Mrs. R. C. DeZur, chairman of the ways and means committee, announced that plans are under way for the Guild's annual spring card party, which will be held in the Arlington Heights field house May 12 at 8 p. m. This is one of the most popular events on the Guild calendar. Homemade refreshments will be served. Reservations may be secured by calling Mrs. DeZur at 1916-R.

Mrs. Havard gave a short history of the Guild, introduced four of the five past presidents of the Guild and presented each with a lovely corsage. They were Mrs. George Adam, Mrs. Curtis H. Parsons, Mrs. Wilfred B. Colmar and Mrs. J. Herbert Haynsworth. Mrs. Robert A. Geddes was unable to be present.

Mrs. Joseph Vavra of Mt. Prospect was welcomed as a new member and was presented with a corsage of daisies.

Overheated stove cause of garage fire

Arlington Heights and Mount Prospect fire departments responded to a call Wednesday morning at the Lester Plant home, E. Olive ave., Arlington Heights.

The fire, caused by overheated stove in the garage, where Mrs. Plant sews on slip covers and draperies, resulted in considerable damage to the building as well as the furnishings.

Presbyterian circles to meet Wednesday

Circles one through five of the Women's Association of the First Presbyterian church of Arlington Heights will meet April 30 at 1:15 p.m. at the homes of the following members:

Circle 1 will meet at the home of Mrs. James Moore, 713 N. Evergreen, with Mrs. Fred Chiles as co-hostess.

Mrs. Douglas Brown will be hostess to Circle 2 in her home at 504 S. Mitchell. Co-hostesses will be Mrs. Harold Gore and Mrs. Clinton Lyman.

Hostess for Circle 3 will be Mrs. David Jacobs of Braeburn rd., Inverness. Mrs. Victor Bernthal will be co-hostess.

Circle 4 will meet at the home of Mrs. John Hauser of 205 S. George st., Mount Prospect. Co-hostess will be Mrs. Frank Neill.

Mrs. Richard Frasier of R.R. 2, Palatine, will be hostess to Circle 5, with Mrs. Warren Gawthrop as co-hostess. Members of Circle 5 will meet at the church at 1 p.m. and will go to Mrs. Frazier's home in a group.

At 8 p.m. April 30, Circle 6 will meet at the home of Mrs. Galarza, 338 Newbury. Mrs. Ivan Quackenbush will be co-hostess.

Mrs. D. L. Wheeler of 406 W. Kirchhoff rd. will be hostess to Circle 7 at 8 p.m. Co-hostess will be Mrs. W. Meyer.

The World Service leaders will review the last four chapters of the book, "We Americans: North and South." The leaders are:

Mrs. A. E. Jernberg, Circle 1; Mrs. Norman Tucker, Circle 2; Mrs. William Arnold, Circle 3; Mrs. George Rose, Circle 4; Mrs. Daniel Vittum, Circle 5; Mrs. Roger Kellogg, Circle 6; Mrs. C. A. Storch, Circle 7.

Award prizes to senior Girl Scouts

Eight girls of the newly formed Senior Girl Scout troop of Arlington Heights and Mt. Prospect received their pins in an impressive installation service last Wednesday night.

The ceremony was officially opened by the presentation of colors. Next the candles were lit as the Girl Scout Promise and laws were repeated. The presentation of the pins followed and the service was closed by the group singing "When E'er You Make a Promise."

Speeches were made by Judy Peterson and Janann Jarrett, explaining the purpose and goals of the troop. The troop leaders are Mrs. Fred Tice and Miss Delores Hudson.

The evening was concluded by the serving of refreshments which were provided by the troop committee. Another ceremony will be held for the girls not eligible for their pins now.

Hilltop Stu'o adds line of moderately priced draperies

Hilltop Studios, 1716 E. Northwest hwy., Arlington Hts., has added a complete line of moderately priced drapery and slip cover fabrics.

Available by the yard these materials are the latest in design and color and have excellent wearing qualities. A complete range of styles include small provincial prints, traditional patterns and modern designs featuring the new gold overlay.

A selection of coordinated stripes and solid colors of interesting textures are also available. The fabrics are 48 inches wide, are sunfast and tubfast.

This cop's a four timer—in Olympics

Matt McGrath, former New York city policeman, represented the United States in four Olympic games—1908, 1912, 1920 and 1924. He won the hammer throw in 1912 at Stockholm.

CIRCLING THE TOWN

BY PHYLLIS KNIGHT

The 1951-52 year of the Arlington Heights Woman's club will be climaxed Tuesday with the annual spring luncheon, to be held this year at Medinah Country club, Itasca. This affair is open to non-members as well as members and tickets are $2.75.

On the program is a fashion show presenting styles from the Emerald shop as modeled by club members including Mrs. Richard Black, Mrs. R. E. Clabaugh, Mrs. Donald Coffey, Mrs. C. G. Cruickshank, Mrs. R. A. Franzen, Mrs. John E. Hookum, Mrs. A. W. Komarek, Mrs. Frank Kroll, Mrs. Earl Riley, Mrs. G. E. Seidel, Mrs. Donald Shaw, Mrs. T. W. Thackery and Mrs. Adolph Wiegand.

Besides the program, new officers of the club will be installed, and the group's capable and attractive president of the last two years, Mrs. Milton C. Haase, will be honored.

During Mrs. Haase's term of office, accomplishments of the Arlington Heights Woman's club have been numerou . Mrs. Haase's ability—and the abilities of her co-workekrs — was evidenced in the outstanding cooperation she received from both board members and committee chairmen who served during this two-year span.

The club's most major project in the 1950-51 year was the sponsorship of the Village Theatre fall production and consequent donation of more than $650 to the library and Youth center funds.

The Woman's club also sponsors the annual Arlington Heights infantile paralysis and cancer drives and has helped put the village well beyond its quota. This year club contributions included an additional gift to the library, music and art scholarships and a donation to the high school record library.

Thus next week's luncheon will be a combination of a "thank you" to the outgoing board of directors and a look to the future when the new officers take over.

Congratulations to . . .

Mrs. R. K. Dillenback and her corps of hard-working Red Cross solicitors. By canvassing the town they succeeded in putting Arlington Heights more than 20% over its quota for the year—and in dollars that meant an extra $1,000 for Red Cross functions.

On their way

Members of the congregation of St. Peter Lutheran church—and all local people interested in youth activities—have been eagerly watching the progress of the new youth building the church has under construction next to the dial telephone exchange.

This Sunday will see an event symbolic of its progress, the cornerstone-laying ceremony to take place at 4 p.m. The pastor, Rev. L. V. Stephan, will conduct the service to which all interested persons are invited.

Following the ceremony, the ladies of the church will serve a supper in the school dining room, the proceeds from which will go toward the new building.

Final study group meeting scheduled

The last study group meeting of the season is planned by the Literature and Drama group of the Arlington Heights Woman's club for Monday at 1:30 p. m. It will be held at the home of Mrs. W. G. Edelblute, 109 S. Pine ave. The chairman of the group, Mrs. Max Hershey, will conduct the meeting and act as co-hostess for the day.

Students from Arlington Hts. township high school forensics class, who have been receiving recognition in many quarters for their fine oratorical accomplishments, will present a varied program. There will be a humorous reader as well as a serious reader, a verse speaker, an original orator and a declaratory orator.

Jaw Vawter will preside as master of ceremonies and Myrna Tawney will give a humorous reading entitled "Sixteen."

An extemporaneous speech, "Presidential Possibilities," will be given by Dan Walton, and Joan Groth will give a verse reading entitled "Departure."

A radio newscast will be given by Richard Carlson, and a serious reading, "Time to Say Goodby," will be presented by Diane Perry.

"Before You Strike, Come With Me and See What I Have Seen," an oratorical declamation, will be given by Ralph Allen.

Clayton E. Mott, teacher of forensics at the high school, is justly proud of this group and assures members that the program will be an interesting sampling of the year's work.

Club members are requested to telephone their reservations for this meeting to Mrs. Edelblute at 291-R.

Sewing Susies 4-H club

The Sewing Susies 4-H club of Arlington Heights went to Elgin April 11 to visit the J. C. Penny department store. They were shown many different kinds of materials which will help them in their clothing project.

April 19 the club had a bake sale at Palmer's Plumbing Shop. The money the girls received will be used for 4-H camp.

The Public Service company sponsored a pressing party for the club April 21. The girls learned how to repair the cord on an iron and were shown how to use a steam and a regular iron on different kinds of textiles.

The club will hold its first sewing meeting April 28, at 3:45 p. m., at the field house.

PTA to hold card party May 1

One of the highlights of the spring social season in Arlington Heights, is the annual spring card party sponsored by the PTA. The party is scheduled for May 1, at 8 p. m. at the South school.

The card party is one of the money making projects of the ways and means committee, of which Mrs. Robert Everett is chairman. Mrs. Maynard Whitelaw is general chairman for the party. Also serving on her committee is Mrs. Earl Hadlin, tickets; Mrs. William Ball, awards; Mrs. Harold Gore, tables; Mrs. Arden Scott, hospitality, and Mrs. Jack Boehner and Mrs. Joseph Brant, refreshments. Tickets are 75c, and may be obtained by calling Mrs. Earl Hadland, telephone 452-J.

While refreshments are being served a group of men from the Village Theatre will present a skit as a take-off on women playing bridge. Appearing in the skit will be Robert Hutchinson, Dennis Malcolmson, Joseph Crittenden, and David Shaughnessy.

Arlington Heights building permits

The first six permits are all for single family residences.

John N. Schafehen, 936 N. Mitchell ave., $15,000.

William Kakula, 1009 Watling st., $13,500.

E. J. Ahmer, 724 N. Kaspar ave., $12,000.

Kimball Hill & Assn., Inc. 1201 E. Euclid st., $13,000.

Carl Stefanik, 801 N. Mitchell ave., $14,000.

A. C. Jacobs, 14 W. Euclid st., $22,000.

Robert Emmett, 741 S. Highland, garage, $450.

Samuel H. Clark, 622 Lynden lane, garage, $850.

Harold L. Carlson, 905 N. Beverly lane, garage, $800.

Gerald D. Maloney, 926 N. Hickory ave., garage, $700.

Frank S. Harris, 831 N. Mitchell ave., garage, $1635.

John A. Sanderson, 701 S. Vail ave., garage, $795.

Reckless drivers

It is estimated that drivers under 25 cause five times as many accidents as drivers in the 45 to 60 age groups.

Up and Doing 4-H club

The Up and Doing 4-H club of Elk Grove met at the home of Helen Grimm April 15. Preparations for the 4-H banquet were discussed.

For summer projects Patty Busse gave a talk on making cookies, Harriet Moellenkamp gave a demonstration on making chocolate chip cookies, and Marilyn Hagenow gave a talk and showed pictures on sewing zippers.

Helen Grimm demonstrated how to make a fruit salad and Laurnell Anderson gave a demonstration on eye burning for her clothing project.

Nancy Hanemann and Diane Duke were on the recreation committee and Marilyn Hagenow and Laurnell Anderson were on the minor committee.

Refreshments were served by Harriet Moellenkamp, Patty Busse, Marilyn Hagenow and Helen Grimm.

The next meeting will be held April 22 at the home of Judy Moehling.

United Motor Coach wins two safety awards

United Motor Coach won two safety awards in the past year, the bronze award from the American transit association for 250,000 man hours worked without a lost time accident, and the national safety council award.

In the April, 1952, issue of "Public Safety," published by the national safety council, United Motor Coach was one of the six transit companies in division I in transportation throughout the United States declared a winner for no lost time accidents for one year.

Dr. Stine to speak at charter night dinner

Dr. Luther Stine of the First Presbyterian church of Oak Park, a prominent church figure in this area, will be the principal speaker next Monday night at the charter night dinner of the Arlington Heights chapter of the National Council of Presbyterian Men.

The meeting will be held in the dining room of the Arlington Heights Presbyterian church at 7 p. m., with dinner served by the Women's Association of the church.

N. M. Lattof, president of the newly organized men's group, will preside, and arrangements for the meeting are in charge of a group headed by Roy Hughes, chairman of the council's membership and attendance committee.

Registration of a charter for the Arlington Heights Presbyterian group will signify its affiliation with the National Council of Presbyterian Men, which has chartered men's groups throughout the country. The local council will have a continuing program of activities aimed toward extension and intensification of men's work in the church.

Dr. Stine, who will highlight the charter dinner proceedings, has had extended service as a member of the National Board of Christian Education of the Presbyterian church, and his work in this position took him to every part of the nation.

Clever Clover 4-H club

A 4-H rally will be held at Arlington Heights high school April 24 at 8 p. m. The Clever Clover club's candidate for queen will be Mary Kingsley.

The next meeting and pressing party will be held at the home of Betty Lou and Mary Jane Schultze, 1000 N. Kennicott, April 29 at 7 p. m.

SHOPPING *with* SHARON

The easiest way to be absolutely sure moths will never eat your woolens, is to mothproof the cloth itself. Thus Mr. Harris informed me when I dropped in to the **Arlington Pharmacy** to get a fly swatter to destroy the pesky creatures.

"Contrary to popular belief," he laughed, "the flying moth has no mouth and cannot eat."

"What does cause all the damage?" I demanded.

"The worms, or larvae, that hatch from the eggs laid by the moth. Moths are most active in spring and summer, but they breed all year in heated rooms.

"It's pretty late when you see the moth, for she has already laid her invisible eggs on woolens, mohair, fur, or similar animal fibres."

"What can I do?" I asked in alarm, picturing my new coat, my suit, my skirts and all my precious possessions furnishing a banquet for the crawling larvae.

"Your garments will be perfectly protected," he reassured me, "if you spray them with **Larvex.** Moths would rather commit suicide by starvation than eat anything treated with **Larvex.**

"You'll be glad to know this is the method used by big woolen mills. One spraying mothproofs for a whole year, and dry cleaning does not affect it.

"**Larvex** is inexpensive, too; only 79c per pint or $1.19 per quart. Take a bottle home with you; mothproof your suit; hang it in its usual place in the closet; wear it; send it to the cleaners; it's fully protected till April, 1953 . . . at **Arlington Pharmacy.**

Party cakes are a specialty at the Arlington Cake Box, where the proprietors are always looking for new ways to make their cakes more attractive. Now you can get an entirely different kind of cake . . . they feature wind-up toys as decorations on top of the cake. Among the toys to choose from is a merry-go-round that actually revolves and has chickens popping in and out.

Kolacnys, those delicious Bohemian pastries made with sour cream and filled with various fruits or cheese, are another specialty at the Cake Box.

* * *

Something new has come to carpets, and the new carpets have come to Arlington Heights, at the Mayfair Rug Cleaners, 115 N. State. The artist, Salvador Dali, has designed a group of carpets in provocative combinations that will open up new fields in the adventure of floor covering. I saw the samples on display, and if I were building a new ranch type house, or if I could afford to replace my rugs with these visions of loveliness, I could bring into my living room the warmth and richness of the tropical seashore with "The Call of the Sand," on which coral forms and sea shells lie brightly on yellow sand in the hard glare of summer mid-day.

But I might prefer Dali's "Stone Shadows of the Afternoon," with long shadows in sharp relief with white stones and soft green grass; or I might desire the rich browns, tans and golds in which are woven a maze of looped ropes on weathered timber.

Just as I was debating which design I would have to deny myself, Mr. Brown quietly informed me that all I could do was feast my eyes on the display. The new surrealist carpets are not in production. They cannot yet be bought . . . "But I can dream, can't I?"

Former Mt. Prospect girl, husband save child from drowning

Mr. and Mrs. Warren Osenberg, daughter and son-in-law of police chief George Wittenberg of Mt. Prospect, recently rescued a DeKalb youngster from drowning in the Kishwaukee river. Quick thinking and prompt action on the part of the Osenbergs saved the life of James Cliffe, 6, son of Mr. and Mrs. Thomas Cliffe, DeKalb.

The youngster had fallen into the river and was unconscious when dragged to shore by Osenberg. The boy had no pulse and Osenberg promptly administered artificial respiration and had brought the boy around by the time the city ambulance arrived with the inhalator.

The incident occured March 29, as Cliffe and another boy, Bobby Marshall, also 6, were playing near the river. Mrs. Osenberg, who was riding by with her husband, noticed a body in the water. She mentioned this to her husband, who immediately stopped the car and went back to investigate. As he neared the water he noted the body flip over and hands go into the air, and immediately jumped in for the rescue.

Boy Scout first aid contest Friday eve

During the months of February, March and April, Boy Scouts and Explorers of the Northwest Suburban council have been working on first aid. As they work along, the problems get more difficult, so that when they get to the Council Meet they must know first aid through merit badge first aid. This means that they can give first aid in most any kind of accident.

In order to test their skill and their knowledge, the Northwest Suburban council first aid meet will be held Friday evening, April 25, at Maine township high school gym. This meet will be the largest ever held in the council, with 71 teams eligible to participate.

Teams will be called to order at 7:30 p. m.—the first problem scheduled to be read at 7:45 p. m.

Parents and friends of Scouts are welcome to attend

We want to invite all our friends to our

SPRING IN TOWN

The country ever has a lagging Spring
Waiting for May to call its violets forth,
And June its roses—showers and sunshine bring,
Slowly, the deepening verdure o'er the earth;
To put their foliage out, the woods are slack,
And one by one the singing-birds come back.

William Cullen Bryant thus ushers in another season of springtime with its beauty and new hope. Ah, yes, this is the time of the year for poetry, but to the average home owner and resident of Arlington Heights, spring means many long hours of toil, digging, planting, cultivating! For the new home owner as well as the old, "America's Garden Book," by Louise Bush-Brown will be of untold value.

THIS REVISED edition of "America's Garden Book" takes full account of progress in gardening in the past decade. It contains an entirely new chapter on the control of undesirable plants, which should be of great value to the gardener. A special section is devoted to the eradication of weeds, which are troublesome on lawns; the most up-to-date and approved methods of disease and insect control are given; and there is a new presentation of new techniques in seed sowing. Outstanding new varieties in the various departments of plant material are recommended to the reader.

* * *

For the very young folk, "Happy Days in the Garden," by Ella H. Hay will not only tell about planting, but the illustrations will bring results to a very young amateur. Flowers and vegetables alike have their place in this new book just placed on the children's shelf.

* * *

Many enjoy their spring beauty not only outdoors, but in the living room, that corner in the hallway, or on the kitchen table. "The New Flower Arrangement for Everyone," by Dorothy Biddle and Dorothea Blom, with 80 photographs, tell how to make a number of arrangements from 12 gladiolus or 12 iris and how to get the most from a bunch of roses or carnations. Chapters include fresh viewpoint on table setting, promenade of the months, with pictures of appropriate seasonal flower studies, corsage marking and many others. It is a book for those who love flowers, and a stimulating and easy text for all who would have them look lovelier.

* * *

PLANTS BY Herbert S. Zim. To the average person, the word plants means flowers, trees, shrubs — the obvious green things in any landscape — but Dr. Zim opens up new and exciting vistas in this unusual book. With simple equipment, there are endless things an amateur can do—from the reader in the city to the country dweller. One hundred twenty-one black and white drawings by John W. Brainerd, who is a botanist by profession, add to the interest of the book.

* * *

Not all out-door enthusiasts are gardeners. In and around our surrounding countryside we find keepers of bees, and for those interested in that hobby, "Bees, Their Vision, Chemical Senses, and Language," by Karl Von Frisch, will bring many interesting and helpful suggestions for a successful venture along this line. Starting with an account of the color sense of bees, Professor von Frisch takes the reader by easy steps through experiments which demonstrate that bees can distinguish yellow, blue, blue-green, and ultraviolet. Bees can also tell the difference between a solid pattern and a broken one. Professor von Frisch discusses the location and degree of discrimination of the organs of taste and of the honeybees. Everyone, scientist or interested amateur, will be fascinated and challenged by this simple and readable account.

Barrington Music club to give spring concert

The seventh annual spring concert of the Barrington Music club will be presented Saturday, April 26, at the Barrington Elementary school, 8 p. m.

The conductor is Platon H. Karmeras, who has distinguished himself in all fields of the music profession including teaching, directing, orchestra, opera, and piano solo work.

The chorus and orchestra are composed of leading musicians of ten surrounding towns. The club's aim is to promote good music in the community.

For necessary expenses there will be an admission charge of one dollar.

The 45-piece orchestra is composed of 16 violins, four flutes, one viola, six violoncellos, one bass, two oboes, three French horns, one percussion instrument, five clarinets, one bass clarinet, three trumpets and two trombones. Joseph Chapek is the concert master. There are 58 voices in the chorus.

The chorus will sing a few spirituals, an English folksong, three religious songs, and other selections by Mozart, Schuetky, Handel and Chopin-Ringwald.

The orchestra will play works by Mozart, Franck, Liszt and Wagner.

Barrington Moose News

April 20, the members of the Barrington Legion of the Moose were instituted at a breakfast at Fred Win's home in Barrington.

Jack Buell, Emmit Momasey and Clide Carr, legionaires from Crystal Lake lodge, were guests at the breakfast.

Emmit Momasey installed the following officers: Ray Workman, president; Ted McFarland, vice-president; John Shockey, secretary-treasurer; Ray Henz, Hiram Hanson and Elmer Mess, trustees.

Officers who were appointed are Bob Hanes, guiding Moose; Jack Harris, custodian, and Fred Winn, Argus.

Monday, installation of officers will be held in the social hall of the Barrington high school at 8 p. m.

Earle W. Horton, assistant director of the membership enrollment department of the general offices of the Loyal Order of the Moose, will be installing officer and principal speaker.

Robert F. Hurliegh, national chairman of the Order's Civic Affairs committee, chief of the news division of radio station WGN and member of Greater Chicago Lodge No. 3, will also speak.

The evening will be highlighted by the Crystal Lake Women of the Moose No. 702, who will escort the new officers

Through THE SCHOOL DOORS

By Staff Members of the Arlington Heights Public Schools

by DENNIS MALCOLMSON

PLAYGROUND LIVING

The school playground at noon is an interesting lesson in living. The hour allowed for eating and playground time is a learning experience in adjusting to a large group.

Since neighborhood schools are still in the planning or construction stage today, a large number of pupils live too far away to go home for lunch. Even with the large numbers participating on the playground, there seem to exist happiness and satisfaction, and there are few complaints of any importance.

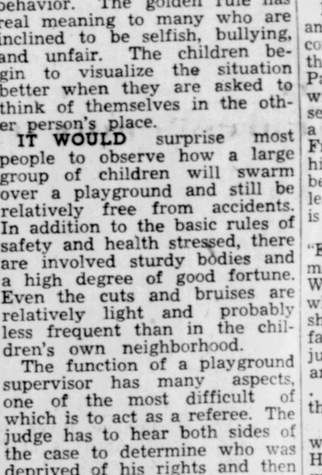
Each child learns many points on how to live with his neighbor since he has many within reach. This involves following standards of acceptable group behavior. The golden rule has real meaning to many who are inclined to be selfish, bullying, and unfair. The children begin to visualize the situation better when they are asked to think of themselves in the other person's place.

IT WOULD surprise most people to observe how a large group of children will swarm over a playground and still be relatively free from accidents. In addition to the basic rules of safety and health stressed, there are involved sturdy bodies and a high degree of good fortune. Even the cuts and bruises are relatively light and probably less frequent than in the children's own neighborhood.

The function of a playground supervisor has many aspects, one of the most difficult of which is to act as a referee. The judge has to hear both sides of the case to determine who was deprived of his rights and then restore the original conditions or work out a fair solution to the problem. In most cases, both parties are in some degree at fault and have to be cautioned and set back on the right track. Most of these cases would seem inconsequential in a courtroom, but in hearing out every child and trying to find the fair answer, their liberties and sense of justice are maintained.

We hope that a supervised playground helps give the fine children of our town who reflect such good home backgrounds the opportunity to grow and face life with their schoolmates.

Advertising director



With its April 12 issue Bakers' Helper of Chicago, leading bakery trade magazine, changed its name to Baking Industry and celebrated its 65th year of publication. Frank J. Wenter, Inverness, is its advertising director.

The new name has been adopted because it more adequately describes the scope of the magazine's services to the baking industry, Mr. Wenter says.

The theme of the 65th anniversary issue is that "Baking Is Big Business." The issue carries the largest volume of editorial and advertising content in the magazine's history and sets a new record for bakery trade publications. It includes articles reviewing the history and development of various phases of the baking industry.

Arlington high students to attend suburban girls confab in Gary

Thirteen delegates of the Girls' club of Arlington Heights township high school, accompanied by their adviser, Miss Hazel Beverly, will attend the 26th annual suburban girls' conference April 26, at the Lew Wallace high school in Gary.

Nearly 500 girls from suburban high schools will attend the conference, which is based on the theme of, "Act Well Your Part." The morning program will consist of a general assembly featuring a speaker and a period of discussion groups. Frances Zollner of the local high school has been chosen to be one of the discussion group leaders on the subject, "To err is human; to forgive, divine."

Other discussion topics are: "Each man in his life plays many parts," "Quo Vadis — Where are you going?", "Not what you give but what you share," "I am the master of my fate," "Judge not that ye be not judged," and "Whatsoever things are true . . . honest . . . just . . . pure . . good report . . . think on these things."

In the afternoon, a program will be enjoyed in which Carole Hedemark of Arlington Heights will participate in a Judy Garland impersonation

Nearly 50 suburban schools will be represented in the conference. During the student discussion groups, the faculty advisers, who are members of the Suburban Deans Association, will meet and dicuss topics of interest. At this meeting their officers for the coming year will be installed, among whom will be Miss Hazel Beverly, who will serve the group as secretary.

Student delegrates to the conference will include Barbara Day, Nita Glow, Carole Hedemark, Carol Hoffie, Ann Hollander, Carrie Kadovama, Mary Kingsley, Myra Landmeier, Janet Packard, Janet Winkelman, Joan Winterbauer, and Frances Zollner.

Ladies of the Elks install new officers

The 1952 installation of officers of the Des Plaines Ladies of the Elks was held at the Masonic temple Saturday evening. Past presidents Marion Kunkel and Harriet Spiegler officiated at the impressive candlelight service.

The new officers are: Francis Arrigo, president; Arlene Kaitschuck, vice - president; Olive Mueller, treasurer; Shirley Jacobs, recording secretary; Emily Hoover, corresponding secretary; Francis Imig, Bible guard; Dolores Burns, chaplain; Irene Freisinger, musician; Lois Koulentes, Antler guard, and Dorothy Herzog, inner guard.

Past President Alma Berg was mistress of ceremonies. The installing officer were past presidents Ruby Fletcher, Marge Grichter and Daisy Coffman with Harold Hesse of the Elks musician.

Vera Opeka, as outgoing president, received a beautiful gift and a past president's pen.

After the ceremony the ladies and their guests went to the Elks club for dancing and refreshments.

With Tommy Bartlett

Mrs. Jean Benson of Bensenville, was a studio contestant winner recently on WGN-TV's new television quiz show, Picture Payday. She appeared on the program with the paymaster of ceremonies and quizmaster, Tommy Bartlett.

'State of the Union' proves entertaining

by STUART R. PADDOCK, SR.

Those who attended the "State of the Union" production given by the Village Theatre group of Arlington Heights last week end enjoyed a sparkling show. Perhaps the political conniving exposed on that stage may or may not be true to life, but the audience ate it up.

Is there anyone who hasn't some idea about political trickery as practiced in this great country? The plot is based on the efforts of James Conover (David V. Shaughnessy) to nominate on the Republican ticket an honest man for office of President of the United States.

HE WAS SUCCEEDING until his "victim," Grant Matthews (Bob Hutchinson) decided that the love and respect of his wife was more important to him than the nomination. He really loved his wife, Mary (Jane Barton), although a triangle with Kay Thorndyke (Jane Anderson) as the other member, came near breaking up the home life of the Matthews.

The quips on Truman, Dewey, Stasson, Robert McCormick and others, brought roars of laughter from the audience. The political commentary originally in the script had been brought up-to-date by the theatre group.

Spike MacManus (Doug Anderson) was supposed to direct the speaking tour of the candidate, who spoke off the cuff too frequently to please the political chieftains.

A BIT OF SPICE was injected in the play by the "on again, off again" attitude of Mrs. Matthews toward her husband.

Judge Jefferson Davis Alexander (R. Derek Barton) and his wife, Lulubelle (Kay Hawley), who may have been the only Democrat in the play, were also popular with the audience. Who couldn't love the southern belle with that drawl and her effervescent friendliness?

Politicians of low and high degree included Senator Lauterback (Paul Breitsprecher), Sam Parrish (Joseph D. Crittenden), William Hardy (Robert B. Bishop) and Grace Draper (Grace Crittenden), lent the political touch of bigwig politicians.

Supporting members of the cast were Muriel Mills, Davey Crittenden, Dennis Malcolmson, Curtiss A. Dahl, Marcelle Wilcox, Arthur W. Bates, James H. Kuykendall, and Alvin A. Werner.

THE PLAY was directed by Marian Malcolmson. The cast was well chosen and the production had a spontaniety elevating it above the amateurish class. The set, under the direction of Maurice Geye, added another professional touch. It required three complete changes, which called for perfect timing on part of the stage crew in order to get the work done during the ten minute intervals between acts.

The curtain has been rung down on the two evening performances, but take it from this writer, "State of the Union" deserved larger audiences than it received.

Movies under the stars open now at Star View

The Star View outdoor theatre, routes 20 and 59, near Elgin, opens the 1952 season this week with a showing of "Viva Zapata" direct from the Chicago loop.

The box office for the theater opens at 6:30 p. m. with the first show beginning at 7:00.

An extra feature of the theater is a free playground for the children.

Presenting the Younger Generation

Inseparables

In spite of their different coloring, one wouldn't have a difficult time telling that the first two little girls were sisters. They are Ellen and Denise Panza, daughters of Mr. and Mrs. Joseph E. Panza of 610 S. Dryden pl., Arlington Heights.

Ellen, or little sis, is 2½ years old, has blonde hair, blue eyes and a fair complexion. Big sis, Denise, is 4½, has brown eyes, reddish brown hair and freckles over her nose.

"The girls play well together," declared Mrs. Panza. Denise is roller skating now and keeping up with the older girls in the neighborhood. Ellen is desperately trying to keep pace with big sis and doing a good job of following in her steps.

The girls have an older brother, Kenneth, 9½, and in the fourth grade at the South school. Grandparents of the children are Mr. and Mrs. Thomas Dogerty of Boston, Mass., and Ernest Panza of Sommerville, Mass.

Three is a crowd

Three may be a crowd in some families, but it is just a congenial group in the George L. Reinhardt home. The Reinhardts have three children, Billy, Jimmy and Roberta and live at 539 S. Dunton, Arlington Heights.

Billy, pictured first, is always outside and can usually be found buzzing around with airplanes, his favorite toys. He is 4½, has light brown hair, blue eyes and is a proud member of the beginners' class at Faith Lutheran Sunday school.

Little Jimmy, who was just 2, has blond hair, blue eyes, and has the reputation of "little terror" in the family. He is most active, into everything and especially enjoys trotting after Billy.

And last is Roberta, known as "Bobby" to the family. She has blonde hair, blue-green eyes and is 8 years old. Drawing is one of her favorite subjects at the South school where she is in third grade.

Mr. and Mrs. G. A. Reinhardt of Wilmette and Mrs. Ernest Crawshaw of Waterford, Conn., are the grandparents.

Rutledge studio

Favorites for Flavor

By LOIS SEILER

Calories count up quickly in the delicious dessert featured today. Mrs. Robert LeForge of 607 Bob-O-Link rd., Prospect Heights, shares with us her recipe for a rich cheese cake which is a real party treat.

This cake, which is creamy and solid in texture, has a crushed graham cracker crust. The filling consists of Philadelphia Cream Cheese, sugar, two eggs, and is flavored with grated lemon rind and vanilla.

The cake is baked for 20 minutes, spread with a topping of sour cream, sugar and vanilla, and baked again for five minutes. When cool, it is placed in the refrigerator.

"This recipe never fails," says Mrs. LeForge. The LeForges moved to Prospect Heights almost two years ago. They have three daughters, and Mrs. LeForge is a member of the Arlington Heights Junior Woman's club.

For variation she suggests substituting a little crushed pineapple in place of the lemon ring or coloring the sour cream with vegetable coloring.

Cheese Cake

Crust:
12 graham cracker squares
1/8 lb. butter
1 tsp. vanilla
1 tbls. sugar

Melt butter and combine with crushed graham crackers, sugar and vanilla. Line pan which is 8 inches square and 1 inch high.

Filling:
1½ lge. pkgs. or 4 small pkgs. Philadelphia Cream Cheese
½ cup sugar
2 unbeaten eggs
1 tsp. vanilla
Rind of one lemon grated

Have the cheese at room temperature and combine it with the sugar, eggs, vanilla and lemon rind. Mix well and pour into crust. Bake for 20 minutes in 350 degree oven.

While baking prepare:
½ pt. sour cream
1 tsp. vanilla
2 tbls. sugar

After cake has baked 20 minutes remove from oven and spoon sour cream mixture on cake. Place in oven and bake again for 5 minutes. When cake is cool, place in refrigerator. Serves 8.

Patricia Stevens coming to Heights

Patricia Stevens, director and founder of Patricia Stevens, Inc., finishing school for models and career girls, is coming to the Alfred Martin Hairdressing Salon in Arlington Heights.

She will be at the salon this Saturday and next week, Thursday and Friday.

Miss Stevens will work in conjunction with Mrs. Bea Martin, giving complimentary make-up and beauty advice to the salon's customers and friends.

"Miss Bea" visited the Patricia Stevens headquarters in Chicago and learned the secrets of making women beautiful.

The Alfred Martin Hairdressing Salon has been selected to be the exclusive distributor of Patricia Stevens cosmetics in this area.

Gloria Wunderlich weds James Utpadel

Miss Gloria Wunderlich, daughter of William Wunderlich of Appleton, Wis., and James Utpadel of Wheeling were married April 16 in Waukegan.

Witnesses were the groom's sister and her husband, Mr. and Mrs. Richard Morrison of Longville, Minn., who have been spending the winter in Deerfield.

The newlyweds will stay at the Union hotel until their new home, which they are building on Dundee rd., is completed.

Tell engagement

Mr. and Mrs. Otto Busse of Arlington Heights announce the engagement of their daughter, Jean, to Donn W. Duggan, son of Dr. and Mrs. J. A. Duggan of South Bend, Ind.

Miss Busse is a graduate of the Evanston Hospital School of Nursing and Mr. Duggan is a graduate of Northwetsern university. The wedding is planned for August 2.

Baptized Sunday

Susan Ann Muehlfelt, daughter of Mr. and Mrs. Robert Muehlfelt of McHenry, was christened Sunday at St. Patrick's Catholic church in McHenry.

The sponsors were Mr. and Mrs. Robert Hoelscher of McHenry.

Following the baptism a dinner was held for the sponsors and grandparents. Mr. and Mrs. Walter Fiene and Mr. and Mrs. Edward Duenn, all of Arlington Heights, are the grandparents, and Mrs. William Duenn is the baby's great grandmother.

FRIDAY, APRIL 25, 1952

DAR plans luncheon and annual meeting

Eli Skinner chapter of DAR will hold its spring luncheon and annual meeting in Chicago May 1. Serving will be at 1 p. m., in the Danish room of the Kungsholm.

Co-chairman are Mrs. Ira Parker and Mrs. Howard Brower. Reservation may be secured from either chairman.

Members who enjoyed Mrs. Harold Lussow's report of the state convention, presented at the April meeting, will welcome Mrs. Milton Daniels.

Mrs. Daniels attended the Continental Congress of NSDAR in Washington during Easter week, as delegate representing Eli Skinner chapter. Local members are looking forward to Mrs. Daniels' report as a fitting climax to a successful year.

Musical show to benefit paraplegics

The Arlington Heights Friendly Singing club will present a musical show at the high school May 25 at 7:30 p. m.

The proceeds from this entertainment will be used to buy cigarettes which are distributed each month to the paraplegic veterans at the Vaughan unit of Hines hospital, as well as for the annual picnic sponsored for these boys.

While it is true that taxes give the paraplegics good medical care and entertainment in the hospital auditorium, the hope of all these boys is to eventually leave the hospital and lead normal lives.

To this end they need outside social contacts such as picnics and get-acquainted visits to the hospital. The Arlington Heights Friendly Singing club provides these opportunities.

For further information or tickets call any of the following numbers: Arlington Heights 1308, 1382-W, 1880 and 516-M.

Martha Etteldorf is bride of Frank Koziol

Bak photo

Miss Martha Etteldorf, Palatine, daughter of Mr. and Mrs. Fred Etteldorf of Berryville, Ark., formerly of Palatine, became the bride of Frank M. Koziol, son of Mr. and Mrs. Alfred Tonn of Palatine, April 19.

Rev. Edwin Riske officiated at the 7 o'clock ceremony which took place at St. Paul Evangelical church, Palatine.

Shelby Steward sang "Because" and "The Lord's Prayer," accompanied at the organ by Harold Berg. The church was decorated with gladioli and snapdragons.

The bride wore a white satin gown fashioned with a pearl-beaded sweetheart neckline and long pointed sleves. A panel of georgette in the skirt was bordered by satin scallops trimmed with pearl beading. The gown had a short train.

The bride's veil was of blue illusion and she carried a bouquet of pink camellias with streamers of white hyacinths. She was given away by her brother. Fred Etteldorf Jr.

Alvina Mae Koziol, sister-in-law of the groom, was matron of honor. Her gown was fashioned of eggshell taffeta with a green net overskirt and stole. She carried a spray of assorted daisies.

Bridesmaids were Janet Stewart, gowned in eggshell taffeta with a yellow net skirt and stole; Gloria Klein in eggshell taffeta with a blue net skirt and stole, and June Wonecki in eggshell taffeta with a pink net skirt and stole.

Dorothy Hansen and Trudy Van Thiel were candlelighters. They wore ballerina length gowns of eggshell taffeta with fuchsia net skirts and stoles.

Ribbon girls were Arlene Schulmeister and Janis Wonecki. Their gowns were of eggshell taffeta with aqua trim on the skirts and stoles.

The bride's gown and all of the attendants' gowns were made by the groom's mother.

Best man for the groom was his brother, Robert, and ushers were Richard Sparzynski, August Etteldorf and Walter Gieseke Jr.

A reception for 200 guests was held following the ceremony at Palatine Legion hall. The newlyweds are making their home on Williams ave., in Palatine.

Bob Walker Loretta Kole take vows

Mrs. Mae Kole of Chicago announces the marriage of her daughter, Loretta, to Pvt. Robert W. Walker, son of Mr. and Mrs. William R. Walker of Inverness, on April 24.

The double-ring ceremony was performed at St. Genevieve's church, Chicago, at 4:30 p. m.

The bride wore a ballerina-length gown of net and satin with a fingertip veil.

Guests at the wedding were Mr. and Mrs. Eugene F. Binder of Barrington, Mrs. R. M. Snyder of St. Louis and Mrs Valerie Hoffman of Chicago

A dinner and reception followed the ceremony. The young couple will drive south on a honeymoon trip.

Both Mr. and Mrs. Walker are physical education instructors. Mrs. Walker received her master's degree at Northwestern university, and Mr. Walker obtained his master's at the University of Illinois.

He received his infantry and engineer's training at Ft. Leonard Wood, Mo., where he was recently graduated from leadership school. On April 30 he will report at Ft. Sill, Okla., for Officer's Candidate school in Artillery.

Mrs. Walker will continue teaching at Darwin school, where she is a physical education instructor.

Alison Cope engaged to Richard Puffer

Mr. and Mrs. Harold F. Cope of Rantoul, Ill., announce the engagement of their daughter, Alison, to Richard J. Puffer, son of Mr. and Mrs. Noble J. Puffer of Palatine.

The wedding will take place June 28 in the First Methodist church of Rantoul.

Miss Cope was graduated from Rantoul high school in 1948 and will graduate in June from Illinois Wesleyan university, where she majored in music. She is a member of Sigma Alpha Iota sorority and Gamma Upsilon, national publications honorary.

Miss Cope also is president of Terrapin, secretary of Student Union, a member of Egas, senior women's honorary. She was a member of Green Medallion, sophomore scholastic honorary, and was secretary of the junior class.

Mr. Puffer graduated from Barrington high school in 1949. He is attending Illinois Wesleyan university and is majoring in business administration. Mr. Puffer is a member of Theta Chi fraternity and Pi Gamma Mu, social science honorary, and is vice-president of the junior class.

He was social commission chairman of Student Union, homecoming chairman, social chairman of Theta Chi, and a member of Green Medallion, sophomore scholastic honorary.

(AP

Name models for Woman's club fashion show

Under the enthusiastic direction of Mrs. Joseph A. Miller and her committee, plans for the annual spring luncheon and fashion show of the Arlington Heights Woman's club are progressing smoothly. This high point of the club year, which terminates its 1951-52 season, will take place at the Medinah Country club in Itasca next Tuesday at 1 p. m.

At this time new officers will be installed and recognition accorded the outgoing president of the club, Mrs. Milton C. Haase.

The Emerald Shop will show a complete line of their latest fashions in everything from sport clothes to furs. These will be modeled by the following members of the Woman's club: Mrs. Richard Black, Mrs. Ralph E. Clabaugh, Mrs. Donald E. Coffey, Mrs. C. G. Cruickshank, Mrs. R. A. Franzen, Mrs. John E. Hookum, Mrs. A. W. Komarek, Mrs. Frank Kroll, Mrs. Earl Riley Mrs. G. E. Seidel, Mrs. Donald H. Shaw, Mrs. T. W. Thackery and Mrs. Adolph Wiegand.

Music will be provided by Mrs. Frank C. Carr, soprano, and Mrs. F. C. Schmoyer, pianist.

The lovely setting of the Medinah Country club will add to the enjoyment of the occasion. The country club can be reached by driving south on State rd. (Arlington Heights rd.) to Irving Park rd., turning right and continuing west for approximately a mile and three-quarters to the main entrance. Ample parking facilities are available on the club grounds.

Reservations for tickets will be accepted until April 25. Price of the tickets is $2.75 each. Nonmembers are welcome.

(AM

AAUW program to help children

Preliminary plans are under way for the summer program sponsored annually since 1948 by the Northwest Suburban Branch of American Association of University Women for the children of Mexican-American migrant workers in this area.

Migrant children and local volunteers, assisted by two staff members from the Home Missions Council of North America, will study and play together at the First Congregational church of Des Plaines for a four week period from June 30 through July 25.

For the second year the Junior league of Des Plaines has accepted the responsibility of being in charge of a clinic for babies of migrant workers to be held in conjunction with the school. Dr. Horst will again direct the health program, which will include physical check-ups, immunizations, and innoculations. Churches and other interested organizations are cooperating in this Americanization and community project.

Any persons who would like to volunteer their services to this worthwhile project should contact either Mrs. A. J. Prickett, VAnderbilt 4-5612, or Mrs. A. L. Wells, VAnderbilt 4-3813.

To help defray expenses of the summer school AAUW in sponsoring a Mexican benefit card party May 22 at 8 p.m. in St. Martin's Episcopal church. Price is $1 per person. There will be special attractions. Refreshments will be served. The public is invited to attend.

Debate squad to head program at Republican meeting

Wheeling Township Regular Republican Woman's club will hear a high school debate team discuss the topic: Resolved that — "All American citizens be subject to conscription for essential service in time of war," at its meeting Monday, at the Arlington Heights field house.

Members of the affirmative team are Dan Walton and Kermit Ford, and the negative team consists of Charles Knapp and Tom Cleaver. The debate squad is under the direction of Clayton Mott.

Members are urged to arrive at the meeting promptly at 8 p. m., as the order of business will be reversed, with the program beginning at 8:15 p. m., followed by the business meeting.

During the business meeting a nominating committee will be elected to present candidates for the election of officers and directors which will take place at the May 26 meeting.

Rummage sale

A rummage sale sponsored by the Friendly circle of St. John Evangelical and Reformed church, Arlington Heights, will be held Saturday in the church basement, 9 a. m. to 12 noon.

Retiring president reviews Heights Woman's club accomplishments

Several members of the Arlington Heights Woman's club attended the annual meeting of the Seventh District of the Illinois Federation of Women's clubs. The all-day meeting was held in the Methodist church of Irving Park April 16.

Mrs. Milton C. Haase, retiring president of the Woman's club, gave a report of the club's accomplishments during her two years in office.

During 1950-51 the club's outstanding projects included its support of the local library and the Youth Center. In November, 1950, the club sponsored the Village Theatre, Inc. in a play, the proceeds of which were divided between the club and the Village Theatre. The club divided its entire share, which amounted to more than $650, between the library and the Youth Center. Later an additional $40 was donated to the library fund.

Mrs. Haase reported that for the past several years the Woman's club has sponsored the local infantile paralysis and cancer drives. In each case the results well exceeded the quotas. In both 1950 and 1951 over $1,000 each year was collected for the cancer fund. In January of this year, the Mothers' March on Polio — a one-hour porch lighting drive — netted more than $3,300, bringing the total contributions from the village of Arlington Heights up to $5,700 for the month. Club members were also active in the Red Cross drive for blood donors.

During 1951-52 the club contributed $118 to the new public library, $50 each for art and music scholarships, and $50 for the high school record library. Among the other recipients of the Woman's club philanthropic activities during Mrs. Haase's term were Care for Korea, USO, Camp Reinberg in Palatine. Evanston Community hospital and Park Ridge School for Girls.

At the District meeting last Wednesday, Mrs. Max Hershey, chairman of the Literature and Drama study group of the Arlington Heights Woman's club, won second prize in the creative writing contest for her non-fiction entry, "I Visited Maxwell Street."

For the third consecutive year the publicity scrap book of the club received first prize in its class in the district. The Arlington Heights Junior Woman's club scrap book also received first prize in its class. Most of the publicity was through Paddock Publications. Both books are now eligible for the state competition, which will be held during the annual convention of the Illinois Federation of Women's clubs at the Hotel Sherman in Chicago, May 6, 7 and 8.

MRS. MILTON C. HAASE

Among those who attended the District meeting in addition to Mrs. Haase and Mrs. Hershey were Mrs. A. H. Franzen, who is secretary of the Seventh District; Mrs. Charles F. Hamburg Jr., junior director of the district, who gave a report on all the junior clubs of the Seventh District; Mrs. Charles Stadelman, Mrs. E. J. Harris, Mrs. Raymond Landmeier, Mrs. D. C. Frisk and Mrs. Joe Grant.

Stork Feathers

Mr. and Mrs. George Mohr of Rand rd., Palatine, announce the birth of their son, Kenneth, born April 9 at Sherman hospital, Elgin. Kenneth weighed 8 pounds 8½ ounces. The maternal grandparent is Mrs. Henry H. Brockmann of Rand rd., Palatine, and paternal grandparents are Mr. and Mrs. Henry Mohr of Des Plaines, formerly of Bensenville.

A daughter, Linda Jean, was born to Mr. and Mrs. Howard Koepke of Arlington Heights April 13 at Women's and Children's hospital in Chicago. She weighed 7 pounds 8 ounces. Linda has two brothers, George, 14, and Richard, 5.

Mr. and Mrs. T. R. Anderson of Arlington Heights are parents of a second daughter, Laurie Anne, born April 3 at St. Francis hospital, Evanston, weighing 7 pounds 2 ounces. The baby's sister, Amy Carol, is 2 years old. Maternal grandparents are Mr. and Mrs. J. B. Culbertson, Mt. Vernon, Ia., and paternal grandparents are Mr. and Mrs. F. R. Anderson of McKeesport, Pa.

Parents and teachers convention this weekend

"Alert To Changing Times — American Family Alert!" the theme for the fiftieth annual convention of the Illinois Congress of Parents and Teachers will carry a challenge to the 4,000 delegates and visitors expected to attend the three-day meet at the Conrad Hilton hotel, Chicago, April 24, 25 and 26.

The convention will be opened by Mrs. Thomas Ludlow, Riverside, the president, April 24 at 9:30 a. m. in the Grand Ballroom.

April 23, all Chicago delegates may register between 9 a. m. and 3 p. m. in the Normandie Lounge of the hotel.

Program presentations which include featured guest speakers, special choral music and PTA "show-how" demonstrations, have been designed to alert the delegation to changing times in world conditions as well as parent-teacher work areas.

Several items of important business will be presented to the convention delegates for their consideration and acceptance. Extensive by-laws revisions and changes in the legislative platform will be discussed during the business sessions.

Officers to be elected at this convention are two departmental vice-presidents and a treasurer. Polls will be open April 25, from 10:30 a. m. until 6 p. m. in the Normandie Lounge. Results will be announced Friday evening.

Mrs. James C. Parker, National Congress representative to the convention, will bring timely advice to parent-teacher workers Thursday afternoon in her message, "New Ways for New Days."

Thursday evening, the general session "Educators — Legislators meet in P. T. A." will be conducted in typical "meet the press" style.

Mrs. Elmer H. Droste, Mount Olive, will give the scholarships and loan funds report at the Friday morning session which will be held from 9 a. m. until 10:20 a. m. The remainder of the morning and afternoon will be devoted to one and a half hour-conferences which will be conducted by the state chairmen. At noon a National Parent-Teacher Magazine luncheon is scheduled for the Boulevard Room and Mrs. Lee V. Vernon, Chicago, the state chairman, will preside.

The All-State Mother singers of the P. T. A. composed of over 50 voices will present a program of music. There will also be community singing and an organ recited.

"Present Patterns of Living — For or Against Civilization?" will be the subject of Margaret Culkin Banning's message to the PTA delegation Friday evening, April 25. Mrs. Banning in her address will emphasize present day social and economic patterns and modern trends.

An open forum, "Let's Talk It Over" — discussion of PTA objectives will be lead by Mrs. J. W. Heylmun, vice-president, Region 4, National Congress of Parents and Teachers.

This forum will be presented at the April 26, session which will be called to order at 9 a. m. At noon Saturday the Auld Lang Syne luncheon, which is an annual affair for life members and former and present board members, will be held in the South Ballroom of the hotel.

Departmental demonstrations take the stage Saturday afternoon at 1:45 p. m. in the general session entitled "New Techniques for Changing Times!"

Dr. Howard Yale McClusky, University of Michigan and President, Adult Education Association of the U. S. A. will be the banquet speaker Saturday at 6:45 p. m. in the Grand Ballroom. "Security in Change — The Task of the American Home," will be Dr. McClusky's topic when he addresses the final session of the fiftieth convention of the Illinois Congress of Parents and teachers.

Wild flower show

Residents of this area have an opportunity to enjoy a rare day in a beautiful setting of wild flowers Saturday, April 26, when the beautiful estate of the Fred K. Babsons near St. Charles will be opened to the public in the first of a series of garden institutes presented by the woman's board of the Chicago horticultural society.

The grounds will be open from 10:30 a.m. until 4 p.m. and there will be tours at 11 a.m. and 2 p.m.

The Babson wild flower preserve is located on the west side of the Fox River a short distance from St. Charles. Directional arrows will be posted in St. Charles

Pearl McDonald and Donald Mueller wed

Baskets of Easter lilies, pink hydrangea and white snapdragons adorned the altar of St. James Catholic church, Arlington Heights, to form the setting for the wedding of Pearl Marie McDonald and Donald Carl Mueller.

The bride is the daughter of Mr. and Mrs. Patrick McDonald of Mt. Prospect and the groom is the son of Mr. and Mrs. Ernest G. Mueller of Arlington Heights.

The marriage took place April 19 at 11:30 a. m., with Rev. George Stier officiating. Joan Orofino sang "Ave Maria," and was accompanied by Sister Amabelia.

The bride wore a gown fashioned with an imported French lace bodice with a continuation of lace appliqued into a peplum over a full tulle skirt with a short train. Her fingertip veil of illusion was held in place by a shell pill-box of imported French lace and she carried a bouquet of white orchids and stephanotis.

The bride's sister, Mary Ann, was maid of honor. She wore a ballerina-length gown of bonbon pink satin-striped organza. The gown had a fitted bodice, elbow-length sleeves and a bouffant skirt.

Bridesmaids were Miss Patty Engelking and Mrs. Ruth Mueller. They wore gowns of bonbon green satin-striped organza styled similar to the maid of honor's. All attendants carried colonial bouquets of pink carnations and heather. The gowns were all designed and made by the groom's mother.

Best man for the groom was his brother, Ernest, and the ushers were Arthur Hansen and Ronald Miller.

The bride's mother wore a cinnamon-beige moire bengaline suit and the groom's mother wore a putty-beige faille suit. Their corsages were made of Bird of Paradise flowers.

A wedding breakfast for the bridal party and immediate family was held at Simson's, and a buffet supper and reception was held at Fred's Community hall, Mt. Prospect, for 300 guests.

Following a two-week honeymoon in Hot Springs, Ark., the couple will reside in their apartment at the Rob Roy Country club.

Out-of-town guests at the wedding included Mr. and Mrs. Ernest A. Mueller of Cuyahoga Falls, Ohio, brother and sister-in-law of the groom.

Symphonic band concert in Heights Friday

The Concordia Symphonic band of Concordia college, River Forest, a teacher's seminary of the Lutheran church — Missouri Synod, will be presented in the Arlington Heights township high school (old gym) Friday, April 25, at 8 p. m.

Under the baton of Alfred Gras, this 55-piece band will play both secular and sacred musical selections. The concert will mark the initial step of the annual spring tour which will take them into several eastern states and Canada.

The band of seminary students presents an outstanding unanimity and unity of attack and precision that is purely professional.

A free-will offering will be gathered and the entire community has been invited.

Arlington area school board association invites village officials

The last meeting of the school year of Arlington Area School Board association will be held at the South school April 30 at 8:00 p. m.

Fred A. Niller, divisional educational director of the National Association of Manufacturers, will address the members on the subject, "Industry's Responsibility to the School."

Since the procurement of tax revenue is a problem common to villages as well as the schools, members of the village boards of Wheeling, Mt. Prospect and Arlington Heights have been invited to attend.

In panel discussion

Federal taxation aspects of business transactions will be considered during a three-day institute program to be sponsored by DePaul univesity's colleges of commerce and law Thursday, Friday and Saturday, April 24, 25 and 26, in the grand ballroom of the LaSalle hotel, Chicago.

Jackson L. Boughner, 710 E. Kenilworth ave., Palatine, is taking part in a panel discussion of "Tax Problems Incident to the Acquisition, Operation, and Disposition of Real Estate" on Thursday's program.

Boughner, one of 25 lawyers, accountants, and business executives taking part in the institute's five panel sessions, is a member of the law firm of Tenney, Sherman, Bentley & Guthrie.

Expectant mother struck by car

An expectant mother, Mrs. A. Wallace Hanlor, 28, of North Milwaukee ave., Libertyville, was seriously injured when struck by an auto as she crossed the road in front of her house.

The impact of the crash hurled her into the air, and she turned a complete somersault before striking the ground. No arrest was made.

The injured woman was taken to her home and was treated by a physician for cuts and bruises and then ordered taken to St. Therese hospital by ambulance for observation.

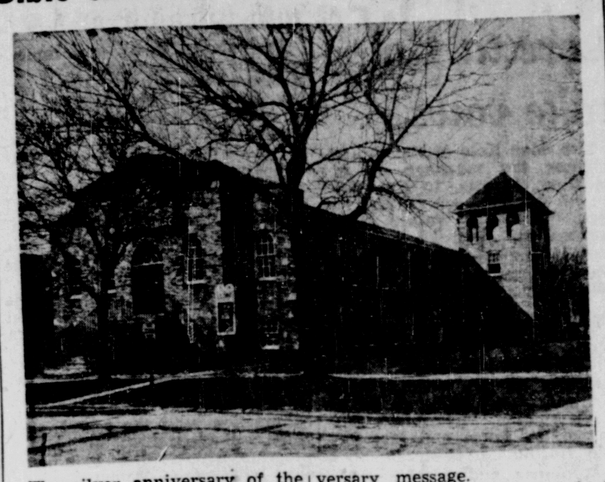
She was expecting the birth of a child within two months.

Rescue boy from river

Teddy Johnson, 2½ year-old son of the B. H. Johnsons of 1803 Grove st., Glenview, was rescued from the river directly back of Our Lady of Perpetual Help school playground.

Linda Porter, daughter of Mr. and Mrs. Lefens Porter, 714 Glendale dr., drew the attention of a group of playmates to an object she saw in the river, thinking that it was a doll. Then she saw the movement of an arm and leg and yelled "It's a person." Joan Biederer, daughter of Mr. and Mrs. Frank Biederer, Skokie ran over the bridge to the east side of the river. She waded into the water waist deep and lifted the little boy out.

Bible church has silver anniversary



The silver anniversary of the Des Plaines Bible Faith church will be observed at a 3 p. m. service Sunday.

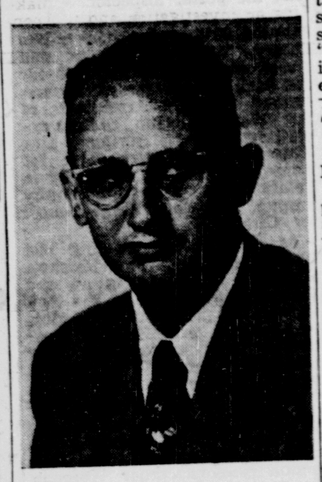
The church's pilgrim choir, under the direction of John Balma, with Marguerite Tecklenburg as organist, and Rev. and Mrs. Paul White will present the ministry of music and song. Rev. White is minister of music at Moody Memorial church.

Rev. Nye Langmade, executive secretary of the Independent Fundamental Churches of America, will preach the anniversary message.

The church was organized April 29, 1927. Rev. Walter Faust, who is at present pastor of a Baptist church in Ocala, Fla., served as pastor of the Bible Faith church from its founding until September, 1945.

In November of that year the church called its present pastor, Rev. William A. Tecklenburg. During his ministry the Sunday school attendance has more than doubled and church attendance has more than tripled. The church income has also increased in proportion.

Rev. W. C. Koester to be installed as assistant pastor at Mt. Prospect



Rev. W. C. Koester of Palatine has been called as assistant pastor to St. Paul's Lutheran church in Mt. Prospect.

He will be installed Sunday at the 10:45 service. A reception will be held in his honor at 5 p. m. at St. Paul's school.

All members and friends of the church are invited to attend.

Reverend Koester was pastor of Palatine Lutheran church 10 years, leaving that charge in April, 1951, to take up his duties as executive secretary of the charities fund of the Missouri Synod. He will continue his work for the synod which he has so well organzied that he has time to take on the added responsibility required of an assistant pastorship.

It was at the special request of his friend of many years, Rev. J. E. A. Mueller, that he has agreed to help out in Mount Prospect.

He will still have many speaking engagements within the Synod, but expects to be able to fulfill the Mount Prospect pulpit one or two times a month.

Smoker party

Resurrection hospital foundation has scheduled its first annual smoker party for men Monday, April 28, 8 p. m. at Immaculate Conception hall, 7265 W. Talcott ave., Chicago.

Cub Scout training course offered

A special course for those interested in training Cub Scouts is being offered at the North school, Arlington Heights, 8 p. m. today (Thursday). This is the third meeting in the group of six lectures which will be presented. This session is entitled, "The Den Meeting." Everyone interested in scouting is invited to attend this meeting.

At Orchestra Hall

George Schick, associate conductor of the Chicago symphony orchestra, will conduct the civic orchestra in its final concert of the season at Orchestra Hall Tuesday evening, April 29.

Richard Dufallo, young clarinetist who has been with the civic orchestra since 1950, will be soloist in Mozart's Concerto for clarinet and orchestra, A Major (Kochel 622).

Schick has also programmed for the Civic Orchestra concert the Tchaikovsky Fifth Symphony (E Minor) and Debussy's L'isle Joyeuse, transcribed by Bernardino Molinari.

National guard to 'save' Palos Park area after 'A-bomb' attack

The 228th infantry regiment, Illinois national guard, composed of units situated in DuPage county and the western suburbs of Cook county, will participate in defense maneuvers in the Palos Park forest reserve area, April 26 and 27.

As a result of a severe mythical "A"-bomb attack on Chicago, the 228th infantry regiment and other elements of the 33rd infantry division have been alerted and are preparing to defend an area in Palos Park. A mythical enemy has completed an "air-drop" in hte Lockport-Joliet area and is preparing to launch an attack in the Chicago metropolitan area through Palos Park. The city is temporarily paralyzed but local authorities are gaining control of the situation.

The mission of the 228th infantry regiment is to stop the enemy and establish a defensive position in the Palos Park area. The goal desired is to train personnel in rapid assembly at critical points, and performance at individual tactical duties. Troops will be alerted at local armories, and loaded on trucks which will then converge on the Palos Park area.

On the 26th of April, beginning in late afternoon, the troops will close in that area.

Mothers Day festivities at University of Illinois

Mothers of University of Illinois students will be in the spotlight on the Urbana-Champaign campus May 2 and 3 when campus Mothers Day is again observed at the University where the idea of such an observance originated in 1921. The date is a week before national Mothers Day.

Aged bachelor found dead in shanty; Was Spanish War veteran

Benjamin Ritchie, 70, was found dead Sunday night in the shack in which he lived on West Ellis ave., Libertyville, the victim of a heart attack.

A bachelor, Ritchie had lived in Libertyville for about 16 years. He was a veteran of the Spanish-American war.

Camp ground to open

Inaugurating the 93rd year since its founding, Methodist camp ground, Des Plaines, opens for the current season on May 1. From that date on, summer cottagers will return to the camp in increasing numbers. October 1 is closing date for the institution.

Until the two-week "Summer Assembly" in July, many groups of various evangelistic denominations make use of the grounds in holding institutes, conferences, picnics, and recreational events.

The "summer asembly" starts Sunday, June 29 and continues through Sunday, July 13.

FOR RENT—MODERN 3½ RM. heated apartment with garage. Young couple, no children or pets. Ready on or before May 1. Phone Bensenville 1569-R.

New Neighbors .... in the City of Good Neighbors

Mr. and Mrs. Robert Buechner
1012 N. Fernandez

Happy to be living in Arlington Heights are Mr. and Mrs. Robert Buechner of 1012 N. Fernandes. They moved here from Chicago last December 1. The Buechners have relatives in Des Plaines and when they used to drive out this way they decided they would like to live in Arlington Heights.

They have a daughter, Roberta, 5 years old, who attends kindergarten at the North school. She will enter first grade at St. James school next fall.

Mr. Buechner is a cable splicer for Illinois Bell Telephone Co. and for recreation he enjoys sports, especially golf.

Crocheting, sewing and bowling are among Mrs. Buechner's special interests. The Buechners have a ranch-type home, and are affiliated with St. James church.

Mr. and Mrs. Lewis Gordon Jr.
1206 Watling rd.

Mr. and Mrs. Lewis Gordon moved into their ranch-type home last December after moving here from Milwaukee, Wis. Mrs. Gordon's father had lived in this village prior to his death last spring.

Mr. Gordon is employed by the Aluminum Co. of America in Bellwood, Ill. Both Gordons like to work in their garden and Mrs. Gordon enjoys sewing and playing bridge and canasta.

They have a son, Lewis III, who is a high school freshman, and a daughter, Virginia, who is a freshman at Carthage college.

Mr. and Mrs. R. E. Johansen
332 Bristol lane

Finding a house which suited their needs is the reason that the R. E. Johansen family moved to Arlington Heights from Chicago last December.

The Johansens have a two-year-old son, Jeffery. Mr. Johansen is employed as a salesman with Leonard Stern, Inc., in Chicago.

Mrs. Johansen enjoys knitting and sewing. The family attends St. James church.

Mr. and Mrs. Clark E. Thorp
442 S. Dryden

When Mr. and Mrs. Thorp visited former neighbors of theirs in Park Forest who had purchased a home in Arlington Heights they fell in love with this town. They hurriedly bought a home here, but have not regretted this fast move.

The Thorps moved to Arlington Heights from Park Forest last December 15. Mr. Thorp is employed as Chairman of Chemistry, Chemical Engineering department of Armour Research Foundation in Chicago.

Mrs. Thorp was graduated from Fenn college in Tallahasse, Fla., and Mr. Thorp is a graduate of Western Reserve university, Cleveland, O.

They have a son, Clerk Jr., 9 years old, who is in fourth grade at the North school.

Miss Louise Blodgett
902 N. Hickory

A desire to move out of the city into a suburb was the reason Miss Blodgett and her mother moved to Arlington Heights last December.

Miss Blodgett is a teacher of library science at Waller high school in Chicago. For recreation she enjoys good music, and she expects to do some gardening this spring.

A graduate of Wheaton college in Massachusetts, Miss Blodgett also received her master's degree at the University of Chicago.

Bits o' business

Tin consumption in America dropped 13 per cent to 60,812 long tons in 1951. As a result of U. S. withdrawal from the tin market, imports totaled only 55,675 tons. . . . The Commerce Department reports business probably spent a record $24.1 billion in new equipment and plant expansion this year, up 4 per cent from 1951. . . . One reason Canada's money position is so strong (its dollar is worth more than the United States dollar) was indicated in February export figures which showed the Dominion shipped out goods totaling $309,700,000 in February, a gain of 32 per cent over February, 1951. . . . Americans spent more than $1 billion for candy last year.

Gems of Thought

TIME

We always have time enough, if we will but use it aright.
—Goethe

Time is cried out upon as a great thief; it is people's own fault. Use him well, and you will get from his hand more than he will ever take from yours.
—Elizabeth Wetherell

All successful individuals have become such by hard work: by improving moments before they pass into hours, and hours that other people may occupy in the pursuit of pleasure.
—Mary Baker Eddy

Improve your opportunities . . . every hour lost now is a chance of future misfortune.
—Bonaparte

Spare moments are the gold dust of time; of all the portions of our life, the spare minutes are the most fruitful in good or evil.
—Hall

Well arranged time is the surest mark of a well arranged mind.
—Sir Isaac Pitman

Forest River

After many years of trying we have finally found a mother who is interested in forming a Girl Scout troop for our area. Mrs. Arthur Hansen of Anita ave., phone VA. 4-4788 would like all the girls in our area, including the ones who live outside of Forest River, as well as those who attend eiher parochial school in Des Plaines, to join. The only requirement is the girls must be between 10 and 14 years old and have the permission of their parents. There will be a small charge of $1.00 which is the registration fee with the Council of Girl Scouts. A Girl Scout troop in our area will help the girls in many ways and all girls should be encouraged to join.

The Forest River Catholic Women's group are sponsoring a social at the club house this Friday at 8:30 p. m. Everyone is invited, and anyone caring to make a donation will be greatly appreciated.

Don't forget the building fund party May 6 at the club house, sponsored by the Ladies auxiliary at 8:30 p. m. The auxiliary has been given a quota by the Community club and as this treasury is rather depleted, they hope to rely on the support of the community to help raise this money. Cakes and other donations are needed and will be picked up if the donor cares to call either VA. 4-8482 or VA. 4-2216. Now would be a good time to get rid of some of those white elephants and also do your community a good turn.

Mrs. Rose Ross would like to thank each one individually, but as her strength would not hold out she has asked your reporter to extend her thanks in the column. Mrs. Ross was showered with cards, gifts and flowers, all of which made her feel very good. Rose had gotten to the point that she thought no one remembered her or her address and she was surprised when the mail man rang not only once, but many times. Rose is feeling much better and she would like all to know she has changed to other treatments. She is still weak but has had her confidence restored and all who have really been sick, know that is half the cure.

MARIE KOSNIK — Ph. Roselle 4226

Schaumburg News

Easter Sunday supper guests in the Erwin Ackmann home were Mr. and Mrs. Henry Wilkening and sons, Ralph and Lawrence, Mrs. Emma Wilkening, and Mr. and Mrs. Emil Flentge and son, Wesley, of Elgin. Later in the evening the group was joined by Mr. and Mrs. Clarence Wilkening, Mr. and Mrs. George Ackmann, Mr. and Mrs. Frank Graf, Mrs. Anna Ackmann, Mr. and Mrs. Otto Fees, Mr. Green, Mr. and Mrs. George Krog, Miss Laura Ackmann and Wilbur Ruth. The evening was enjoyed in cards and television, after which the hostess served birthday cake and refreshments. The party was given in honor of Emil Ackmann who was celebrating his birthday.

Births

Mr. and Mrs. Ralph Springinsguth announce the birth of a son born Tuesday night in St. Joseph hospital, Elgin.

Mr. and Mrs. Harvey Bartels are parents of a baby daughter born Easter morning.

Mr. and Mrs. Donald Bachmer are parents of a daughter born Wednesday morning in St. Joseph hospital, Elgin.

Personals

Franklin Nebel Jr. is ill with pneumonia at the camp hospital in Texas where he is stationed with the army. In a recent letter to his parents, Mr. and Mrs. Ray Nebel, he said that he's feeling a good deal better than he had been.

MRS. FRANK MacKNIGHT — Ph. Arlington Heights 3717-M

Prospect Meadows

Mrs. Gail Webber entertained the Prospect Meadows committee last Friday in her home at 421 Bob-O-Link lane. Enough tickets have already been sold to cover expenses of the card party to be held this Friday at Fred's place. Tickets also will be sold at the door. A social evening is being planned for those not playing, as well as tables of bridge, canasta, etc. There will be special attractions and the committee will furnish cake, coffee and popcorn. Pop will be sold.

Members of the committee who attended the meeting were: Mrs. Miles Kalwitz, Mrs. Calvin Campbell, Mrs. Ronald Long, Mrs. Adam Altvatter, Mrs. Paul Tabor, Mrs. John Sell, Mrs. Arthur Nelson, Mrs. Owen Johnson, Mrs. Matthew Derning, Mrs. Chester Rutkowski, Mrs. Howard Johnson, Mrs. James Wilson and Mrs. Gail Webber.

Miss Pamela Bocian, daughter of Mr. and Mrs. John Bocian of 428 Bob-O-Link rd., celebrated her fourth birthday Sunday. Twenty-seven guests attended her party.

Mr. and Mrs. Ken Lyons were week end guests of Mr. and Mrs. Gail Webber of 420 Bob-O-Link.

Mr. and Mrs. Samuel Abbinanti of 424 Bob-O-Link were hosts over the week end to Mr. and Mrs. Thomas Valenzia of Chicago. The men spent Saturday golfing.

Birthdays

Many of the fourth and fifth graders have celebrated their birthdays this week. They are as follows: Jacob Klamer, Eddie Johnson, Russell Hullison, and Frances Rowaldt. Irene Ortiz and Dennis Blankely, who is a new student in the fourth grade, will celebrate their birthdays April 27, and Michael Zeitner will celebrate his April 25.

Field trip

The second and third graders took their field trip to the Hawthorne-Mellody Farms at Libertyville, Wednesday.

School board holds organization meeting

The board of education of District 59 held their organization meeting Monday. At this meeting K. E. Dougan was reelected president and Edward Oehlerking was also reelected to the office of secretary. It was also decided that the regular board meeting would be held on the third Monday of each month.

Home from hospital

Mrs. Harry A. Grainer, Busse rd., has returned from the hospital where she underwent surgery last week. She is recovering nicely.

In hospital

Edward Thompson, Meyer rd., who has been ill for sometime, returned to the hospital Friday for further treatment.

In Florida

Mr. and Mrs. George Busse, Golf rd., are vacationing in Fla.

NOW! your home can be *Beautiful*

PUT THAT ALCOVE TO WORK

The alcove is usually the victim of one of two common mistakes. Either it is neglected entirely (decoratively speaking) . . . furnished with an old chest and cast-off chair; or treated in a manner entirely unrelated to the room to which it is attached. With a little thought it can be made to serve . .

AS AN EXTRA BED-SITTING ROOM

. . . that will add comfort and convenience to everyday living, and decoratively enhance the adjoining room. Storage chests serve as lamp tables (shown in lower sketch). Small-scaled sleep sofa opens out into a double bed when needed. Book shelves—unit pieces piled from floor to ceiling—give an effect of library-reading room.

If you have seemingly wasted space in your home, come in and let's talk about practical ways to utilize it. Our trained, friendly decorators are always delighted to share new ideas with you.

An extra room for over-night guests is a luxury in these days of small homes, but a sleep sofa can afford you that luxury, and add comfort and beauty to the home by day. Choose your sleep sofa from our new selection. Several types. Lovely decorator colors.

Small storage chests are double-duty pieces that fit into almost any type room. Used in pairs—or singly—they make practical end or lamp tables as well as providing added storage areas. Available in light and dark wood finishes.

Whether it's an alcove, a play room, or an entire house you've furnishing, we have furnishings to fit your needs. Lovely blendable pieces that have been carefully selected for their comfort-giving qualities, wearability and beauty. See them soon.

Vets' checks in the mails

The first checks representing individual shares of the 1952 Dividend payment on national service life insurance policies were expected to go into the mails at Minneapolis, Minnesota, Monday, April 21, for veteran policyholders of the northwestern tier of states, including Illinois.

After the new dividend unit gets into full swing, it will be turning out about 35,000 dividend checks a week.

Since no dividend is due until the 1952 anniversary date of a policy, computation and payment is being done in the sequence of anniversary dates. The unit now is working on eligible policies with January, February and March anniversary dates.

UNLIKE the two previous dividend payments, the 1952 Dividend covers only a one year period from the 1951 to the 1952 policy anniversary date. Previous payments, because they covered several years each, were classified as special dividends.

Under public law 36, 82nd congress, policyholders who wish to receive their 1952 dividend in cash must so notify the VA on a special card already furnished them or in writing to the VA district office at Fort Snelling.

Approximately 67 per cent of the eligible policyholders served by the Fort Snelling district office have requested cash payment.

Infant mortality

The infant mortality rate is now estimated as 29 per 1,000 live births.

MRS. MABEL LaMARCHE — Ph. Libertyville 2-1373

Long Grove Events

by M. LaMARCHE

Mr. and Mrs. Roy Sage, Libertyville, were Sunday afternoon visitors in the Irwin Biere home.

Mrs. Melvin Towner accompanied Mr. and Mrs. James Towner, Mundelein, to Crystal Lake, Sunday, where they called on the William Stoerp family.

Mr. and Mrs. Ralph Sedlar spent the week end with relatives in Calumet, Michigan.

Mrs. August LaMarche, and Annette, were shopping in Evanston Monday afternoon.

Mrs. G. B. Umbdenstock and Mrs. Emma Kruger were Sunday supper guests of Mrs. Elmina Schley and Mabel in Libertyville.

Mr. and Mrs. John Hans spent Sunday afternoon with Mr. and Mrs. Fred Pepper in Lake Zurich.

Mr. and Mrs. Henry Schaleen, Chicago, were Sunday afternoon callers in the August LaMarche home.

The members of the Women's Guild of the Long Grove church, will attend a spring meeting of the Arlington Heights region, at St. Pauls church in Palatine Thursday afternoon. Mrs. Ben Stucki from the Winnebago Indian Mission will be the guest speaker.

The Women's auxiliary of the Long Grove church will meet Thursday evening at 8 p. m. Mrs. Martin Wulff will lead the worship. Hostesses for the evening are Mrs. Heinz Loeffler and Mrs. Thornton Adams.

MARGARET WALLOR — Ph. Arlington Heights 7167-R

Wilson Community

Miss Klehm and Mrs. Magnussen arranged a fine display of the children's work at the open house given at school last Firday evening.

Your reporter had occasion to inspect the new addition to the school recently as it is nearing completion. The rooms are large, light an dairy, and the addition has been so designed that when further rooms are added, alterations will be minor. The temporary partition in the old building will remain, with doors leading from each room to the new part, thus giving four class rooms and the principal's office.

The Wheeling Doers 4-H club held their monthly meeting last Friday evening at the schoolhouse. Project talks were given by the following members: "Selection of Breeding Stock" by Donald Drewes; "Feeding of Goats" by John Henning; "Care of Goslings" by Mavis Prehn. Mrs. Drewes and Mrs. Stolley served refreshments.

Mrs. Max Hershey of Palatine rd. won second place in the nonfiction writing contest sponsored by the 7th District Illinois Federation of Women's clubs. The award was presented to her at their annual meeting held in Chicago last Wednesday. Mrs. Hershey has been chairman of the Literature and Drama committee of the Arlington Heights Women's club for the past year.

The Ladies of Arlington Knolls are planning a theatre party May 2 to see "Guys and Dolls." Dinner reservations have been made at Carder's restaurant and the ladies will meet there between 6 and 6:30 p. m. The next meeting of the Ladies club will be held May 7 at the home of Mrs. Kelly.

Surface Temperatures

A surface temperature above 700 degrees Fahrenheit is capable of quickly igniting most combustible materials.

MRS. BARBARA TAYLOR — Phone Arlington Heights 2209-J

Arlington Crest News

The zoning committee recently approved plans for a new one and a half story frame residence to be built on Wilke rd. Mr. and Mrs. Richard Marquiss and their three children will be the new neighbors. They are now living in LaGrange Highlands.

Elizabeth Ostenson entertained Bonnie Cairns of Palatine at Sunday dinner. Other visitors at the Ostenson home Sunday were Mr. and Mrs. Gilbert Holmlund of Evanston.

Mr. and Mrs. Balducci and family attended a farewell party for Mrs. Balducci's brother, Victor Penn, who returned to Fort Leonard Wood, Mo., after a 13 day furlough.

Mr. and Mrs. John Shillington and family visited the Fouts family in Palatine Saturday. Sunday the Shillingtons were supper guests at the home of Mrs. Shillington's mother in Skokie.

Mr. and Mrs. Steve Marty visited the Molers Wednesday for dinner and luncheon.

Don't forget "clean-up" day in Arlington Crest will be Sunday, April 27 at 9 a. m. at Warren and Olive.

Sorry to report Mrs. Beaudoin is confined at home because of an injury to her back. She is quite cheerful about it and is doing nicely enjoying the good care of her mother, Mrs. Gauke and her aunt, Mrs. Habeck.

Saturday night the Wayne Goodpastures were dinner guests of the Robert Goodpastures of Westchester.

Eveline Stenzel attended the three day annual meeting of the Mississippi Valley Historical Association which was held at the Sheraton hotel in Chicago April 17 to 20.

As a result of the vandalism done to the mail boxes on Wilke rd., the postal inspector is making an investigation and will contact owners of the mail boxes.

Just a reminder to be careful of grass fires. There are still too many of these fires and the fire department is over taxed with calls of this nature.

Robert Nordstrom made a business trip recently to Madison, Wisconsin and the Dells. Mrs. Nordstrom's mother, Mrs. Anna Mogren, and her niece visited her last week.

Mr. and Mrs. Gilbert Stutz spent Sunday visiting relatives in Round Lake.

Mrs. Tonne's son, Frank Koziol, was married to Miss Martha Etteldorf of Palatine, Saturday, in Saint Paul's Reformed church in Palatine. Two hundred and fifty guests attended the reception which was held at the Legion hall. All the gowns were made by the groom's mother.

Cpl. Bob Lamping is now at Camp McCoy, Wisconsin, with Co. C 115th Engineers Combat Unit. He was expected home for Easter but didn't make it, as he is in the flood area.

Mrs. Taylor was a guest at luncheon in Elgin Monday while shopping with Mrs. Cuthbert. Bonnie Taylor spent a few days visiting her aunt and cousins in Chicago.

Daily use

In recent years the Canadian nickel industry has used every day among other products, ten cars of timber, twelve tons of explosives, 2,330 feet of pipe, as well as machinery and supplies in endless variety.

Activities About Wheeling

MRS. HAROLD UTPADEL — Phone Wheeling 37

Mr. and Mrs. Melvin Becker, formerly of Wheeling, were happily surprised last Saturday night when 30 of their friends and relatives gathered at their new home in Palatine for a house-warming party. Miss Alice Toppel of Palatine, Mrs. Becker's sister, planned the party.

Last Wednesday Mrs. Walter Scanlon entertained Pvt. William Glass and his wife and mother at a luncheon at her home. Pvt. Glass was home on a 23-day furlough. He has been stationed in San Diego, Calif.

Mrs. Robert Koeppen was guest of honor at a baby shower given by her aunt, Mrs. Walter Scanlon, at the Scanlon home last Sunday afternoon. Refreshments consisted of a barbecue supper served buffet style.

The Donald Welflin's entertained Mr. and Mrs. Arthur Miller and Mr. and Mrs. W. Schuett recently with a turkey dinner. Wednesday, April 23, the Welflins will have been married eight years but because of Mrs. Welflin's participation in the luncheon and fashion show being given by the Ladies of the Lions on that day they will save their celebrating until May when they plan to visit Mrs. Welflin's father in New York, Frank J. Hohenstein, Sr. Mrs. Welflin, whose home was in New York, is looking forward to that trip.

The mixed 500 club met at the home of the William Laurances last Wednesday, when the birthdays of three members of the club were celebrated: Mrs. William Laurance, Leonard Koehler and Henry Grandt. Prizes were won by Mrs. Henry Grandt and William Laurance, who were first prize winners and Mrs. Fred Utpadel and Henry Grandt, second prizes.

Erick Wenzlaff, Tony Blum, Bud Miller, Art Moeller, Hans Schmidt, and Fred Cargill attended the Cubs opening baseball game last Friday as guests of the Pabst Blue Ribbon Co.

Herbert Gehrke, who was struck by a car last week is getting along fairly well now. However, from all indications it will be some time before he will be able to come home. He is at St. Francis hospital, Evanston.

The John Forkes moved into their new home on Wille and Center sts. over the week end.

Mrs. Jacob Rudolph returned home Thursday after a stay at Illinois Research hospital where she underwent surgery. She is feeling quite well and is happy to be at home and in familiar surroundings again.

Mrs. Henry Gusman, who has been spending the winter in Chicago with her daughter, has now returned to Wheeling.

Mr. and Mrs. Charles D. Balling and children and Charles Balling Sr., returned home Sunday from a week's visit with the Louis Flentges, of Berryville, Ark. Mrs. Flentge is the daughter of Charles Balling Sr.

Six Wheeling scouts pass test for advancement before review board

Six scouts of Wheeling's Boy Scout Troop 18 passed requirements before a board of review for advancements held at the school Monday night.

The boys and their advancements are as follows: Walter Myers Jr., 2nd class rank; William Groves, first class rank; Laurance Brumm, star scout; Wayne Brumm, merit badges for electricity, metal work, wood work; Max Zollner, journalism; William Groves, carpentry; John Freeman, home repairs.

THE BOARD OF review consisted of the following members of the troop committee: Walter Myers Sr., troop chairman; John F. Murray, troop advancement chairman; Lenard Gieske, institutional representative; John Brumm, transportation committeeman; Delver Dever, advancement committeeman; Paul Schroeder, committee treasurer; and Ralph Schultz, scoutmaster, who acted in the place of the district advancement chairman who was unable to attend.

The cleaning up of the grounds of Walter Myers, Sr's. Hartmann House was one of the activities reported at the committee meeting which followed the board of review. A good donation from Mr. Myers was added to the troop treasury. Scouts participating were Larry Brumm, Claude Brumm, Walter Myers Jr., James Clark, Billy Dever and Dennis Striegel.

During the board of review, slide films were shown by Jack Norris, assistant scoutmaster, on patrol hiking, exploring, and the operation of patrol mediums.

APRIL 18, TROOP 18, with Wheeling's Cub pack 218, were hosts to the annual district leaders' meeting of the Algonquin District. Forty-six members were present, representing 14 scout troops, 10 cub packs and 3 explorer units. Cub scouting, boy scouting and explorer scouting were discussed.

Friday, April 25, troop 18 is entering the wolf patrol and Explorer patrol in the council first aid meet with an "A" rating. This meet will be held at Maine township high school gym.

Lions seek blood donors for Chicago Red Cross center

The Wheeling Lions club is making arrangements to have a group of blood donors drive in to the Chicago Red Cross Defense Blood Center to donate blood.

Since it would be impossible to gather enough blood donors in the village to make it worthwhile to have the mobile unit equipment come here, the Lions decided to get a group together and go to the Chicago Center. Earl Camm, vice-president of the Lions' is in charge of this project and any prospective donors may phone him at Wheeling 276. He will then make the necessary appointments and arrange transportation.

After the business meeting, which was held Wednesday, April 16, at the Wheel Inn, the members all went to Scotty's Appliance store and watched the Ray Robinson-Rocky Graziano middleweight boxing championship bout there on TV. Scotty had a special antenna installed and beamed to Milwaukee and the group of 50 who gathered at his store had the privilege of watching the fight first-hand on one of his TV sets. The reception was perfect.

Open house, election to highlight PTA meeting April 28

"Open House," election of officers and discussions will make a full evening for the coming Wheeling PTA meeting to be held Monday, April 28, at the school.

Parents are invited to inspect exhibits and displays in the classrooms, which will be open at 7 p.m. for this purpose. Election of officers will take place during the business meeting, which will begin at 8 p.m.

After the business meeting parents will have their choice in attending discussions on reading, arithmetic, science and social studies. Discussions and demonstrations will be held as follows: in grade 1 and 2 classroom, reading; classroom for grades 2 and 3, arithmetic; classroom for grades 4 and 5, science; and social studies in the sixth seventh and eighth grade classroom. Teachers will conduct these discussions and give some demonstrations on the present methods of teaching.

An informal visiting period will then be held, followed by refreshments.

Royal Neighbors to hold card party, penny social Friday night

Friday, April 25, 8 p. m. the annual card party and penny social of the Wheeling Camp Royal Neighbors will be held at the school. There will be awards for each table and a variety of card games will be played. There will also be tables laden with interesting, useful, or novel items for the penny social and many attractive prizes will be given away.

Refreshments of home made cake and coffee are included in the admission price of 50c per person.

Haratio Gardens

Mrs. C. Loffler of Buffalo Grove, one of the H. G. members, received word from Germany last week of the sudden death of her father, Richard Finger. He was 78 years old and had not completely recovered from complications following pneumonia. We extend our sincere sympathy!

The Emil Heidenreich's were in Warren, Ohio, over the three day week end. They drove down leaving Friday evening and visited with the family of Mrs. Heidenreich's sister, Mr. and Mrs. Lushin.

The Anthony Brehm's of B. G. have been busy entertaining out of town guests. Mrs. Brehm's sister, Mrs. Margaret Underwood of Exetor, California, was here for a three and one half week visit and another sister, Mrs. Ed. Hunsberger of Dowagiac, Michigan, with her young daughter, Jackie, was here this past week.

The Dan Taggarts are really strangers in H. G. these days. The Arlington golf club is off to a good season and should keep them well occupied for the summer months to come.

Women's Lutheran Bowling League

Monday night Behm's took two games from the Bornhoff Dairy girls and Clark's Service girls tried to beat the Schimming Oil Co. girls but were able to take only one game. Next week tells the tale.

Here are the standings:

	W	L	Ave.
Schimming Oil Co.	56	37	588
Bornhoff Dairy	50	43	577
Behm's	49	42	580
Clark's Service	32	60	564

High games: E. Schnurr 168, I. Schellin 155.

High series: E. Schnurr 155, H. Heppner 393.

Wheeling Bowling News

by ED. WELFLIN

The Tuesday night men's league still has three weeks of bowling remaining but look where those Amvets are. Yes, it looks like the Amvets have the championship all wrapped up. Last week they won two out of three games from the Firemen to put them nine full games ahead of the second place Lions, who by the way, won two out of three games in their match with the Chamber of Commerce five.

Both McIntyres and Riviera teams, the one and two teams of the ladies Wednesday night league, went on their winning ways last week with both teams collecting two victories. McIntyres won two from Northbrook auxiliary, while Riviera tripped up the Geest five two times. The girls will finish up their season's league schedule this week.

Well they did it, yes, Ward Bros. put the clincher on the men's Wednesday night championship title when they beat McIntyres in their first game of their match last week. This victory by Wards put them seven games ahead of second place McIntyres with only five games remaining to be bowled this season, so! In the other contest of the night Nottie Pine Inn stepped out of character for a change and trounced Welflin Grocery team three times. That's bowling isn't it?

Do you believe in miracles? Well if you don't, listen to this. Last week the Red Garage five, of the Thursday night men's league, came face to face with none other than first place Footes and look what happened. Red's Garage swept the complete series from Footes. This sweep by Red's also moved them up to within three games of Footes. Yes, that's true, three games! You have two weeks to catch them, Red, can do?

The Friday night major league, last week, became the first league to end up the season's festivities. Miller's High Life and the McIntyre's fives both ended on a victory note with two wins over the Zeman Beer and Behms teams respectively. This week the men will team up and bowl their annual doubles tournament.

Did you say you would like to see who's in the Big Six now? Well, here they are.

TO: EMILIA C. PIROLA; UNKNOWN HEIRS OR DEVISEES OF EMILIA C. PIROLA, DECEASED; UNKNOWN SPOUSE OR SPOUSES OF EMILIA C. PIROLA; E. C. PICOLA; EMILY B. PICOLA; "UNKNOWN OWNERS," or parties interested in the premises hereinafter described.

PLEASE TAKE NOTICE that the undersigned, L. B. GOLDBERG, in pursuance of a Decree entered on the 28th day of June, 1950, in the case entitled "The People of the State of Illinois vs. George W. Jezek, et al.," case number 50 C 2989, in the Circuit Court of Cook County, Illinois, in Chancery, did purchase on the 15th day of August, 1950, the premises which were sold for non-payment of general taxes for the years 1931 to 1946, both inclusive, and special assessment Warrant 54286, Installments 4 to 10, both inclusive and Warrant 55009, Installments 2 to 5, both inclusive, which premises are described as follows, to-wit:

Lot 8 in Block 7 in William L. Wallen's Addition to Rogers Park, being a Subdivision of Lots 2 and 3 (except the West 17 feet thereof) conveyed to the Chicago and North Western Railway Company) in the Subdivision of the North East Quarter of the South East Quarter of Section 31, Township 41 North, Range 14, East of the Third Principal Meridian, lying East of the Chicago and North Western Railway, in Cook County, Illinois, and commonly known as 6608 North Clark Street, Chicago, Illinois; also shown as and described on the tax warrant books as Lot 8 in Block 7 in Wm. L. Wallen's Addition to Rogers Park, in Lots 2 and 3 (except West 17 feet) in Assessor's Division of the North East Quarter of the South East Quarter of Section 31, Township 41 North, Range 14, East of the Third Principal Meridian, in Cook County, Illinois;

which premises were assessed in said general tax warrant and special assessment books in the name of "E. C. Picola, 1703 North Shore Ave., Chicago, Ill.; E. C. Pirola, 1703 North Shore Ave., Chicago, Ill.; Emily B. Picola, 1255 Norwood Ave., Chicago 40, Ill."

That Certificate of Purchase was duly issued to the undersigned by the County Treasurer and Ex-Officio County Collector of Cook County, Illinois.

You, and each of you, are further notified that unless redemption is made by you, or one of you, on or before the 15th day of August, 1952 the County Clerk of Cook County, Illinois, at my request, and on the production of the certificate of purchase, will execute and deliver to me the deed of conveyance for the real estate above described.

L. B. GOLDBERG

Activities About Northbrook

At the May 7 meeting of the St. Norbert's Woman's club an amendment to the by-laws will be considered and a program on "When We Entertain" will be presented by Mrs. John Carroll, for many years "Mary Dunbar" of Jewel foods.

Elk Grove township trustees defer Dist. 26-57 action

Elk Grove township trustees for schools, at a meeting Monday night, deferred action on a petition which seeks to bring into the Mount Prospect school district the Bluett subdivision on the north end of the village and other property.

After a fiery session in the office of the township treasurer, George L. Busse, Herman Beer as chairman of the board requested the hearing be adjourned until next Tuesday at 7 p.m. at Central school.

The point to be settled is the number of legal voters residing in the area which petitioners are endeavoring to disconnect from Feehanville district 26 and annex to Mount Prospect district 57. At a hearing April 9 before the Wheeling trustees, petitioners presented a census of 240 legal voters, but district 26 officials claimed 247 voters. The larger number would invalidate the petition, which according to law must be signed by two-thirds of the legal voters. The petition of March 6 has 164 signatures.

Before considering the merits of the petition, the trustees must determine whether it is a valid petition. Monday night representatives of the petitioning group discredited certain names claimed as legal voters by the opposition, mainly on the basis they had not resided in the precinct the required 30 days.

Fire at Buffalo Creek farm results in $1,200 damage to barn

A fire at Buffalo Creek Farms, northwest of Wheeling, Monday night resulted in approximately $1,200 damage to the barn.

The fire was discovered by Clarence Gibson, farm manager, who found one section of the barn in flames when he went to turn out a light which had been left burning.

"The Wheeling fire department is to be commended for their quick response to the call," said Gibson, "because there was not an adequate supply of water on the farm to combat the flames. If they hadn't arrived when they did we might have lost the entire barn, including the 70 head of cattle housed in one section."

Mrs. Joseph Retzinger returned from California after a seven-week vacation visiting her children. She was in Richmond, San Francisco and Los Angeles.

Northbrook firemen will have their annual card party this Friday at 6 p. m. at the public school.

Mrs. Irma Griese celebrated her birthday Wednesday at home.

Mr. and Mrs. P. L Happ celebrated their thirty-ninth wedding anniversary at their home with their children

Mr. and Mrs. Ray Elko motored to visit her 83-year-old mother, Mrs. Mary Mrkvicka, in Cedar Rapids, over the week end.

Ronnie Schinleber, son of Mr. and Mrs. LeRoy Schinleber celebrated his third birthday Friday. Present were his three-week-old sister, Susan, and his grandparents, Mr. and Mrs. William Schinleber and Mr. and Mrs. Edgar Wessling

Two babies were baptized Sunday at St Norbert's church. Mary Jane Mennemeyer, daughter of Mr. and Mrs. Cyril Mennemeyer, was born April 17 at Evanston hospital and sponsored by Miss Arlene and Frank Mennemeyer of Chicago.

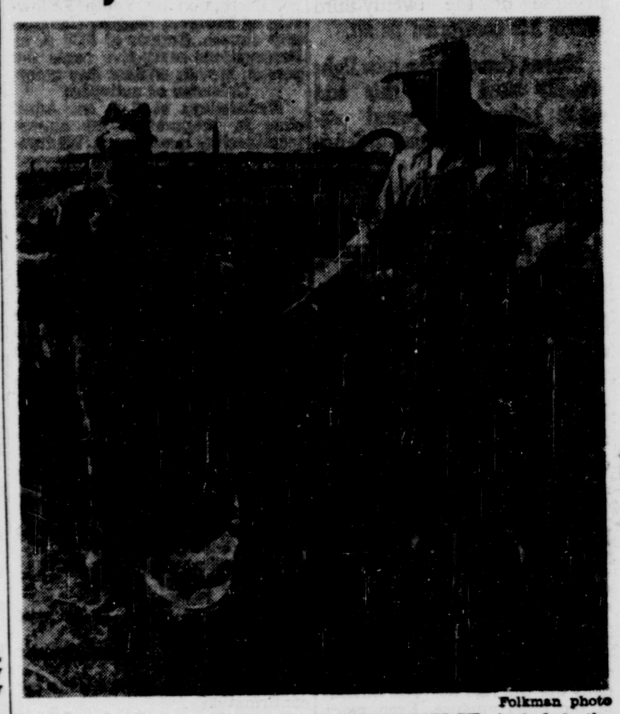
Marcy Ann Martella, daughter of Mr. and Mrs. Edward Martella, was born March 11 at Lying In hospital, Chicago, and sponsored by Jeane and John Sanders of Chicago. She has two sisters, Shirley Mae and Pamela.

Rev. Charles Haefner, accompanied by Rev. Lawrence Mack, attended the sacerdotal silver jubilee of Bishop Cousins at St. Columbus church, Chicago, last Sunday.

Mrs. William Eberlien of Glenview, who has not been well, moved into the home of her daughter and son-in-law, the Edwin Secklers.

Mr. and Mrs. Arthur Therrien attended the first communion dinner at the home of Mr. and Mrs. Robert Therrien in Glenview Sunday. About 30 guests honored Miss Norma Erickson, daughter of the Robert Therriens. There were 60 in her class at Glenview Catholic church.

Destroy tractors on Kirchhoff farm



Folkman photo

Vandals did several hundred dollars damage last week on three tractors that were being used by the owners in cultivating and planting onion sets on the Kirchhoff farm, Central rd.

The owners are Albert Frank and John Andring of Des Plaines who have rented the land the past ten years.

The depredations are supposed to have been done by teenagers as they were seen leaving the scene Tuesday afternoon about the time that fire destroyed two tires on one of the tractors.

THE DAMAGE included the smashing of glass gauges, head lights, destruction of wires, cutting of fan belts, hammering of radiators, and the like.

Mr. Kirchhoff saw in the distance two figures working around the tractors but due to the distance from his home, thought they were the renters. A village employee reported that he saw two boys leaving the area, but did not recognize them.

The onion field is part of the land that is under option by the Roth Manufacturing Co.

"...I shall not want"

Regardless of what our teaching may have been, here we find common ground—the promise of the twenty-third Psalm has comforted us all.

Today, through the new light steadily shed upon this and other beloved Scriptural passages by the Christian Science textbook

SCIENCE AND HEALTH
with Key to the Scriptures
by Mary Baker Eddy

its promise brightens into practical fulfillment.

Supply, health — whatever is legitimately needful — is available to man without fail, and comes through the spiritual *understanding* of God, divine Love, which Christian Science brings.

That God is able and willing to care for man now, in every circumstance, is made plain and clear. Anyone, without exception, who thoughtfully studies Science and Health and puts the teachings of this grand book to the test in his daily life will find the "still waters" of the Bible promise. Even more, he will find, and prove to his own satisfaction, that Christian Science is the long-promised Comforter.

The textbook may be bought, borrowed or read at Christian Science Reading Rooms throughout the world.

CHRISTIAN SCIENCE CHURCHES

That man's inherent spiritual ability to rise above death and mortality will guide him into eternal life and immortality, will be explained in all Churches of Christ, Scientist, on Sunday, April 27. The title of the Lesson-Sermon is PROBATION AFTER DEATH.

The Golden Text is from Psalms (49: 15) "God will redeem my soul from the power of the grave: for he shall receive me."

Lesson-Sermon passages from the Bible (King James Version) include the following:

"Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus" (Phil. 3: 13, 14).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"We cannot spend our days here in ignorance of the Science of Life, and expect to find beyond the grave a reward for this ignorance. Death will not make us harmonious and immortal as a recompense for ignorance . . . Earth's preparatory school must be improved to the utmost" (pp. 409, 486).

Christian Science lecture given at high school last Sunday

The abundant health and joy that thousands have found in the study of Christian Science was emphasized in the free public lecture on the subject, "Christian Science: The Principle and Practice of Divine Metaphysics," given Sunday afternoon, April 20, in the Arlington Heights township high school. The speaker was Robert Stanley Ross, C. S. B., of New York, N. Y.

The lecture was sponsored by First Church of Christ, Scientist, Arlington Heights. Mr .Ross, who is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., explained how Christian Science answers many questions of vital importance to everyone today.

In summarizing his lecture, Mr. Ross read the following statement from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, pages 146 and 147: "Divine metaphysics is now reduced to a system, to a form comprehensible by and adapted to the thought of the age in which we live. This system enables the learner to demonstrate the divine Principle, upon which Jesus' healing was based, and the sacred rules for its present application to the cure of disease."

Missions to be held at St. James Catholic church April 27-May 10

Rev. Carroll Riedel, C. S. V., former chaplain in the marine corps and now a member of the Viatorian mission band, will preach two missions at St. James Catholic church, Arlington Hgts., during the weeks beginning Sunday, April 27, and Sunday, May 4.

A mission consists of a series of sermons and instructions designed as a spiritual tonic to renew the religious fervor of the faithful. The sermons deal with the fundamentals of the Christian life: our purpose in life; the mercy and love of God; sin; redemption; death; hell; and heaven.

Non-Catholics, as well as Catholics are invited to attend. The mission schedule has been arranged to encourage entire families, husbands, wives, and young people of high school age, to attend together where this is possible. For this purpose the parish has been divided alphabetically into two groups. Those whose names begin with the letters A to L will attend during the week beginning April 27; and those whose names begin with the letters M to Z will attend during the week beginning May 4. This is not an iron-clad division, however, and individuals can change this schedule to suit their convenience.

The opening of the mission will take place at 3 o'clock Sunday afternoon, April 27. During the week, services will begin promptly each evening at 7:45. Each morning a brief talk will also be given after the masses at 6, 7:30 and 8:30 o'clock.

Optometrists attend seminar in Chicago

Dr. Paul C. Geisel, optometrist, of 710 N. Mitchell avenue, Arlington Heights and Dr. Richard Smiley, optometrist, of 1 N. Elmhurst road, Prospect Heights, recently attended a two-day seminar on occupational vision.

Sponsored by the American optometric association, the seminar was held at Northern Illinois college of optometry. More than 125 optometrists, ophthalmologists, physicians, personnel and safety directors attended the session.

In the Shadow of + + + The Steeple

by William O. McGill

We went to church this morning. We usually do. This morning we went to the church where I went through my youth.

Probably I was not the best kind of listener to the sermon. We hadn't been there for a few years. My family has transferred its membership to a nearer church, rather than travel across the city. The last couple of times we have come to Baltimore, we did not go to the old church.

TODAY, I WAS conscious of the fact that it has been ten years since I was ordained at the Light street church. (I remember it chiefly because my seminary class is going to have its tenth anniversary reunion at our house in two weeks.)

I remember being ordained, but more than that, I remembered some of the things which came long before that. I was not yet five years old (we were still living on Montgomery st.) and wore a white linen suit with flowing bow tie, silk plaid—in the Boston brown style. But I recall the minister using, as one of the illustrations of his sermon, the cross and anchor pictured in one of the windows. There was the suggestion that each life needs an anchor in Him who hung on the cross for our sake.

Maybe ten years later, probably a little less, I was confirmed and admitted to the Lord's Supper. That was a solemn moment. I had probably approached it as casually as any of the many youngsters I have helped prepare for confirmation since. But like most others, the impressiveness built up moment by moment.

SUNDAY after Sunday, I was there. The pews seemed familiar. The old carpet is gone; I missed it, but our old friends seemed not to have missed it. They were glad it's gone. So much I remember. The old organ; it had been electrified even when first I remember it, but it often blew a fuse and several men would hurriedly walk to the front to pump the handle on the bellows which had been left in event of emergency.

I may not be the type of person you want your child to grow up to be. Mine isn't an overcrowded profession, but not even every church going family is happy to have theirs choose my profession. Every life is compiled of memories. What manner of memories will you help your children develop?

Where will they go in their adulthood and say, here were significant days for me? Here was a time when I saw the possibility of what my life could be.

The spiritual sense of Life and its grand pursuits is of itself a bliss, health-giving and joy-inspiring. —Mary Baker Eddy

New Ford Truck power for speed hauling

Availability of equipment, accessories and trim as illustrated is dependent on material supply conditions.

A LOW-PRICED FORD TRUCK FOR EVERY NEED!

From half-ton F-1 Pickups, to 20-ton G.C.W. F-8 BIG JOBS! Choice of two cabs—the 5-STAR and the 5-STAR EXTRA (added cost) for more driving ease.

GAS SAVINGS UP TO 14%!

Three completely new ultra-modern LOW-FRICTION overhead-valve, high-compression Ford Truck Engines DELIVER more of the power they develop!

● Ford cuts truck running costs again! Three all-new Ford Truck engines—a Six and two big V-8's—deliver more horsepower per cubic inch! With new shorter stroke, there's less power-wasting friction—you save up to one gallon of gas in every seven!

And—the famous Ford Truck V-8 is now upped to 106 h.p.! The economy-proved BIG SIX is advanced to 112 h.p.! With new power all the way, Ford Trucks are more than ever the favorites for thrifty *Speed Hauling*.

Now FIVE great Ford Truck Engines!

- 101-h.p. COST CLIPPER SIX
- 106-h.p. TRUCK V-8
- 112-h.p. BIG SIX
- 145-h.p. CARGO KING V-8
- 155-h.p. CARGO KING V-8

No price increase! See us now!

Ford Trucks for '52 cost still less to run!

George C. Poole, Inc.

Northwest Highway at Walnut — Arlington Heights 88

We Conoco Mileage Merchants are now trained and ready to give your car exactly the same service that helped keep test engines new in the spectacular "50,000 Miles—No Wear" road test!

In that famous test, six brand-new cars were each driven 50,000 killing miles, to prove the wear-fighting ability of Conoco Super Motor Oil.

Thanks to Conoco's 3-point "50,000 Miles—No Wear" Service, those engines showed *no wear of any consequence*, in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the *last* 5,000 miles was actually 99.77% as good as for the *first* 5,000!

Now *you* can get Conoco's great "50,000 Miles—No Wear" Service to help your engine last longer, perform better, use less gasoline and oil!

Ask for my FREE BOOKLET "CROSS-TOWN or CROSS-COUNTRY" —The Best Service to Protect Your Engine!

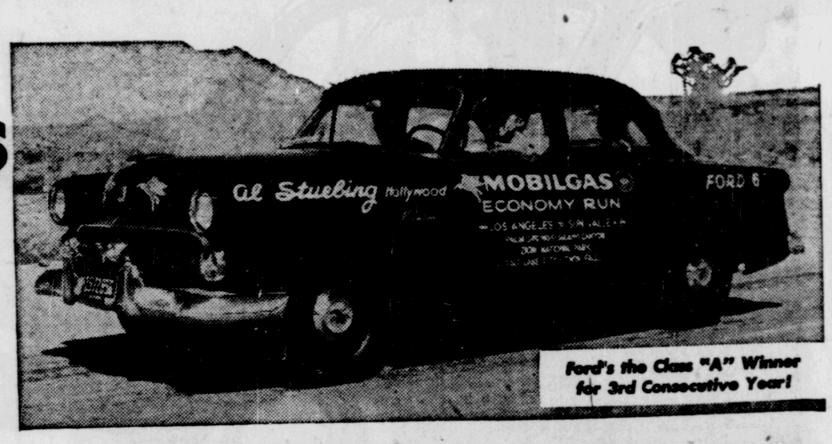
FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

Mobilgas Economy Run



Ford's the Class "A" Winner for 3rd Consecutive Year!

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year . . . as in the past two years . . . Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's *All-New* Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the *most economical low-priced car to run!* Yes . . . Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

HERE'S THE CERTIFIED AAA PROOF

NEW FORD 101-horsepower MILEAGE MAKER SIX with Overdrive

53.855 TON MILES* PER GALLON

25.463 MILES PER GALLON

F.C.A.

"Test Drive" the Economy Winner Today!

For Economy plus Quality . . . Choose the '52 Ford!

Obituaries

John Link

Services were held Monday for John Link, late of Rte. 1, Prairie View, at St. Mary's church, Buffalo Grove. Rev. George Ballweber officiated. Interment St. Mary's cemetery. Lauterburg and Oehler's funeral home was in charge of arrangements.

Deceased was born September 13, 1874, in Buffalo Grove. He lived all of his life in Buffalo Grove and was a farmer. Mr. Link died April 18 in the Highland Park hospital.

Survivors include his wife, Leona; one daughter, Mary Sue Didier; one brother, George; one sister, Sophie, and two grandchildren.

Daniel J. Holmes

Daniel James Holmes was born in Mendota, Ill., November 3, 1872. He was the oldest son of Daniel J. and Helen Wheeler Holmes.

He attended Northwestern university, graduating with high honors in 1895. On a fellowship from the University of Chicago, Mr. Holmes spent a year at the University of Rome, Italy, receiving his master of arts degree. For the next two years he taught Latin and Greek at Allegheny college, Meadville, Pa., where his uncle, David H. Wheeler, was president.

After another year in Italy and Greece spent in research work, Mr. Holmes decided to try a business career and as a traveling salesman for a large Chicago firm he spent four years in Texas with great success.

Essentially a student, the urge for more knowledge caused him to abandon a business career and to spend the rest of his life with his beloved Latin and Greek. He wrote extensively on various aspects of ancient Roman culture, but never published any of his work, apparently getting his enjoyment out of his own perusal of his own erudite notations and comments.

His father, the Rev. Daniel J. Holmes, was the pastor of the Palatine Methodist church at the time of his death in 1903.

Elise Wille

Funeral services were held Wednesday for Elise Zinkel Wille, late of 303 Park pl., Arlington Heights, at St. Peter Lutheran church, Arlington Hts. Rev. L. V. Stephan officiated. Interment at St. John Lutheran cemetery, Northfield. Black's Memorial Home was in charge of arrangements.

Deceased was born September 17, 1882, in Germany. She married William Wille September 23, 1944, in Arlington Hts.

Mrs. Wille died April 17 at Cook County hospital in Chicago at the age of 68.

Survivors include her husband, William; six children: Louis Zinkel, William Zinkel, Clarence Zinkel, Mrs. Laura Winkelmann, Lawrence Wille and Melvin Wille; nine grandchildren; one great grandchild; two sisters, Mrs. Emma Moss and Mrs. Clara Lemke, and a brother, Fred Michehl.

Peter Meng

Services were held Monday for Peter Meng, late of 208 W. Vine, Arlington Heights, at St. James church. Rev. Richard Rosemeier officiated. Interment All Saints cemetery, Des Plaines. Black's Memorial Home was in charge of arrangements.

Deceased was born December 26, 1886, in Austria. He married Sophia Stoppel in Chicago in 1912. Following their marriage the couple made their home in Chicago. They have lived in Arlington Heights for a number of years.

Mr. Meng died April 18 at St. Joseph's hospital following an accident in his home. He was 65 years old.

Surviving along with his wife are two children, Mrs. Elizabeth Bull and Martin Meng; four grandchildren and one sister, Mrs. Elizabeth Gossmann.

Stanley H. Anderson

Funeral services were held Monday for Stanley H. Anderson, late of 1973 Busse highway, Des Plaines, at Oehler's funeral home, Des Plaines. Rev. Erwin Wendt officiated. Interment Rosehill cemetery, Chicago.

Deceased was born December 14, 1905, in Chicago. He married June Shannon on June 2, 1932.

Mr. Anderson was an automobile dealer and owner of Anderson Motors, Inc., 1410 E. Northwest highway, Arlington Heights. He was a member of Skokie Lions club and Evanston Lodge 1316, BPOE.

Surviving along with his wife are two children, Carole and Dennis, and his parents, Charles and Alma.

John Fink

Funeral services for John Fink, Lake Zurich, were held Wednesday afternoon at St. Peter Evangelical church in that village.

Mr. Fink died suddenly at Waukegan hospital Sunday noon. He entered the hospital the preceding Wednesday, underwent an operation and had just partaken of "a fine dinner" he told his nurse. His family were in the hospital expecting to visit him when the death occurred.

Deceased was born in Palatine August 11, 1873. In the 1890's he was a partner with the Schoppe boys in a store that was on the present side of the Pepper block. He later opened his own store in Lake Zurich, which he operated until 10 years ago, when he retired.

Mr. Fink took a prominent part in Lake Zurich business life, was an official of the Lake Zurich bank, and has been interested in real estate.

He married Miss Minnie Buesching. Also surviving are a daughter, Margaret Petersen of Lake Zurich; four grandchildren; a brother, William Ahlgrim, Oswego, Ore.; two sisters, Mrs. Margaret Williams, Racine, and Mrs. C. H. Seip, Palatine.

Henry J. Wachsning

Henry J. Wachsning, 248 West Slade, Palatine, was stricken with a heart attack at 10:30 Saturday morning. Efforts of the firemen to revive him were unsuccessful.

Funeral services were held Wednesday in Chicago with interment in Mount Emblem. There remains his wife; three children, Henry J., Bensenville, Edward and Mrs. Elaine Gosswiller, Northbrook; five grandchildren, a sister, Mrs. Herman Timmermann of Florida, and a brother, John C., of Chicago.

Deceased was born in Chicago March 11, 1893. He married Miss Augusta Kettelsen. They purchased a home in Palatine, moving there in January, 1951. He was employed by the Peoples Light and Gas company for 34 years. He had suffered an earlier heart attack last October, but had continued in his job.

Karl Hartmann

Funeral services were held Monday for Karl Hartmann, late of Ela rd., Palatine, at Black's Memorial Home. Rev. C. Victor Brown officiated. Interment Memory Gardens.

Mr. Hartmann was born February 8, 1880, in Germany. He married Miss Hedwig Koehler, and for the past five years the couple have made their home with their daughter in Palatine.

Surviving along with his wife is his daughter, Mrs. Erna Bauer, and two grandchildren, Mrs. Clinton Lyman and Miss Carole Bauer.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service by Rev. Stephan, floral offerings and other kindnesses, we are deeply grateful.

Mr. and Mrs. Louis Klages, and family.

(B-4

CARD OF THANKS

We wish to express our heartfelt thanks to each and every one who was so very kind to us in our recent bereavement.

Mrs. Sophie Meng and family.

(A-6*

CARD OF THANKS

I would like to thank all my relatives, friends and neighbors for the lovely flowers, gifts and cards and especially to Rev. Bergstraesser, pastor of St. John's church for his comforting prayers while I was hospitalized. Many thanks to all.

Mrs. Emma Finke
Bensenville, Ill.

Weekly recipe

There are many recipes featuring macaroni combined with fish, meat, vegetables, or fowl. This week's recipe tops them all in flavor and goodness, and features macaroni with tuna fish or chicken, and diced cheese. You will find Macaroni Casserole a most welcome main dish for luncheon or dinner.

Macaroni Casserole

1 pkge. (8 oz). elbow macaroni
3 tbspns. butter
2 tbspns. flour (all purpose)
2 cups milk
½ tsp. salt
1 tsp dry mustard
1 can (7 oz). tuna fish or chicken
1 cup diced cheese
1 cup coarsely rolled crackers

Method: — Cook macaroni in salted water according to directions on package. Combine butter and flour over low heat; add milk and bring to boil, stirring all the while. Add dry mustard; add salt. Fold tuna fish or chicken into the sauce. Pour sauce over macaroni and stir until well blended. Pour into a buttered casserole. Mix rolled crackers with diced cheese and sprinkle over top. Bake in preheated oven at 300 degrees for 20 to 25 minutes.

Yield: — 6 servings.

History lectures

The lesson which history can teach us in the execution of aid to foreign countries will be related by Dr. Merle E. Curti, Pulitzer prize-winning author and University of Wisconsin history professor in a series of four Harris foundation lectures to be given at Northwestern University April 28 through May 1.

Henry E. Parker

Funeral services were held Tuesday for Henry E. Parker, late of 303 S. George st., Mt. Prospect, at Nash funeral home in Galena, Ill. Interment Greenwood cemetery, Galena. Oehler's funeral home was in charge of local arrangements.

Deceased was born August 14, 1866, in Galena, Ill. He was a retired blacksmith. His wife, Sophia, preceded him in death.

Mr. Parker died April 19 in Catherine Medical hospital in Palatine.

Survivors include three children, Charles H. of Rockford, Lucile Wirsing of Mt. Prospect, and Dr. Leonard E. Parker of Los Angeles, Calif.; one grandson; two great grandchildren; four sisters, Fannie Rakow, Emma Parker, Clara Lyon, and Sarah Kean.

MAGIC IN MOTION!

We invite you to take an "Airborne" ride in the New Aero Willys

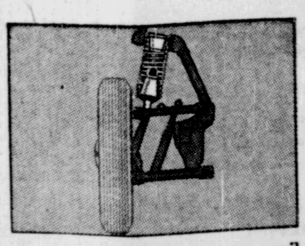
Up to 35 Miles Per Gallon with Overdrive*

Loafs at 60 — Cruises at 75 — with Power To Spare

6 Ft. Wide — Only 5 Ft. High

Equipment, specifications and trim subject to change without notice. *Optional equipment, extra. White side-wall tires, optional when available.

A soft, silent ride *plus* spacious seats *plus* "take-off" power *plus* unmatched mileage -ALL COMBINED IN ONE GREAT CAR!



A Cloud-Soft Ride because coil springs, new aero-type shock absorbers and rubber pillows soak up road roughness and vibration.

A Spacious Interior, with 61-inch-wide seating front and rear, gives six adults the roomy comfort you expect in only largest cars.

Free-Breathing F-head design and 7.6 compression give more power and mileage from every drop of gas in the Hurricane 6 Engine.

Easy To Park, easy to drive . . . you see all four fenders from the driver's seat . . . see the road 10 feet ahead over the sloping hood!

MADE BY THE MAKERS OF THE WORLD-FAMOUS Jeep with billions of miles of tough service

"Our Aim: To Fear God, Tell The Truth, and Make Money." — H. C. Paddock, 1898-1935

Happenings 10, 20, 30, 40 and 50 years ago this week

Fifty years ago

APRIL 19, 1902

C. & N. W. began using Palatine city water last Friday. The engineer is compelled to pump every night to keep the water tank filled.

Henry Gieseke, Palatine, born 1820, dies.

The Palatine high school girls will serve ice cream at Masonic Hall to obtain money to buy tennis outfits.

Louis Keyes of Palatine has purchased a barber shop in Roselle.

F. K. Crane has taken possession of Roselle park. He plans to build a theatre 60x100 feet with stage.

Mayor E. H. Deike of Deikeville, has now added Justice of Peace and Notary Public to his offices.

George Struckman was elected mayor of Bartlett, Ben Schultz village clerk.

Roy Harris, Arlington Heights, left his horse untied Sunday morning. It ran away smashing the cart.

John Wille, Mt. Prospect, bought a new top buggy from John Meyn.

Herman Beigel and Bertha Feddecke are to be married soon.

Honorable William Busse is not feeling well. We don't know whether he has the grippe or if the grippe has got him.

Arlington Heights military band is a permanent organization of which any town can be proud.

Forty years ago

APRIL 19, 1912

Miss Minnie Hildebrandt becomes bride of Albert Laseke.

I very much wish to see our church, St. Paul's, Palatine, well filled next Sunday. J. C. Hoffmeister.

Palatine highway commissioners organize. Dan Bergman is treasurer; Chas. Schoppe, president; Henry Roper, road boss.

One farmer reports that there are a super abundance of snakes this spring. He thought that they would be frozen out like the clover and wheat. Another says that the Palatine streets are boulevards compared with the roads in Arlington Heights.

Seip auditorium (Palatine Theatre) opens for the first time April 27. There is not a neighboring town which has such a building available for meeting purposes and there is not a hall that can equal it.

A terrible disaster to the Titanic steam ship this week shocks every man and woman.

Walter Mummert, Palatine, writes of soldier life in the Philippines saying heathens, alligators, sharks, snakes, coconut and banana trees make life enjoyable for a soldier boy.

Fred Vass, veteran mail carrier at Roselle, will soon make the rounds in his Stanley steamer.

John Miers, Roselle, has improved his property by building a large chicken house.

George Freeman is finishing the carpenter work on Herman Dierker's residence at Highland Grove.

Aloysius Raupp and Miss Carrie Wagner married by Father Otto.

Fred Kortan, Arlington Heights tailor has bought the Northwest corner of Campbell and Vail streets where he will build a brick store.

Arlington Heights village election Tuesday was a regular Democratic landslide. Successful candidates were Henry Horseman, Hugo J. Thal, Ed H. Meyer as trustees; George K. Volz as village clerk.

Herman Meyn will soon start work on his new home at Mt. Prospect.

William Busse & Son have moved their warehouse and are preparing to start work on their new hardware store.

Thirty years ago

The files for April, 1922, are not available.

APRIL 15, 1932

Gieseke's store, Arlington Heights, celebrates 25th anniversary.

Mr. and Mrs. William H. Meyer celebrate 50th wedding anniversary.

Mr. and Mrs. Fred W. Gieseke celebrate 25th wedding anniversary.

Fire completely destroyed the residence of N. E. Davis in Diehl subdivision on south State road, driving the family out of their beds.

Arlington Heights village flag flown at half mast in honor of F. C. Wilke, former village trustee.

Farm adviser, O. G. Barrett, offers to withdraw his name as a candidate for village trustee if the opposing group will give $500 to the relief fund.

Mr. and Mrs. Andrew Horcher, Arlington Heights, celebrate 25th wedding anniversary.

Ten years ago

APRIL 17, 1942

Selective service boards prepare for fourth draft registration.

Arlington Heights police force are taking their jobs so seriously that they even issue tickets against each other.

Smith and Dawson are building rental homes for defense workers at Prospect Heights.

All except three of the 18 members of the Arlington Hts. fire department who answered the fire call Monday morning sleep in pajamas. One of the three sleeps in the raw with firemen's suit and boots beside the bed. The others wear regular night shirts. They answered a fire call at the Poole garage in come-as-you-are costume with perhaps a pair of trousers holding them together.

H. L. Hagenbring, Arlington Heights businessman, has turned over his 35 foot pleasure boat to the U. S. coast guard at New Orleans.

William Lancaster Jr., elected president of Prospect Heights board of education.

Twenty-two schools to run in Palatine relays.

Re-zoning of farm property south of Arlington Heights has farm owners guessing. Rumor has it that the navy will use the area as an airfield.

● **WITH A RUSH**

Spring really came with a rush with those warm days last week. With plenty of moisture in the ground, it only took the warm weather to start things bursting out all over the place, grass, shrubs, trees and bulbs all started to burst out as if they had been given some sort of a shot. It doesn't take many of those hot days to really make the season catch up with itself.

"This is wonderful" remarked one happy citizen as he enjoyed the warm sunshine and the bursting green of the foliage, "but I suppose we'll make up for it with a May snow storm."

Perish the thought of any such a setback, but those sort of things have happened and conceivably could happen again — it isn't June yet even if the weather did act like it for a few days.

● **ROADS AND WATER**

Highway commissioner, Ray Holtzee, came around the Sunday after the big rains and said "let's take a trip and look over the situation." The situation he was talking about was the flooded condition of the township. Ray was interested in what those floods were doing to his roads.

Many roads were under water in places and Ray pointed out what was needed to put them into condition and how the water could be kept off them in the future. Many roads have been built up to keep them from flooding, but this was just about the worst flood in history and even building them up hadn't kept them out of the water in some cases.

One of the greatest causes of this flooding of so much land and the consequent flooding of the roads, Mr. Holtzee pointed out, was the cutting off of farm drain tile by people who have built homes on so much of the property which used to be farm lands in the earlier days.

In digging basements or laying footings for new homes, many of the old farm drain tile have been cut off and never connected up again with the result that the shutting off of that drainage system has caused floods all over the township.

In some cases, the condition can be remedied by hooking up the old drainage systems; in some it can be helped by building the roads still higher; but in a lot of cases it looks as if about the only thing that can be done is to pray for normally dry seasons with no floods, as in many cases since the building boom has hit the township there is no place to drain the flood waters without dumping them on to some one else.

Mr. Holtzee has plans for doing a lot of work that will improve conditions, but he can't do the impossible, and he can't control the rainfall and when the floods do come, he can't come around and bail the water off the roads to keep them dry.

We don't have conditions like those of this spring very often, but when they do come, don't expect your road commissioner to work miracles to help you out. He'll do the best he can, but like all the rest of us, he can't do the impossible under conditions over which he has no control.

While we were making our tour of inspection, we drove down Forest avenue, that much discussed street in Palanois Park. It wasn't the best street in the world, it had some holes and bumps in it, but it was dry and very useable and could be traveled in safety to the life of both car and driver by using ordinary care.

In fact, if we could have as good streets as that one in the old part of town before we paved we'd have thought Utopia had arrived. Our gravel streets on which we kept the dust down in the summer by passing the hat for donations to buy oil were a whole lot worse off than was Forest avenue.

On Chicago avenue between Oak street and the Northwest highway, there used to be two bad sink holes where during wet weather autos used to bog down and get stuck by the dozens and a farmer living where the Prairie View subdivision now is used to keep busy on Sundays hauling tourists out of those sink holes at a dollar or two a haul.

Yes, maybe the folks of the subdivisions think they are pioneering, but they are living in clover as far as streets are concerned as compared to the old timers before the paving era. A lot of old timers fought that paving program to the limit, but once it came, just try to take it away from them — they've got good streets now and if anyone wanted to tear them up, he'd be met by a shotgun brigade.

Yep, the old timers have seen a lot worse conditions than the newer residents can ever dream up and in a lot more ways than just streets, but they weathered through all right and they always have had a mighty pride in their community.

● **SMOKING IN SCHOOL**

No, we're not talking about the kids, but the adults. At a recent meeting of the high school board, the subject of the control of smoking in the new addition came up and the board made the regulation that smoking be limited to the cafeteria where ash trays would be made available on the tables.

A survey of the smoking business revealed that up until very recent years there was practically no smoking at meetings of the women's groups, maybe an occasional sneak smoke in a wash room, but no general smoking. Now according to reports, there is smoking all over the place.

The grade school also has had trouble and cigarette butts ground into the gym floor and the finished floors of the halls are causing a lot of displeasure among school officials. The school officials are asking that smoking regulations be observed and not abused.

If regulations are not observed, some groups may find that finding a meeting place isn't going to be such an easy job. No, it isn't smoking on the part of the kids that's worrying the school officials, it's the smoking and promiscuous tossing of "butts" by the adults — what do you suppose the kids think of it all?

● **NUTS**

Yes, nuts, nice shelled paper shell pecans — there has been a regular flood of nuts around both schools recently. Not only are they being used in every conceivable way in the school lunch rooms, they have them by the bowl full on the tables at school board meetings — pecans — pecans — pecans. And the reason for this deluge of nuts around the school is the government surplus commodity outfit which doles out surplus foods to schools for use in their lunch programs.

It seems that the government must have had a big surplus of nuts by the way they have poured those shelled pecans onto the schools. And the schools aren't supposed to sell them or give them away, they are obliged to eat them, so if all the youngsters, teachers and board members become addicted to a nut diet, you'll know what happened — it's all the government's fault.

● **THE TRAPPER**

Our old friend, E. J. Plote, dropped into the office the other day looking hale and hearty after the long winter, but he said the winter hadn't treated him so well, that he'd had one cold after another.

And what do you suppose E. J. did to start all those colds? He gave us the surprise of our life by saying that he ran a trap line last winter. Yes sir, a trap line, and why was he running a trap line? To catch mink so that his wife could have a mink coat.

E. J. said that mink coats were getting to be so much the fad that he thought his wife should have one as well as the rest of the ladies, so he started out to get it the hard way.

He said the big snows came so early that he lost a lot of his new traps and then on a zero day he fell through the ice of a creek, got soaked, caught cold and had to have the doctor, and that all in all, the season wasn't a bowling success and he didn't get too many mink which is what he was after.

He did catch some skunks which he wasn't looking for and didn't want. But despite all the set backs of the last season, E. J. is still determined. He says he's going to try it again next winter. He's still after that mink coat for the Mrs.

● **"HIS BOY" GETS TOUGH**

Roy LaLonde and Paul Manning are great golf rivals, every season they have a regular war on for the whole summer. They play for glory and moderate stakes and Roy's luck has been so consistently good that he got to calling Paul "my boy" meaning that when he was looking for a sure thing he'd take on "his boy." Well, there comes an end to all good things sooner or later when the downtrodden rise up and smite their oppressors. That happened last Saturday when the boys got together for an early season game. Paul was in mid season form according to Roy who wasn't so hot himself.

Paul made unheard of shots and was blessed with good luck He made a shot that looked as if he's surely lose his ball in the creek, but the ball skimmed over the water and landed against the other bank.

Roy shot for the same hole, lofted his ball high over the water, had it hit on top of the bank and then spin backwards into the creek.

And so it went all afternoon. Paul was winning the holes and collecting the money, much to his personal satisfaction, and Roy was finding out that "his boy" had suddenly had a form reversal and had all at once become a tough cookie. Paul's parting shot as they left the course was, "Now don't forget to tell the boys around the office about all this." Well, Roy told the boys all right and we're telling the world that Paul has graduated from the ranks of "his boy."

● **VIOLETS**

The first violets of the season are here, a big patch of them in our back yard is in full bloom. They are the small, lavender and blue sweet violets which are so fragrant that their sweet scent can be detected for quite a distance.

They all came from one small clump given us by a neighbor many years ago.

THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Inc., Arlington Heights, Ill.

Home rule

There seems to be considerable confusion and misunderstanding in regard to the petition which has been filed to detach approximately one-half of Public Service from Feehanville school district 26 and attach it to Mt. Prospect school district 57.

The people of District 26 have not been fighting the detachment of that part of their district which lies within the boundaries of Mt. Prospect. However, since Russell Smith, president of the Mt. Prospect School Board, has publicly stated several times that Mt. Prospect cannot afford to take in that part of the district unless that area can bring in additional value, District 26 has no choice but to fight the division of its territory.

Mr. and Mrs. Schroeder, in their letter a few weeks ago, intimated it would be fair to take more than one-third of the assessed valuation of District 26 in order to pay the petitioners way into Mt. Prospect.

The children coming from the section lying within the boundaries of Mt. Prospect comprise about one-fifth of the total number of children now in Feehanville school. The area itself comprises not over one-twentieth of the entire size of the district. Therefore the education of the children of the entire district is being jeopardized to satisfy one small group.

The plans of District 26 for their new school are far enough advanced so that as soon as the bonds are cleared, the architect can proceed with the steps necessary for letting he contracts.

The people of Mt. Prospect have always seemed very fair minded, and I wonder if very many in the village realize how the welfare of their neighboring district is being used as a political football.

Yesterday evening at the meeting of the Elk Grove trustees, our group was shocked to learn that David B. Maloney seems to be acting as attorney for both the District 57 school board and the group of petitioners who are trying to bring so much revenue into Mt. Prospect.

There is also another point which seems to have been overlooked, and that is that those people living outside the boundaries of Mt. Prospect do not want to go into Mr. Prospect.

To some of the people living outside Mt. Prospect, the additional taxes would amount to $100 to $200 each year.

The biggest number of the people who want to make the change live in a small area, therefore they have no moral right to reach out and take in the group living on the fringe without that group's consent. This is taxation without representation.

The tragedy of the whole situation is that the children are the ones who are the pawns and the ones who will suffer most from any breaking up of the territory.

Idyl Nipper
Feehanville

In the future

A new electronic gimmick hardly bigger than a book of matches automatically starts the mechanism to roll up the windows of your car — and raise the top, if it's a convertible — at the first drop of rain . . . Bakeries, meat packaging plants, groceries, restaurants, furniture and carpet warehouses — and the home — can be protected from insects by a new vaporizer which is said to cover effectively 10,000 to 15,000 cubic feet. A bag of crystals described as safe, odorless insecticide will last two weeks of continuous service . . . A new chrome towel rack has thirteen rods which fold down when not in use. Plenty of space for a large family's bathroom needs.

Brides-to-be

The following marriage licenses were issued last week

Kenneth Chetwood, Arlington Heights Airport, Margaret Simon, Northbrook.

Calvin Palmquist, Northbrook, Janet Carlson Evanston.

Challenges editorial

I have been reading the columns of the "Fence Post" for a reply to editorial with reference to the Roth factory, published recently.

Your statement that older residents have paid for improvements before newcomers arrived deserves to be challenged. You must know that our current tax bills include levies for payment of bonds issued more than 15 years ago for school, park and other improvements. Naturally the additional taxes to pay bonds for school additions built after World War II, plus larger staffs and operating costs, increase the rate before relief can be obtained from the levies for the retirement of older bond issues.

Likewise, investors in new homes are paying for the cost of improvements made more than 20 years ago, when defaulted special assessments are cleared up to permit the sale and improvement of vacant property which has been dormant during the lean years. No older resident is paying more than the assessment on his own lot, and only through new building construction is the original cost of many improvements being paid at this late date.

The opposition to the annexation of the Kirchhoff farm has restricted the size of the area to be zoned for industrial purposes, and brought about efforts to provide a barrier against further expansion to the south.

No one seems to have established that the plant will effect savings to other tax payers over the next 20 years when traffic protection and all other costs of the village for servicing the Roth plant are considered.

Residents who pay taxes of $50 per month for a six-room residence with 1½ baths, are interested in maintaining the value of their investment if such an expenditure is to be justified. The more fortunate without children in school or other ties, will seek to liquidate when signs of a decline in values appear in the offing.

Fair Play
Arlington Heights

Cancer fund

April is a fitting time for the American cancer society to ask for help in the solution of one of the world's great problems—the conquest of cancer. Each year the Arlington Heights Woman's club sponsors the cancer benefit drive in this community and enlists your support in this great cause. Our community has successfully met this challenge in past years, and can only do it again through the combined efforts of our people.

We all know the tragedies of this disease which may have been averted by early diagnosis and treatment. Today there is real hope for the many thousands who suffer from this dread disease, as much progress has been made in hospitals and laboratories.

We trust residents of Arlington Heights will want to join in this response to the American cancer society appeal—give to conquer cancer.

Mrs. Harold Olson
1007 N. Chicago Ave.
Arlington Heights

Still like paper

Although we left Arlington Heights several years ago we still like to read the Herald very much. Enclosed is a check for renewal.

Mrs. Harry C. Herman
Sunny Ridge Farm
Spring Grove, Ill.

Third assessor

Your article on Personal Property Tax states that it should be thrown off the books, and that is the opinion of this writer I believe it can be accomplished only by the revolt of the tax payers by using the waste basket method.

My personal objection to the law is that the assessors are constantly trying to find a simple guide to judge personal property. Years ago it was clocks and watches, then automobiles and now television sets; and even if these guides were fairly accurate, all you had to do was to "file" that personal property tax bill in the waste basket and wait for the notice from the "second" assessor who would invite you to settle for 10% to 25% of that tax bill, if you would listen to his tale of woe and pay his perscribed fee, or if you were real daring you would wait for the notice from the "third" assessor who would still further reduce that bill for the prescribed fee.

So lets not list the people who owe their personal property tax but list who paid, what percentage of the original bill and how much of a "take" went to the "second" and "third" assessors. If this were done I am sure we would have a full tax strike and some action by the law makers of this state.

"Waiting for the
'third' assessor"
Arlington Heights

Red Cross help

The 1952 Chicago Red Cross fund campaign has been the most crucial since the end of World War II, with almost half of Red Cross funds allocated for use in support of armed forces in Korea, and another portion to be used to bring relief and assistance to stricken victims of disasters, such as the devastating Arkansas tornadoes that swept six states in the south recently.

The fact that the Chicago chapter of the American Red Cross is going to be able to meet its obligations to continue these services, reflects the generous cooperation you have rendered in promotional support of this year's campaign.

I would like you to know how much we appreciate your efforts in behalf of the 1952 Red Cross fund. The Red Cross could not operate without the kind assistance of thoughtful citizens ilke yourself, and we are very proud of your service.

Edward H. McDermott
General Campaign Chairman
1952 Red Cross Fund

Thank you

May I take this occasion at the close of the club year to thank you on behalf of the Arlington Heights Woman's club for your generous cooperation in publicizing the club's activities during the past twelve months.

It may interest you to know that our publicity scrap book won first prize in its class in the seventh district of the Illinois federation of women's clubs. Since one of the qualifications judged was the amount of printed linage, we are indeed indebted to Paddock Publications.

We sincerely appreciate your assistance in bringing our programs to the attention of your readers.

Mrs. Joe Grant,
publicity chairman
Arl. Hts. Woman's club.

JUST AROUND THE CORNER

from PATTY McARDLE

Dear Peg:

A few days ago, Bob and I attended the final "natural childbirth" lecture — a discussion designed to instruct the father-to-be in the process of pregnancy and birth and in the role he plays at this time. When I told Bob, after my last lecture, that our class had been instructed to bring their husbands to the final lecture, he was quite indifferent to the idea (feeling that since he had "been through it" once, he was an old hand at it and probably couldn't be told anything he didn't already know!)

At the appointed time we arrived at the hospital and lecture room, and sat down among the other mothers and fathers-to-be. How skinny all the husbands looked sitting next to their quite round little wives!

Dr. Solomon greeted the husbands, gave us the agenda of the evening and showed us first an educational and well done film concerned with the reproductive system of both the male and the female.

THE SECOND film was a moving picture in color of the actual delivery of a baby whose mother attended "natural childbirth" classes. This film began with the departure of the husband and wife for the hospital. They kissed their two little boys goodbye, strolled down the walk, climbed into the car and were on their way.

As soon as they arrived at the hospital, the mother-to-be was taken to her room and shortly was joined by her husband who looked as relaxed and happy as she did. No waiting-room pacing or distraught looking husband in this movie! They would chat gaily during the interim between contractions — and when she would indicate that a contraction was occurring, her husband would rub the lower part of her back gently but firmly. From the peaceful and pleasant expression on her face this must have helped ease the discomfort a great deal. As a matter of fact this back rubbing looked so delightful, I was compelled to nudge Bob to be sure he was making a mental note of it — I fully intend to be a "demon" and have Bob start rubbing my back at the first indication that labor's beginning!

THE OBSTETRICIAN came in several times to examine the mother-to-be and finally told her that it was time to go to the delivery room. The scene shifted to this room and we all watched the actual entry into the world of a brand new baby girl.

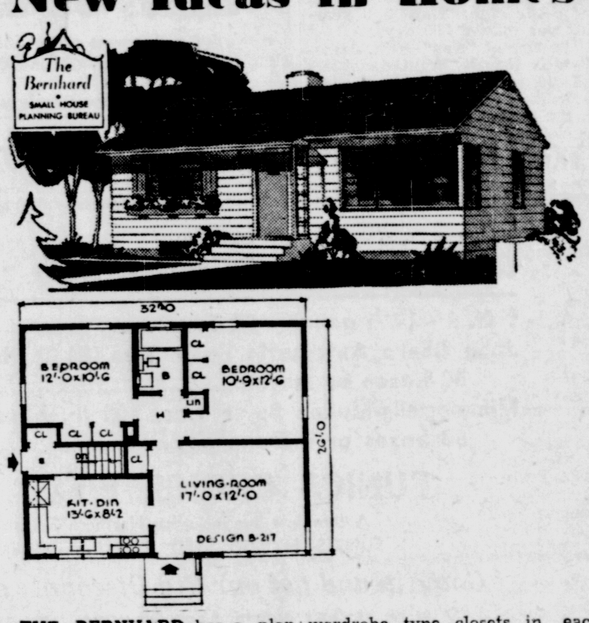
Most of the husbands, including Bob, had never seen a film of this type before and, apparently, were amazed to learn how rapid and simple an uncomplicated delivery is. Following this film, Dr. Solomon conducted a question and answer period and it was quite gratifying to hear the eager and interested fathers-to-be ask one question after another about pregnancy, the length of labor, the indications of each stage and the help they could give during this time. It's such a pleasant and comforting thought for a mother-to-be to know that her husband shares her enthusiasm and interest in the birth of their new baby and is willing to be a happy and sympathetic help-mate throughout pregnancy!

DR. HERBERT THOMS in his book, "Understanding Natural Childbirth" (which, incidentally, I think is by far the best of any of the books that I've read on this subject — including Dr. Read's book) has this to say, "It is our belief that a husband has a right and probably a duty to have an understanding of what the successive events of his wife's pregnancy and labor are going to mean to her. A more auspicious beginning of family life is bound to follow. The husband and father-to-be need not and should not remain outside the development period of parenthood. . . Good spirits and a light heart are essential to a woman at this time. The ability of a husband and wife to laugh together are never more important. A husband who understands what is taking place and cooperates wholeheartedly throughout the period of pregnancy is a good guarantee of an expectant mother's viewing her condition with a sense of humor and a healthy confidence in the future."

Now that our series of lectures is over, I'm quite anxious for the end of May to arrive when I'll have the opportunity to put into practice all that I've learned — I promise to let you know how successful I am with the "natural childbirth" process.

My love,
Patty.

New Ideas in Homes



THE BERNHARD has a plan shown here that is the most economical to construct. A simple rectangle without projections and a gable roof without dormers. Exterior finish is wide siding, asphalt shingles. A wide eave overhangs in front. There are also a flower box, shutters and lattice at the front door.

The Bernhard has two bedrooms, a bath, living room, kitchen with ample space for dining and a full basement.

Storage space consists of twin wardrobe type closets in each bedroom, linen cabinet in hall and coat closets at each entrance.

In the kitchen both the sink and range are on the front wall and the refrigerator at the side door. This leaves table space on the inside wall.

Overall dimensions are 32 feet by 26 feet. Total area is 832 square feet, cubage 16,224.

For further information about The Bernhard, write the Small House Planning Bureau, St. Cloud, Minn.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

"Remember the Maine!" Away back when the good ship Maine was sunk, February 15, 1898, and America blundered into a war which might have been avoided with more patience and compromise between America and Spain?

Today is the 54th anniversary of that war's beginning. Whether the American government under McKinley saw the importance of controlling the Carribbeans in the event of a future war with a foreign power or not at that time is debatable. But the Carribbeans, under American "protection" have been a source of protection and strength far outweighing the cost of the war in money, men and material. They stretch as a protective cordon across the entrance to the Gulf of Mexico, and protect the Panama Canal as well.

America had another incentive to intervene for the Cubans, then under the rule of "butcher" Weyler, Governor General of Cuba That was the average American's deep sympathy for oppressed or misgoverned peoples. The war with Spain was a people's war. It was a popular campaign for freedom which Americans had paid for so dearly in the Revolutionary, and later, Civil wars.

I often think that much of the old crusading spirit for freedom of oppressed peoples is dying in American hearts. Today, after two World Wars, many Americans are willing to bring the boys home and sit in isolation, comfort and wealth at our own firesides, while the rest of the world succumbs to the terrors of world wide communism. I can not say that I blame them.

The unfortunate part is that we can not do this safely. The destruction of the American Way by eventually overwhelming communistic forces is a price too dear to pay for a few years of peace and plenty. A generation ago, Americans voluntarily demanded the end of oppression in Cuba. Today, we must protect ourselves against communism everywhere by aiding countries in Europe and Asia to cefeat communism. To do otherwise is to seek national suicide. We must love our neighbors till it hurts, and keep on loving and protecting and helping them to the limit of our ability. To be short sighted is to be ruined.

Small pigs like cracked hulled oats the best

"I'd bake them cookies if it would make them eat any sooner." That's how one Knox county swine grower tells how important he thinks it is to get baby pigs to eat as early as possible. However, you don't have to bake cookies to get baby pigs to eat.

Dick Carlisle, extension livestock specialist at the Illinois College of Agriculture, reports that a creep test by the swine division at the college shows that baby pigs "go" best for cracked hilled oats.

Pigs on the test ate 158 pounds of oats, which were 43.8 per cent or nearly half of all feed eaten, Carlisle says. Seventeen different feeds were offered free choice in the creep-feeding test so that the pigs could eat all they wanted.

A combination of rolled oats and dried molasses in a 75-25 per cent mixture was second most popular choice, with 73.5 pounds eaten for 20.4 per cent of the total. Pig starter ration was third, with the pellets more popular than the meal. The pigs ate 52 pounds of pellets and 31 pounds of meal.

Another mixture of 75 per cent dry skim milk, and 25 per cent dried molasses ranked next, with 25 pounds eaten. Shelled corn, rolled oats, dry skim milk, meat scraps, solvent soybean oil meal and ground corn were among the less popular feeds. Amounts eaten ranged downward from 4 pounds for the shelled corn to 1 pound for the ground corn.

From this test, it appears that baby pigs like pelleted feed better than the same feed as meal. They also seem to like a feed which includes a source of sugar better than the same feed without sugar.

Farm directors urge cut in expenditures

The board of directors of the Illinois agricultural association drafted a request to Illinois congressmen for a 10 billion dollar reduction in the administration's 1953 fiscal budget request of 85 billion dollars. The recommended cuts in the federal budget by the association included a 200 million dollar reduction in the agricultural appropriations.

Action of the association on the federal budget came in the form of a resolution being sent to Illinois senators Dirksen and Douglas and to Illinois representatives in the House.

The resolution pointed out that the association "vigorously supports the budget recommendations of the American farm bureau federation to the congress which would result in reductions of 10 billion dollars in the president's budget requests. These recommendations include reductions of 7 billions for the department of defense, a 2 billion cut in mutual security or foreign military spending, 200 million savings in the United States department of agriculture and corresponding reductions of approximately 1 billion in all other branches of government

"We are convinced that the future strength of our nation depends in large part upon effective control of government spending, thus we are insisting on substantial reductions in agricultural agency and subsidy expenditures," the resolution continued.

Going up

In 1939 the average retail lumber building material dealer had 5.5 employees; in 1948 this number had increased to 8.3 employees.

Tenant Farmers Get a Break as New Barn Cleaners Are Invented

By IRA MILLER
Farm Electrification Bureau

The farmer who can do easily what ordinarly would take an hour or so of hard work used to be the wonder of the neighborhood. It's not so anymore. For any farmer can clean the gutters of a 26-cow dairy barn in approximately one-sixth the time formerly required—if he has an electric barn cleaner.

This time and labor-saving device has been slower to catch on than most, considering that the first homemade cleaners were installed thirty years ago. Some farmers still are making their own equipment from plans supplied by various state Extension Services. Others prefer commercial jobs, several of which have appeared on the market recently. A number of different types are available, but all have the same objective: to remove manure from barn gutters and to load it into the spreader automatically.

Until quite recently, barn cleaners were rather expensive, although operational costs always were low. Tenant farmers, particularly, were somewhat out of luck because most of these devices required permanent installations. They needed something which could be removed and taken along with them in event that they moved to another farm. A determined effort to help such farmers has been made by at least one commercial firm which offers a low-cost unit making use of a steel web belt, which operates on a steel deck in a shallow gutter. The power driven belt carries the manure out of the barn, up a ramp and into the spreader. The belt comes in all sizes to fit any length of barn and width of gutter. This unit can be dismantled and transported easily by truck for installation in other barns.

Another economical unit enables

Steel web belt moves manure out of barn (right) into spreader (top).

farmers to "bulldoze" the manure out of the barn. It consists of a shovel, powered by a cable, which the farmer guides along the gutters to the hopper of the electrically operated loader conveyor.

An improved version of a 1946 experimental model "pull out" cleaner also is on the market. It substitutes a rubber belt in the gutter for the usual chains and scrapers. In operation, the loaded belt is pulled along the bottom of the gutter by a cable to the "wind up" drum outside the barn. Manure is dumped from the belt into a conveyor for delivery to the spreader. The belt then is drawn back into the gutter by cable to an idler puller located in the barn at the far end of the gutter.

LAW on the FARM

Legal Rights in Crops

There is a rule of common law which holds that anything growing on the land is part of the land and is therefore real estate and not personal property. This rule is followed in Illinois and is used to settle many kinds of disputes which arise. For example, if a man sells his farm on which there are growing crops and nothing is said in the contract of sale about who shall get the crops, they go to the purchaser. Or, if a man dies, leaving to his heirs a farm on which there are growing crops, the heirs take the crops along with the farmland.

But there are instances in which the law treats growing crops like personal property, and in which someone other than the owner of the land may be able to assert a stronger claim. Here are some of the instances:

1. When land is rented, the crops belong to the tenant, subject only to the landlord's lien for rent; the tenant has title to the crops until they are harvested or "severed" from the land and the landlord's portion set aside or marked in some way. In line with this view, the Illinois courts have ruled that a landlord cannot sue a railroad for damage to the crops on rented land, but that suit would have to be commenced by the tenant.

2. **THE ILLINOIS** chattel mortgage law makes it legally possible to include crops in such a mortgage, along with livestock, machinery and other personal property — provided the crops can be matured and harvested within a year after the mortgage is executed.

3. By including a reservation to crops in a written contract of sale, a seller may in effect "convert" the crops to personal property which he has a right to take at maturity. Likewise, by a proper instrument in writing, growing crops may be sold to one having no interest in the land. Trees and fruit may be sold and thus "converted" to personal property in the same manner.

Arguments may, and do, arise frequently over rights in growing crops, as between a chattel mortgage and a purchaser, for example. It is not safe to lay down any rule of thumb to determine whose claim is best. When controversy arises, several things become important: Whose claim arose first? Is the claim legal? Was it acquired according to the law providing for it (a chattel mortgage or thresherman's lien, for example)? Is it a statutory claim (the landlord's lien) or a contractual claim (chattel mortgage or real estate mortgage)? It is not always a simple matter to determine how legal rights are distributed in a crop and, if one is involved in such controversy, competent legal help is essential.

Hail soil conservation week on local farms

Illinois farmers were urged by Charles B. Shuman, president of the Illinois agricultural association, to take active part in the work of their local soil conservation district during "Soil Conservation Week," which began Monday.

"Farm owners and operators can give their local district program a boost by taking an acre-by-acre inventory of their farm," Shuman said.

"During this tour of the farm, farmers should take an inventory of all their erosion, drainage and fertility problems," continued Shuman. "The 96 locally-organized soil conservation districts are engaged in an expanding program to promote and establish improved soil management, and it is the job of the individual farmer to help his district by becoming better acquainted with his own conservation problems."

Two counties

Two counties in West Virginia, McDowell and Logan, each produced more than 16 million tons of coal in 1949.

Winter wheat up 36 per cent in Ill., 20 in county

Winter wheat yields have increased considerably more in Illinois than in the country as a whole since 1900.

A new University of Illinois publication says the average acre yield of winter wheat in Illinois jumped 36 per cent from 1900 through 1950. For the whole country the increase was 20 per cent.

This publication, "Winter Wheat Variety Trails, 1900-1950," is written by four crops men in the College of Agriculture.

NATURALLY Illinois' larger yields are due partly to more and better machinery, greater use of fertilizers and the wide use of chemicals to combat diseases, insects and weeds.

But the four men add that not her important reason for these increasing yields has been the improvement of winter wheat varieties through testing and breeding.

An example: The best variety for Illinois in the early 1900's was Turkey. Now, at the Urbana test field, the three recommended varieties are outyielding Turkey by nine bushels an acre — 45 bushels to 36 bushels for Turkey. In addition, the average yield of all varieties is three bushels an acre higher than that of Turkey.

Since Illinois farmers raise 1½ to 2 million acres of winter wheat each year, these seemingly small increases in yield are of tremendous economic importance.

Spittlebug treatment needed now on farms

Farmers troubled with spittlebug on hay crops in 1951 and who intend to treat this year should get started now, says farm adviser Carl F. Mees. Young newly-hatched spittlebugs were found in fields in central Illinois April 16. Treatment with BHC emulsion or lindane can start now before all eggs have hatched. Toxaphene or emulsifiable methoxychlor should not be applied until spittlebug hatch is nearing completion for best results.

Optimum control will be obtained in Northern Illinois if treatment starts April 25 and continue for ten days to two weeks. Limiting factors on treatment are ability of the spray to penetrate into the foliage of the plant and length of time until harvest of the hay crop.

After alfalfa reaches a height of 8 inches, the efficiency of low-pressure equipment decreases rapidly alfalfa growth can be used as a gauge for treatment of red clover. BHC or lindane should be applied no closer to harvest than three weeks, toxaphene three to five weeks, and with methoxychlor emulsion there is no residue hazard involved.

Further information can be obtained from your farm adviser.

Record guernsey

A registered guernsey cow, Colleen's Nan of Riverdale, owned by Robert C. Anderson, Palatine, put 14,201 pounds of milk and 693 pounds of butterfat into the country's bread-basket, according to the official herd improvement registry record released by the American guernsey cattle club. "Nan" a 9 year-old, was milked 365 days.

The sire of "Nan" is St. James Madge's Robert. Eight daughters and one son of this bull are listed in the performance registere of the American guernsey cattle club.

Farms — Acreage — Homes

Jim Brown's dairy farm a tale of common sense, modern methods, ability to learn

Some of you have asked us to write about a dairy farm.

Jim Brown lives in the northeastern Illinois dairy area. He makes his farm pay (some do not). Jim and his son Bill farm 225 acres — 170 owned, 55 rented. They have a herd of 58 Holsteins, including 35 cows and 23 heifers not in milk. Their home is a nice duplex with all modern conveniences. Their wives are good homemakers.

In 1951 with only 22 months of labor (none hired) this father and son produced 382,956 lb. of milk. That was 1,700 lb. per acre. It was enough milk to provide a pint a day to each person in a town of 1,050 people. Their 35 producing cows averaged 10,973 lb. of milk and 378 lb. of butterfat. This was not a record production but, as you will see later, it was a profitable production. The cost was low.

LAST YEAR Jim and Bill produced 17,785 lb. of pork, 3,252 bu. of corn, 1,620 bu. of oats, 843 bu. of wheat, 150 tons of corn and grass silage, and 156 tons of hay. Their 1949-51 crop yields per acre were high: corn, 74 bu.; oats, 74.5 bu.; and hay, more than 4 tons.

This production was obtained on land that rates only 5.5 in a scale of 1 for the best and 10 for the poorest in Illinois. They have miami and Strawn soils with some gravel. A big pile of glaciated stone back of the barn is a reminder of many hours of back-breaking work.

Jim and Bill follow a 6-year rotation on their own land: corn, oats, and 4 years of alfalfa and brome. The rotation on rented land is indefinite. For many years the Browns have been leaders in soil conservation work. Their land has been tested and treated with lime, rock phosphate, and potash. They use 150 lb. of 4-16-16 on corn ground, an occasional light application of 33-0-0 on 40 acres of nontillable pasture, and 25 lb. of 0-20-0 with each load of manure.

THE COWS are pastured on about 40 acres of alfalfa-brome. The pasture is divided, with an electric wire, into 4 areas for rotation grazing. About half of the pasture area is cut early for hay and as the areas are rotated they are clipped.

While the cows are on pasture, they have free access to good hay and eat 5 to 10 lb. a day. Jim says this is a "cracker and soup" combination that helps to prevent bloat. He added that ground feed is fed twice a day in the summer to "call them in."

The Browns feed a 14% dairy ration: 600 lb. of corn and cob meal; 100 lb. of brewers' grain, 200 lb. of oats, 200 lb. of bran, and 100 lb. of linseed meal, along with salt and mineral. This is fed according to production, about 1 lb. to every 4 lb. of milk, when the cows are off pasture. The maximum is 12 lb. per head per day.

WHEN NOT on pasture, the cows are fed silage and concentrates once a day, "first thing in the morning." This saves labor and does not seriously affect production. After milking, the barn is cleaned and the hay mangers are filled for the day. At night the hay that is left is swept back in the mangers.

The Browns have had little trouble with mastitis. They think this is due to maximum use of good-quality roughage and a limited amount of grain and also to fast milking, clean udders (washed before milking) and good bedding. To prevent brucellosis, they practice calfhood vaccination and periodic blood-testing, and dad and son are eyeing the January 1, 1955, deadline for a disease-free herd.

They use artificial insemination and have 4 third-generation artificially bred heifers now. They sell no high-priced breeding or milk stock. Their dairy income is from milk, veals, and cull stock.

THE BARN is the conventional type with stanchions — nothing fancy. But it is equipped with a labor-saving barn cleaner. A manure loader is used to clean out the heifer shed. The cow yard is paved — this saves more of the manure and makes it easy to clean.

In 1951 Jim and Bill raised 89 late spring pigs from 12 sows. The pigs were farrowed in "A" type houses on clean alfalfa-brome pasture. They had plenty of fresh water in 3 fountains connected by pipe and hose from the farmstead — another labor saver. A small flock of sheep help keep down the weeds — more labor saved. They have no poultry.

Other devices and methods used to save labor and boost production include hay bunks just under the mow door, hydraulic jack to raise wagon, grain elevator to elevate hay bales, an electric hay hoist to carry the bales up to the top of the mow, automatic drinking cups in the dairy barns, and automatic electric waterers for hogs and calves.

IN SUMMARY, these things contribute to high returns on this farm:

1. High crop production, particularly of roughage. The land on this farm is adapted to roughage production.
2. Maximum use of good-quality roughage—cheap feed cost.
3. High production of livestock and livestock products at low cost.
4. Healthy livestock-sanitation, vaccination, balanced rations, etc
5. Attention to details.

The Browns are well informed. They have kept and studied records in cooperation with the Extension Service for more than 20 years; they are in the Farm Bureau Farm Management Service; they are ingenious; they know how to "sift the wheat from the chaff" and to put into practice the things that fit their individual needs.

Last but not least, the Browns are good neighbors and good citizens. They are active in community, church, and civic affairs. They and their wives enjoy farm life.

Handy Jim's FIXIN-UP TIPS For Farm and Home

Arched Roof Buildings

SOMETIMES a farmer needs a small building "right away"—a brooder house, hog house, machine shed, milk house or some other shelter.

That's where the sectionally-built structure helps out, as it need only be bolted together. In many parts of the United States, lumber dealers have started making such buildings because they can in that way better serve their farmer customers.

Buildings like the arched roof one illustrated are covered with Masonite tempered hardboard panels, which farmers have found to be especially weather and wear-proof for numerous installations. Farm experts point out several advantages to this design:

1. There is more floor space, due to absence of posts.
2. The building is available in various lengths and widths.
3. It may be moved from one location to another without being damaged, because the hardboard panels make it rigid.
4. High winds and storms do not affect it, since the arched roof has no place for the gale to "take hold."
5. There is ample head room.

Milk concentrate Iowa favorite

A new milk concentrate giving whole milk, whipping and coffee cream all in one package has been announced by Iowa State college.

The new process of concentrating milk was developed by W. S. Rosenberger, dairy industry division, reports Capper's Farmer.

Steps in producing the concentrate listed in the nationally-circulated farm magazine are: 1—Adjust milk to 3.5 percent fat; 2—add vitamin D; 3—pasteurize; 4—homogenize; 5—condense to a third of original volume at vacuum-pan temperature of 125 to 135 degrees F.; 6—repasteurize at 180 degrees for 16 seconds; 7—cool and bottle.

"THE CONCENTRATED milk saves refrigerator space," continues the article. "It will keep up to 2 weeks at ordinary refrigerated storage. Farm housewives early reported that the concentrate made an acceptable whipping cream, and when diluted with equal parts of water made a good coffee cream.

"When the product is reconstituted it has the taste of fresh, homogenized milk. There is no "cooked taste" and all off-flavors are removed.

"WE EVEN PROCESSED milk with a decided grassy flavor," Rosenberger said. "None of the panel that tested it could detect any grassiness. That, and all other 'feed' flavors are removed by the second pasteurization. The concentrate has a soft curd and is easier to digest than homogenized raw whole milk."

Mothers pour a glass a third full of the concentrate then finish filling with strawberry or grape pop. Junior gulps it down and asks for more. That solves the problem of getting him to consume enough calcium and vitamins.

California Industry

Oil is California's biggest industry, but much natural gas is also produced.

Milk fever may strike your best cows

It's your high-producing cows that are most likely to have trouble with milk fever at calving time this spring.

Dr. L. R. Bain, in the University of Illinois College of Veterinary Medicine, says prompt treatment by your veterinarian is very important, because untreated cows usually die. Although cows may be seriously sick, they respond quickly to treatment by veterinarians and often are on their feet and eating within a short time.

Cows with milk fever usually are nervous, wobbly and unwilling to move. Partial or complete paralysis and unconsciousness often develop rapidly. Cows usually draw their head to one side.

MILK FEVER occurs most often in cows that have had two or more calves. Most cases occur between the 12th hour and third day after calving.

Don't try to give the cow a drench or any other form of liquid medicine, because her throat may be paralyzed. This might cause the medicine to go into her lungs and cause pneumonia. Instead, prop her with bales of hay so that she will not lie on her side.

Dr. Bain says there is no sure way to prevent milk fever. Adequate and well-balanced rations may help, but it's useless to increase the minerals. At least a six-week dry period and incomplete milking for 72 hours after calving are also recommended.

Lessons In . . . . English

Words often misused

Do not say, "She fell down off of the ladder." Omit down and of. Say, "She fell off the ladder."

The verb "transpire" should be used in the sense of "happen." "Transpire" means to come to light, to become known. Thus: "The news of the battle did not transpire until several weeks after it had been fought."

Do not say, "She was very delighted to see him." Say, "She was very much delighted."

Do not say, "I can't hardly hear the speaker." Say, "I can hardly hear the speaker."

Do not say, "His voice is different than what it used to be." Say, "is different from what it used to be."

Do not say, "He's the one who we want." Say, "whom we want."

Words often mispronounced

Dolorous. In the preferred pronunciation, the first syllable is pronounced as doll; accent first syllable.

Cerement. Pronounce ser-ment, first e as in see, accent first syllable.

Menage (a household). Pronounce ma-nazh, first a as in may unstressed, second a as in ah, accent second syllable.

Infamous. Accent is on first syllable, not the second.

Delete. Pronounce de-let, both e's as in me (first e unstressed).

Positively. Accent first syllable, and not the third, so often heard.

Words often misspelled

Cheddar (cheese); observe the ar. Withhold; observe the two h's. Engineer, eer; atmosphere, ere. Porte-cochere; observe the first e. Auger (carpenter's boring tool); augur (to predict). Accompany; accompaniment.

Word study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Finite; subject to creature limitations. (Pronounce both i's as in lie, accent first syllable). "Man's finite mind is unable to probe these mysteries."

Chiromancy; divination by examination of the hand; palmistry. (Pronounce ki-ro-man-si, first i as in kite, o as in no unstressed, second a as in man, accent first syllable). "Through chiromancy, the palmist claimed to reveal the past and foretell the future."

Venerable; capable of being regarded with admiration and deference; generally applying an advanced age. "The venerable schoolmaster retired at the age of 65."

Surfeit; excess; over-abundant supply. (Pronounce sur-fit). "More people die of surfeits than of hunger."

Ostracism; exclusion by general consent from common privileges, as favor, etc.; "social ostracism." (Pronounce os-tra-siz'm, o as in on, accent first syllable).

Momentary; continuing only a moment. "Anger can be momentary madness."

Joins guernsey club

The American Guernsey Cattle club announces the election of Charles J. Beranek, Merrihill farm, Palatine, to membership. He has a herd of registered Guernsey cows on his farm.

The American guernsey cattle club is a national organization of more than 50,000 breeders of purebred guernseys. It records the registration of purebred guernseys which trace to the island of Guernsey, the original home of the breed, in the English channel. It also supervises tests of production and supervises marketing of golden guernsey milk.

Government corn bins misleading, says Bormet

Don't be misled by the sight of government-owned corn bins in Illinois corn country, Carl M. Bormet, chairman of the Cook county agricultural mobilization committee, warned. "Over the state as a whole, half the bins have no corn in them at all. Those which do contain corn are in the areas which produce a surplus of corn every year and have not had to draw on the reserve supplies so far. But there is every reason for a farmer to plant all the corn he can fit into his cropping system."

Mr. Bormet, a farmer, explained that the 50 million or so bushels of corn owned by the government and stored in Illinois, constitutes a reserve not alone for Illinois feeders, but for the corn users in other areas. "The 1951 corn crop was not only short in volume, about 300 million bushels below the estimated rate of consumption this year, but in some other areas it was low in feeding value per bushel, and much of it was high in moisture so it won't keep in warm weather. When warm weather comes, we expect corn users to be banging on the doors of the government bins, wanting to buy corn. And we'll sell it, of course, to anyone who needs it and is willing to pay the price required by law. The Cook county price is $1.60 per bushel."

Truck gardeners, farmers spring dance Saturday

Journal of a Bird WatcheR

by F. J. FREEMAN

Westward Ho, the Freemans!

After some years of thinking about it, the family finally got itself organized last summer and started out for the west. Outside of the usual reasons people have four touring, we were particularly interested in observing the birds and flowers and expected to camp out quite a bit. Mary, John and Peter were just interested in the travelling.

Our camping equipment, plus our citified clothes packed on and in the car and ourselves squeezed in gave it a droop in the rear from which it never recovered. The first day's drive was a "shakedown cruise" in which luggage and nerves took a beating. We were glad to pull in early at Meramec State Park not too far west of St. Louis and put up in housekeeping cabins in the park.

As we had never been in a cave before we took time off before supper to visit Fisher Cave. We arrived about closing time and had the undivided attention of the three hill-billy guides who were about eleven years old. The cave as such did not amount to much. It displayed the usual formations with the usual cute names, — Organ Pipe, Candy Mountain, Old Maid's Wishing Chair. When we came to the Wishing Well with a few pennies and nickles resting on the bottom, our guides found themselves unable to tear away from such an enchanting spot. They were delighted, and we were probably saved from turning into stalagmites, by our tossing a small coin into the shallow pool. After this fortunate bit of expenditure we took up our tour and returned to the light of day.

The next day we drove from there to Ponca City. The drive through the Ozarks was beautiful but the type of scenery was familar. We were interested to observe the abundance of Purple Coneflower and light blue Delphinium growing wild in the roadside ditches.

It was not until we entered the northeastern corner of Oklahoma that we encountered scenery new to us. Here in the Osage Hills were vast, green, rolling pasturelands with herds of beef cattle and oil derricks scattered over the landscape. We passed through the very prosperous town of Bartlesville, the home of the Phillips Petroleum and Continental Oil Companies. Here all the filling stations were superdupers.

At Ponca City we stopped over a few days with relatives. They own their own home which includes homesteaders rights. That means no taxes. A quaint custom! We did some birding around town and saw one of the most beautiful and spectacular birds of our trip, the Scissor-tailed Flycatcher. This flycatcher is about fifteen inches long and over half the length is a long narrow forked tail which snaps shut upon the bird alighting. It was easy to observe as it perched along the roadside sometimes in small flocks of three or four.

Driving west from Ponca City we came to the Cimarron River. The character of the country had been changing. Here was only grazing lands dotted with brush and cut with red draws. Tributary streambeds were marked with dry washes. Buttes appeared in the distance. The Cimarron itself meandered among red mud flats between red bluffs while in the bottom lands Tamarisk trees bloomed in lavender colored sprays.

Along the roadside the prairie flowers were massed in vivid bloom on the red soil. Gaillardia covered acres of the prairie; then there were large patches of the deep red Poppy-mallow, white Primroses, yellow Primroses, blue Phacelia and lavender Horsemint.

At this spot it did not take much imagination to feel you were on the Great Plains of the old West. No tree nor home broke the horizon; vultures soared on high, and in the mind's eye one could visualize the herds of buffalo and antelope which once dotted the plains.

A little further on we stopped at the town of Buffalo for lunch and thought that sure enough we were in a real honest-to-goodness cow town. The main street lay straight, treeless and dusty under the hot sun. No tourists or dudes were in sight. The men wore cowboy boots and hats for work and not for show. Two of them toted sidearms. The restaurant was decorated with a saddle, bison head, buffalo gun and a display of old Remington prints.

After leaving Buffalo and heading into the panhandle of Oklahoma, we reverted back to the oil-cattle-wheat complex. Never again in our six weeks of travelling did we see a town that had as much of the authentic flavor of the old West as Buffalo had.

Opines parking meter ads illegal

Legality of placing advertisements on parking meters was brought into doubt by Libertyville village attorney Willis Overholser.

Overholser told the trustees if the meter ads were to be brought before the Illinois Supreme court they would probably be declared illegal.

According to a decision, a city has no right to turn over public streets and sidewalks to a private individual for advertising purposes. Overholser said the same reasoning would apply to parking meters.

Largest refinery

Europe's largest oil refinery was opened at Fawley, Eng., in 1951.

Circus opens at Stadium

In the midst of the traditional clowns, animal menagerie, and high flying wire acts, the Cole Brothers circus opened Saturday afternoon at the Chicago Stadium.

The show, to run through Sunday, May 4, presents a completely new galaxy of stars.

Professor George T. Keller, a former university professor, thrills young and old with his wild act. Prof. Keller enters the cage with ten assorted wild beasts, representing seven parts of the cat world, and makes them obey without the use of any kind of weapon. He has a leopard, two mountain lions, two African lions, a tiger, a puma, a jaguar, a cheetah and a black panther. To many, it's the top thrill of the show.

ELLY ARDELTY, with her vivaciousness and daring gets the nod from many other fans. Her high trapeze ballet is climaxed when she picks up a handkerchief with her teeth while breezing through space nearly 100 feet up.

Unus, one of the great acts of circusdom, takes over in the center ring in the middle of the second session. His index finger stand is a feat that defies fans and medical science alike. He balances himself atop a lighted globe many feet in the air and stands on only his index finger.

Natal, the monkey man, gets several roars from the crowd by his fly-like tactics of walking up and down the walls of the world's largest arena.

Pallenberg's bears, the only act returning from last year's show, continues to thrill everyone. How Emil Pallenberg was able to train these Siberian beasts to ride motorcycles, kiddy cars, and other vehicles and to dance and cavort like humans is something that will always be subject for wonderment.

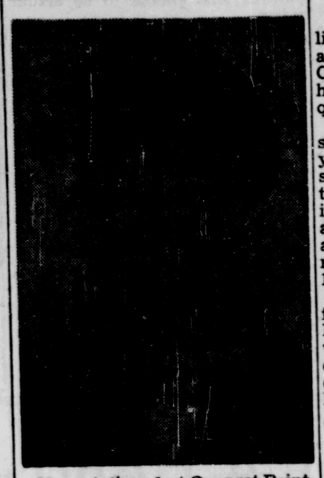
With Uncle Sam

In Rhode Island



Now stationed at Quonset Point, Rhode Island, is Ralph Becker, son of Mr. and Mrs. Herman Becker of Arlington Heights. His address is: Ralph Becker, Fasron 101, Quonset Point, Rhode Island.

In Korea

Corporal R. E. Camm, son of Mr. and Mrs. Earl Camm of Wheeling, who is with the 1st Marine division in Korea in a letter written April 16 from Buysyung, Korea says:

"Say how did you like that stuff about the army losing the Punch Bowl? Isn't that a laugh? The minute the marines pull out, and the doggies take over, they lose the place."

"And after all the work we did on those roads up there in the Punch Bowl. Boy, the army ought to hang their heads in shame a long time for that stunt. I wonder if they'll put us back up there to take it over again? I hope not, but I sure wouldn't doubt it. Would you?"

Also enclosed in the correspondence to his parents was a letter from Major General W. B. Palmer of the tenth army corps to Major John Selden of the marine corps.

The letter outlined the history of the Tenth corps participation in the Korean war beginning with the assault landing at Inchon on September 15, 1950.

General Palmer, after commenting on the historic withdrawal from the Chosen reservoir through Hungnam, made particular reference to the marines' capture of the "Punchbowl" an June, 1951, and the subsequent defense of this position for 200 days.

General Palmer said:

"No professional soldier could ask a higher honor than has been mine in having your magnificent division in my Corps. I am much indebted to you, sir, for the finest of team work, understanding and anticipation in our every undertaking. Your leadership and example, and that of your distinguished predecessor, have been reflected in your division. It has come through 'a tedious and arduous winter an even stronger division than when the winter began."

In a second enclosed letter to members of the division from their commander, General Selden said:

"I am sure that the period during which this division was attached to the Tenth corps, Eighth Army, in Korea, will be recorded in 1st Marine division history as a time of conspicuous harmony and success."

In Japan

Pvt. Robert E. Kuhlman, son of Mr. and Mrs. Arthur Kuhlman, Route 1, Bensenville, recently graduated from the far east command chemical school at Camp Gifu, Japan.

Before his present assignment, Kuhlman was stationed at Fort Leonard Wood, Mo.

He formerly attended Elk Grove school.

In Kansas

A/3c Richard Becker, son of Mr. and Mrs. Herman Becker of Arlington Heights is stationed in Salina, Kansas. His address is: A/3c Richard Becker, 4108th AB Sqdn., Smoky Hill AFB, Salina, Kansas.

In North Carolina

WOJG William Angeloff of Arlington Heights, a recent graduate of the food advisors course at Camp Lee, Virginia, has assumed his duties as mess officer of headquarters company, Abn. Corps.

Angeloff has served as a food service instructor for over five years. With 13 years of army service behind him, most of that time in food service work, he was in Europe during World War II as a member of the 184th anti-aircraft artillery battalion. He received his warrant in October 1951.

Angeloff is married to the former Margaret Hall of Wood Dale, and they have a son, Edward Allen, who is five years old. They reside at 244 Irwin drive, Wherry Housing project, Fort Bragg, N. C.

To Korea

Pfc. Fred E. Haemker, son of Mrs. Fred Haemker, Palatine, is now enroute to Korea. His new address is: Pfc. Fred E. Haemker, U. S. 55195374, 25 Repl. Co., 25th Inf. Div., APO % Postmaster, San Francisco, California

In Mississippi

A/3 Roger J. Bumgarner, son of Mrs. Margit Bumgarner of Arlington Heights, is now stationed at Keesler AFB, Mississippi. Roger enlisted in the air force in November, 1951, and took his basic training at Sheppard AFB, Wichita Falls, Texas.

He is now undergoing control tower training at Keesler. His address is: A/3 Roger J. Bumgarner, AF 16393289, 3396th Student Sqd., Box 593, Keesler AFB, Mississippi.

In Washington

Herman Thies, jr., son of Mr. and Mrs. Herman Thies of Arlington Heights is home spending a three week furlough, after which he will report to Seattle, Washington, for reassignment.

In Georgia

Pfc. William Glass, son of Mr. and Mrs. John C. Glass, left Wednesday, April 23, after a 23-day furlough, to report for duty at Ft. Benning, Georgia. He was previously stationed at San Diego, California. He is in the marine corps.

His brother, Sgt. John Glass of the army air force, who is now in Brodeaux, France, expects to be home the latter part of May.

Cross-country hop

The first successful automobile trip from San Francisco to New York was made in 1903.

Campus Capers

Wins navy scholarship

Donald W. Kroeber, senior at Arlington Heights high school, has been awarded an NROTC scholarship for the next five years at Northwestern university. The scholarship will include tuition, books and miscellaneous fees, and $600 a year for room and board. It is part of the navy's officers' training program which has been handicapped by the limited facilities of Annapolis.

Don will major in chemical engineering. He will participate in an 8 week training cruise every summer and will be commissioned as an ensign upon graduation.

He is the son of Mr. and Mrs. Walter Kroeber, 730 N. Chestnut, Arlington Heights.

At Florida Southern

Two hundred and three students were cited for honor academic ratings at Florida Southern college at the annual scholarship recognition service in the Annie Pfeiffer chapel on the Frank Lloyd Wright campus Wednesday night. Included is Carl M. Teutsch, 912 N. Dunton ave., Arlington Heights.

At Iowa State

Robert Cowen, son of Mr. and Mrs. Ira A. Cowen, 505 Mayfair road, Arlington Heights, was recently elected treasurer of Delta Upsilon social fraternity at Iowa State college. Bob is a junior in the Department of Physics.

At Valparaiso

Valparaiso university honored 169 students for scholastic achievement, based on last semester's grades, in a recent honors convocation. Valparaiso, America's largest Lutheran university, has an enrollment of 1,594.

A straight A student earns a 3.0 average; a straight B student a 2.0 average; etc. Freshman honor students must have a 2.0 average or better. Sophomore scholars must have a 2.3 or better. Junior and Law I and II scholars must have 2.4 and up. Senior and Law III scholars must average 2.5 or better.

Among the honored students were Anita Glabe, daughter of Mr. and Mrs. H. A. Glabe, 6 So. William st.; Norinne Lams, daughter of Professor and Mrs. Theodore Lams, 117 South William st.; and Nancy Leue, daughter of Mr. and Mrs. B. A. Leue, 406 Lonnquist, Mt. Prospect.

Misses Glabe and Lams are freshmen at Valparaiso and Miss Leue is a sophomore Miss Glabe earned a 2.38 average, Miss Lams earned a 2.06 average and Miss Leue earned a 2.56 average. All three are graduates of Arlington Heights township high school.

About your health

People eat three meals a day without being aware of the complicated process which the body must assume to accomplish digestion of food. Yet the whole process is one of the most interesting and most important in the entire function of the body.

Digestion is necessary in the body to break down foods to small particles which can be transported by the blood stream throughout the body. The food particles, in turn, must be carried to various organs such as the brain and muscles for growth, repair work or energy.

THE DIGESTIVE tract, or alimentary canal, consists of the mouth, the pharynx, esophagus, stomach, small and large intestines. In the normal function of the body, various digestive glands pour their secretions into this tract or canal. When food is placed in the mouth, it comes in contact with saliva which is the first of the many digestive juices that are produced as the food travels down the alimentary canal. The tiny glands in the wall of the stomach start to secrete juice at the sight, taste or thought of food. About three quarts of juice are formed daily by over five million tiny glands in the stomach lining.

In the saliva are substances called ferments which break down starch into sugar. The juice of the stomach contains pepsin and hydrochloric acid which act on proteins, such as lean meat and similar chemical substances. The acid of the stomach juice also aids in the absorption of iron and calcium from the upper intestine. The digestive juices contain mucus, which is very important for lubrication and protection of the walls of the digestive canal against irritation from rough foods or other substances.

BETWEEN various portions of the digestive canal are strong circular bands of muscle, called sphincters. These are able to close off completely the flow of food through the canal, thus enabling that portion of the canal to mix thoroughly its juices with the food and to allow these juices to act on the food for a sufficient length of time before it is passed on to the next section of the canal.

Below the stomach the alimentary canal is called the small intestine. Here the food comes in contact with bile, pancreatic juice and the intestinal juice. The bile, which helps to digest fats, is formed in the liver, and stored and concentrated in the gallbladder. By the contraction and relaxation of the small intestine, the digested material is moved along. During this process the walls of the intestine absorb the digested food substances. Then they are carried by the blood and lymph vessels to the general circulation and to all organs and tissues of the body where they are either used or stored for future use.

THE LAST FIVE feet of the bowel, called the colon or large intestine, is the drying portion of the bowel, absorbing the remaining nutritious material and water. The indigestible residue remains in the large intestine about 24 to 30 hours before it is evacuated from the body, while the water is absorbed and returned to the blood stream.

HATS DESIGNED for spring are small and right for new shorter hair-dos. Above she wears a pillbox that combines narrow yellow and smoke straw braid in a striking pattern. The shallow edge of the crown is banded with deep gray grosgrain and a platter button.

New Rotor to thrill patrons at Riverview

The most spectacular amusement park feature to be imported from Europe since the ferris wheel will make its American debut at Riverview park, Western and Belmont avenues, Chicago, May 14. The new ride is the "Rotor," invented in England.

Housed in a 60-foot structure of tubular steel, timer and canvas shaped like a small gas-holder, the Rotor is both a spectacular ride and an outstanding spectator attraction. It is a huge vertical drum that rotates at high speed, "plastering" its 20-odd passengers to the wall by centrifugal force.

When the drum has reached maximum speed, the floor of the Rotor is lowered, leaving the riders transfixed on the sides of the drum. After a brief period of high-speed spinning, the floor is elevated to its normal position and the Rotor slows to a stop with the passengers again standing on the floor.

Terraced galleries around the drum will accommodate approximately 400 spectators at a time, to observe the antics of those patrons who choose to be actual riders.

Modern Etiquette

Q. When do you say, "I beg your pardon," and when "Excuse me," and when are you "Sorry?"

A. You say "I beg your pardon" after any real awkwardness, such as tripping over anyone's feet. But when merely passing in front of someone, you say "Excuse me." For a slight awkwardness, such as unintentionally blocking someone's passage, you say, "I'm sorry."

Q. Should wedding invitations be sent to friends of the bridegroom, who are unknown to the bride?

A. Yes; invitations should be sent to them even though the bride doesn't know them.

Q. Is it all right for a girl to wear mourning for her fiance?

A. If she wishes to do so, it is perfectly proper.

Q. I have heard it is good form always to leave a little food on the plate, rather than to "polish" it off. Is this correct?

A. No; one should always try to eat all the food that has been taken on the plate. And he can do this without "polishing" or scraping his plate, which is just as bad form as leaving food on it.

Q. What is the correct way to answer a formal invitation to a wedding reception or breakfast?

A. On the first page of note paper, and although it is written by hand, the spacing of the words should be the same as though they were engraved, and it must be in the third person.

Q. Should a young person offer a hand when being introduced to an elderly woman?

A. Not unless the elderly woman offers her hand first.

Q. Does a man's social calling card have the title "Mr." engraved on it?

A. Yes. And if the card is to be faultlessly correct, a given name, and not just the initials, must be engraved on it—as, "Mr. Robert Lee Hunter," or "Mr. R. Lee Hunter."

Q. Someone has just told me it is improper to send a man patient at a hospital flowers. Is this correct?

A. Illness is the one occasion when flowers—and especially a plant—are in good taste to send a man. A hospital room without flowers is a very cheerless place.

Q. Is it customary for a bride to buy a present for the bridegroom on their wedding day?

A. Yes; she should give him some gift for his personal use.

Q. If one is writing a letter to a girl of 12 or 14, should one address it merely to "Mary Johnson?"

A. No; the prefix "Miss" should be used even for a young girl.

NU to elect 'president'

Students at Northwestern University will nominate their choice for next president of the U. S. during a mock political convention to be held on the Evanston campus April 25 and 26.

A total of 966 delegates, apportioned according to "population" of sororities, fraternities and other campus organizations, will meet in Patten gymnasium and follow the standard rules and regulations of proceedings on the convention floor.

MAKE IT A HABIT --- SAVE REGULARLY!

Good saving habits mean the difference between just "existing" and real living enjoyment. It's a nice feeling to have money on hand when you need it . . . For emergencies or opportunities. Even small amounts, added to your account each week, month or pay day, add up fast when you save regularly. Our liberal earnings added twice yearly make your savings grow even faster.

Wieboldt's

ARLINGTON, MOOSEHEART TO DEFEND RELAYS SATURDAY

Next Tuesday, April 29, the Northwest conference opens its abbreviated six game baseball schedule. Wauconda is not playing baseball this spring, leaving seven to fight it out for diamond honors. Anything can happen in a short season and the teams with veteran pitchers definitely have the edge. The way it looks to us Bensenville should finish on top with Karrigan and Merholtz the battery that won't be beaten. Barrington, champ the past three seasons, has a veteran team in most respects with only Osinski, Andrae and Beckhart missing. However, Osinski was the best hurler in the league for two seasons and Andrae was a .400 hitter. We figure the Bronchos for second though the list of Whitmer, Iverson, Schwemm, Aspinwall, Hohfelder, Prochaska, Gerlach, and McGowan, returning lettermen, will be hard to keep from repeating.

The way it looks to us Ela-Vernon and Palatine will battle it out for third. Ela has a fine veteran battery of Obenhauf and Wesner. Palatine has a veteran team at nearly all positions and with good pitching might go all the way. The pitching is the big question. The Pirates have in Schrage who pitches and plays third, one of the best all 'round ball players in the loop who hit over .400 in both spring and summer seasons a year ago. Dick Abrahamson, also a junior, is a power hitter. Don Zoellick is a steady man behind the plate. We pick the Pirates for third.

Grant, Antioch, Northbrook toss up for last three spots

Antioch is our pick for fifth on the basis of their being in the summer league last year and a returning battery of Lubkeman and Rentner. Bob Weber, an infielder, is the only other returning veteran, however. Grant looks like the sixth in the list. The Bulldogs coached by Paul Lewis have a fine combination around the keystone bag in Stu Koutny at short and Don Mehrstein at second and a veteran catcher in Roger Smith but the pitching and outfield will be manned by inexperienced boys. Northbrook may finish last due to weak pitching and hitting though the finish of Grant, Antioch and Northbrook is a toss-up.

Bisons at Palatine next Friday, May 2

Tuesday the schedule calls for Bensenville at Grant, Northbrook at Barrington and Ela at Antioch. We pick Bensenville, Barrington and Ela to win. Next week Thursday Antioch will be the underdog at Barrington, and on Friday Bensenville travels to Palatine and Northbrook will be at Ela. Umpires selected for the conference are Al Grosche, John Griggs, Joe Buksas, and Phil Skoff of Waukegan, Jobbie Eiserman of Lake Bluff and Jack Stickels of Grayslake. The complete schedule is shown on this page.

Out of bounds in golf brings added penalty with rule change

There are a couple of rules changes in spring sports quite important to prep players. In golf this year the out-of-bounds rule is changed and will have added penalties for the slicer or hooker who has trouble keeping his ball inside the playing course. Formerly the ball hit out of bounds was only loss of distance. For example, if the player hit his ball off the tee over the boundary fence he just shot another ball from the same spot and it was stroke number two. Under the new rule he shoots another ball from the same spot and it is his third stroke. This makes an out of bounds shot carry a heavier penalty than shooting one into a water hazard.

Increase chances of qualifying for state meet

In track this year in Illinois district meets and the state meet there are important changes. This year a boy who runs the 440 or 880 may compete in another event while formerly he was restricted to only a single event if it was one of these two. Also in the district the use of qualifying times will be extended to all events.

In addition to the first and second in each event qualifying for the state meet the boys in every event who meet a certain speed, distance, or height standard will qualify. This was used formerly in some events but this year will be extended to include all events, even the dashes and hurdles. This makes it possible for more boys to go to the state meet from such powerful districts as those centered at Evanston on the North Shore and Oak Park or Proviso in the big west side suburbs.

Arlington optimistic on eve of relays meet

Asked what Arlington's chances were in the Palatine Relays Saturday, Coach Russ Attis commented, "You can quote me that we will win it again." We are glad to hear that Arlington thinks they can win the meet. We will say the Cardinals of late years have shown a wonderful spirit and have really primed for this big yearly meet. A few boys coming through for the best they have ever shown is what it takes to win the meet. A big delegation of Arlington folks are expected to be on hand to cheer the Cards in their efforts to make it three straight.

Looks like Northwest below par in baseball

Going up to the start of the Northwest baseball schedule openers no team in the league has beaten anyone outside the circuit. Ela has dropped two to Grayslake and Barrington's champs have been beaten easily by Highland Park and Elgin. Palatine has been beaten by Woodstock and Libertyville. Looks like the caliber of baseball in the conference is below par.

Bob Baker may pitch

After splitting with Illinois Normal last week, Northern Illinois State's Huskies will play a double header with Western Friday in DeKalb.

The Leathernecks were defeated twice at Eastern last Friday, 3-0 and 5-4.

Champions of the interstate intercollegiate athletic conference the past two years, Northern will now have to overtake Southern Illinois university and Eastern Illinois, both double winners on opening day last week.

Bob Baker of Arlington Hts., one of six twirlers, has pitched three innings for Northern, allowed one earned run, three hits, struck out two and walked three.

Release roster for Arlington frosh-soph nine

Squad positions for the Arlington Heights high school frosh-soph baseball team are fairly certain with the exception of the outfield, it was learned this week in a discussion with yearling mentor "Bus" Ormsbee.

The frosh-sophs haven't had too much practice to date, with Ormsbee alternating sessions with them and the freshmen. First game for the two-year men is set for May 6 at Maine. The frosh open at Leyden April 30.

AT FIRST BASE it appears Roger Thomas is a cinch, with Ken Lemke holding down second. At short fans will find Dick Amann with Ted Bakalar at the hot corner. Behind the plate two boys, Charles Verret and Herb Ward, will alternate.

In the outfield "Bus" considers five boys still in the running for positions. They include Bob Dotts, Dave Ryden, Don Hoth, Jack Sieburg and Lowell Bjornseth.

ON THE MOUND are four youngsters, each with his own problems. Mike Shanklin throws hard but tends toward wildness. Wayne Brumm has good control but lacks power. Ed Linneman has bad form to date, but if he improves could be a good boy. Fourth man is Bob Butler.

LaGrange runs over Arlington

Arlington Heights high school's trackmen played the part of hosts perfectly Tuesday insofar as LaGrange was concerned. The visitors thumped the Cardinal varsity, 84 to 33, and took the measure of the frosh-soph team, 66 and a third to 37 and two-thirds.

Winterbauer paced the Heights varsity by winning the shot put and placing second in the discus. Leckband took the pole vault while Krause wound up third in both the discus and shot put.

Other points for the team were scored as follows: high hurdles—Kent, second; 100—Barkhausen, third; 440—Albright, second, and Barr, third; low hurdles—Borgardt, third; 880—Klink, third; high jump—Whitelold and McAuliffe, tied for third; broad jump—Mitch, second, and Grimm, third, and pole vault — J. Theis, third.

HEIGHTS' victories in the frosh-soph meet were posted by Ellis, who won both the high hurdles and quarter mile, and Michalski in the pole vault. Burns and Brandt finished in a three way tie for first with Populorn of LaGrange in the high jump.

Other Cardinal frosh-soph point-getters were: high hurdles—Glueckert, second; 100—Malcomson, third; low hurdles—Glueckert, second; half mile—Ellis, third; 220—Malcomson, third; broad jump — Mueller, third; shot put—Mueller, second; discus—Brant, third, and pole vault—J. Theis and Pritchard, tied for second.

Eleven Bisons to run at Palatine

Eleven Bensenville track boys have been named by Coach J. C. Trapp to carry their school's colors in the 20th annual Palatine Relays this Saturday. BCHS is slated to be one of the some 25 schools competing in the class "B" division.

Heading the Bison group is George Egly, the only returning varsity letter winner. Others in the contingent are: Arthur Jolie, Pedro and Gil Cuatrecasas, Wesley Poor, Fred Kauffman, William Long, Claude Vondruska, Chester Koop, Robert Bedgood and William Grothman.

The boys are entered as follows: 100 — Egly, Poor; mile — Jolie, Kauffman; 440 — P. Cuatrecasas, Poor, Kauffman, Long, Vondruska, Koop; 880 — Egly, G. Cuatrecasas, Kauffman, Bedgood, Grothman; high jump — Egly; broad jump — Egly, and pole vault — P. Cuatrecasas.

Pearsons win final game to cop title in Parkway bowling

The pressure was on in the final game of the season of the Parkway bowling league rolling at Hi-Way Recreation, Palatine, Tuesday night when Pearsons took the season championship. The winners and Blizeks were tied going into the final night.

Both teams lost their first game, then won their second. In the final contest of league play Blizeks bowed by 90 sticks while Pearsons came through with a 40 pin margin for the five trophies.

The league will hold a sweepper next week, then dine at Hapsburg Inn Tuesday night, May 6.

Robinson's sugar

The gross gate of $255,458 for the Sugar Robinson-Rocky Graziano fight at the Chicago Stadium last week was the second largest indoor figure of all time. The net figure was $195,789.75. Robinson's end of the purse, 30 per cent, after city taxes and ring expenses, amounted to $56,631.25. Graziano's cut of 25 per cent was $47,192.71. In addition the two fighters received the same percentage of the $80,000 television-radio receipts.

One of the few bright spots in the dismal start of the Arlington Heights high school baseball team has been the performance of number one twirler, Bob Simmons, pictured at the left. Bob came through in good fashion in two games last week, though both were lost to Downers Grove and LaGrange. Number two pitcher for Coach Wally Grace is Tom Meyer, at the right, while in between is backstopper Jim Intravartolo. Folkman photo

Karrigan on mound Tuesday as Bensenville nine opens at Grant

Bensenville's highly rated baseball team is slated to make its 1952 league debut at Grant Tuesday. The Bisons are expected to field the most experienced nine in the Northwest conference since 11 lettermen are returning from last year's squad.

The BCHS starting lineup for the opener is still far from being set, it is reported, despite the fact that drills have been proceeding for the past several weeks. "We were scheduled to play several practice games," Coach Tom Meneguin explains, "but each was rained out and so I have yet to see what some of the boys can do against real competition."

JIM KARRIGAN appears to have the top pitching spot cinched while Marlyn Merholtz is again ranked as the best bet for catcher. Others being counted on to share mound duties include Ken Wilke, Howard Petersen and Joe Jankers.

Wilke and Lester Biefeld have been named as the regulars for shortstop and third base respectively, but winners of the other infield positions are not yet known, reports Coach Meneguin. Joe Kratochvil is getting some strong competition for first base from Dave Sloan and Petersen while second is up for grabs between Dale Shymkewich and Jankers.

Shymkewich may also get some outfield duty with three others, Gordon Koster, Don Tuckscherer and John Griffone. Meneguin is also high on several freshman candidates who rate outside chances of making the varsity.

Sixty-six enrolled for free Paddock golf school in May

Sixty-six women and high school students have already enrolled for Paddock Publications' free golf school to be held four weeks at Arlington country club starting Tuesday night, May 6. The club is located on Dundee rd., east of Arlington Heights rd.

Those 66 golfers anxious to learn more about the game will be instructed by Dan Taggart, a pro since he was 13, in four successive sessions with Tuesday nights slated for the ladies and Thursday evening sessions, starting at 7 p.m., for high school students.

DAN TAGGART has been around golf courses since 1923, when he broke into pro ranks at Big Oaks club, 6600 Lawrence ave., just outside Chicago. In 1927 Dan helped open Mohawk country club, Bensenville, often recalling his days of helping change the Franzen farm to a golf course.

He remained officially at Big Oaks, however, until 1931 when he moved to Mid-City club at Western ave., next to Riverview, at what is now billed the "smallest 18-hole course in the world."

THE 5300 YARD, par 63 course, lost much of its original size when Lane technical high school took over part of the property. Taggart left this course in 1936 and moved to West Moreland country club on Glenview rd., where he stayed until 1941.

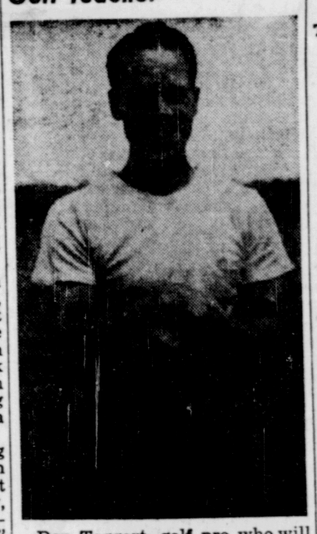
The government called Taggart at that time to operate a laundry for servicemen in the Chicago area, a job he held through '48 until he got back into harness at Naperville country club. The end of 1949 Dan took over deserted Arlington country club and has been getting the course in shape since.

REGISTRATION is free for the Paddock golf classes, with ladies and high school students wishing to enroll asked only to send in the blank on the second sport page to give promoters an idea of attendance.

Special inducement of 50-cent morning rounds while the classes are in session has been offered to all enrolling. This will include Mondays through Fridays, prior to 11 a.m.

Taggart helped Frank Walsh start the Chicago golf school at Mid-City country club in 1932 for a Chicago daily newspaper, later taken over by the Chicago park district.

Golf teacher



Dan Taggart, golf pro who will be instructing ladies and high school students in some of the secrets of good golf in Paddock Publications' free golf school, smiling, awaits his students.

Bomar to roll at Wheeling

Buddy Bomar of Chicago, former national match game singles and team titleholder and twice winner of the national doubles crown, will show fans the kind of bowling that has led him to numerous championships when he makes a personal appearance Sunday, April 27, at Wheeling Recreation.

Only 35, Buddy has garnered more titles than most star bowlers collect in a lifetime. He has been consistently at the top of the bowling heap the past ten years, and seems to be improving with age. Recently he notched his fifty-fourth 300 game.

THE TRANSPLANTED Texan, who has lived in Chicago the past nine years, has rolled more games in the annual All-Star tournament than any other competitor, 810. Up to last year, Buddy was the only bowler in history ever to compete in every final round of this strenuous tournament, and he boasts a 203.28 average for all games.

In 1950-51, Buddy found time to capture the national match game doubles crown for the second time, paired on this occasion with Ned Day. He had previously snared this title with Bill Flesch of Palatine as his partner. Before Bomar and Day finally won the crown, however, the two had finished in the runner-up spot twice.

DURING THE 1949-50 season, Buddy led his team to the championship in both divisions of the famous Chicago Classic league, the world's fastest bowling loop. Buddy averaged 217 to top all individual marks in the Tuesday division.

Bomar's exhibition will start at 2:30 p.m. with no charge for admission.

Ottawa and Riverside could push Cards; 31 schools, 22 in Class B, sign for meet

It will be the twentieth anniversary for the Palatine Relays Saturday when the big meet is again staged on Ost Field at Palatine township high school. Thirty-one schools had sent entries as of Tuesday evening with the meet assured of a new record in number of competitors. The change in the class "B" limits from 450 to 500 has added Naperville, Reavis, and Lake Forest to the "B" group and a total of 22 schools. Only nine are entered in the "A" class this year. With all events run in classes a real impetus has been given to "B" class competition in the field events.

The meet starts at 9:30 a.m. with the five field events, shot, discus, high jump, broad jump, and pole vault. The afternoon program on the track opens at 1 with the following program of events:

100 yard dash (prelims), B and A.
Two-mile relay, B and A.
320 yard high hurdle shuttle, B and A, 6 hurdles.
100 yard dash (finals), B and A.
Frosh-soph 440 yard relay, B and A.
Mile relay, B and A.
400 yard low hurdle shuttle, B and A, 4 hurdles, 20 yards at each end.
Mile run, B and A.
Half mile relay, B and A.

POINTS AND MEDALS will be given for five places in all events and the team winners in each class will be awarded trophies. Arlington Heights is the "A" class defending champion with two in a row to the credit of Coach Attis and his Cardinals. Mooseheart, winner of "B" the past three years, appears to have the inside track on another title with very strong entries in the two-mile, mile, 880, and frosh-soph relay events. Naperville is expected to push Mooseheart in their bid for four in a row.

Bill Porter of Northwestern university will serve as official starter and referee of the meet. Porter was high hurdle champ in the 1948 Olympics and is now a member of the Northwestern university sports staff. He was one of the starters at the recent Chicago Relays at the Chicago Stadium.

EVERY YEAR there are schools making their first trip to the Palatine Relays. This year Reavis of Oak Lawn, St. Thomas of Rockford, Ottawa, Dundee, Grayslake, Hall township of Spring Valley, and Riverside-Brookfield are the newcomers. Ottawa and Riverside are likely to be strong contenders in the 'A" division.

Admission to the big meet is free in the morning but 60 cents will be charged at the gate in the afternoon. Advance sale of tickets at 40 cents is being made in Arlington Heights and Palatine high schools as a break for local fans who want to take a chance on the weather.

THE ENTRY LIST, which exceeds by one the record entry of 30 in 1950, includes in the "B" class Antioch, Barrington, Bensenville, Dundee, Ela-Vernon, Grayslake, Hall Township, Hononegah, Lake Forest, Marengo, Mooseheart, Naperville, Oswego, Palatine, Reavis, Somonauk, St. Charles, Sycamore, St. Thomas of Rockford, Warren, Wauconda and Woodstock.

In the "A" division the entries are Arlington Heights, Belvidere, Crystal Lake, DeKalb, Leyden, Libertyville, Niles, Ottawa, and Riverside-Brookfield.

Organizational meeting Tuesday for Rob Roy men's golf league

Rob Roy Tuesday night golf league is slated to start play Tuesday night, May 6. Organization meeting will be held Tuesday night, April 29, at 8 p.m. at the clubhouse with openings still available for men golfers of this area. Those interested are urged to be present for the meeting.

Card golfers whip Palatine

Arlington Heights opened the golf season Monday with a decisive 12½ to 2½ rubbing of the Palatine Pirates in a five-man match at Old Orchard golf club. For the Cards, Tang and Hauff carded 79's, Rascher 82, Skelton 83, and LeMarr an 85. "Tinker" meyer of Palatine scored a 79 for a tie with Hauff, James got an 86, Smith 88, Abramson 89, and McElroy 99.

The Cards were quite a bit ahead of Palatine in training and appear headed for one of their best seasons. Hauff of Arlington and Meyer of Palatine were champions of the West Suburban and Northwest conferences respectively, last season as freshmen and their tie score of 79 indicates many more close matches before they leave high school competition. Palatine and Arlington meet again Friday, May 2, in a triangular with Proviso at Inverness.

		A	P
Tang, A	38-41:79	3	0
Smith, P	40-48:88		
Hauff, A	38-41:78	1½	1½
Meyer, P	40-39:79		
Rascher, A	40-42:82	2	1
James, P	46-40:86		
Skelton, A	40-43:83	3	0
Abramson, P	42-47:98		
LeMarr, A	43-42:85	3	0
McElroy, P	50-49:99		
		12½	2½

Tri-City golf league Women dine, plan season

The Women's Tri-City golf league held their annual spring luncheon at the Colonial Homestead, Wednesday, April 16. Arwere made by Mrs. R. Black, social chairman. Mrs. J. A. Carter, president, presided at the short business meeting following the luncheon

Mrs. Carter welcomed prospective members and introduced the following officers who will serve this year: Mrs. E. A. Fahrner, rules chairman; Mrs. H. S. Feige, secretary-treasurer; Mrs R. C. Becker, handicap cairman; Mrs. Dale Hinchliff, handicap co-chairman; Mrs. Gale Smith, handicap assistant; Mrs. R. Black, social chairman, Mrs. M. L. Kurtz, publicity chairman and Mrs. Bob Sophie, weatherman.

The league voted to have flight play instead of teams. The most important change in the rules concerns a ball shot out-of-bounds, and this change was explained by Mrs. E. A. Fahrner, rules chairman All changes will appear in the year book. Prospective members must play two qualifying rounds of nine holes at Mt Prospect Country club and have their score attesed by a league member before May 15.

League dues for this year will be $5.00.

Final arrangements for the golf league will be made this Thursday afternoon, when the officers meet at the home of Mrs. R. Black.

Starting date for the league is Tuesday morning, May 27, at Mt Prospect country club.

At Drake relays

Marv Berschet of Arlington Heights, captain of the Illini track team, will compete this week end in the Drake Relays, in both shot and discus. Berschet's best marks in the indoor meet was 48' 4½" for the shot and 150'9⅝" in the discus.

Mooseheart trims Palatine runners, 62-51

Powerful undefeated Mooseheart defeated Palatine Saturday in a dual meet. 62-51, and trimmed the Pirate frosh-sophs, 96-17. Mooseheart took a slam in the 440 and Palatine took all the places in the shot put. Herrmann took first in both the half and mile with fine marks of 4:54 and 2:09.7. Other Palatine firsts were by Burton Nessett in the high hurdles, George Gunder in the shot, Norman Stenzel in the low hurdles, and Walter Grever in the discus.

Wuchte was outstanding for Mooseheart with remarkable marks of :10.5 in the 100, :22.8 in the 220, and 20 feet 11 inches in the broad jump. The marks made by Mooseheart indicate they will be a heavy favorite to win class B of the Palatine Relays the fourth straight year.

Palatine's only points in the frosh-soph meet were firsts by Carl Nuss in the shot and discus, first in the high hurdles and third in the 100 yard dash by Stenzel, and third in the 220 by Cornwell.

VARSITY

Mooseheart 62, Palatine 51

100: Won by Wuchta M, Ward P 2nd, Hare M 3rd, time :10.5.
220: Won by Wuchta M, Ward P 2nd, Hare M 3rd, time :22.8.
440: Cox M and Bascom M tied 1st, Hicks M 3rd, time :54.9.
880: Won by Herrmann P, Hicks M 2nd, Hess P 3rd, time 2:09.7.
Mile: Won by Herrmann P, Sens M 2nd, Pelican M 3rd, time 4:54.
120 HH: Won by Nessett P, Carl M 2nd, Busch P 3rd, time :17.
180 LH: Won by Stenzel P, Nessett P 2nd, Carl M 3rd, time :22.2.

BJ: Won by Wuchta M, Dempsey M 2nd, Ward P 3rd, dist. 20'11".
880 relay: Won by Mooseheart, time 1:37.2.

Bison runners lose to Leyden

Coach J. C. Trapp's 1952 Bensenville high track team journeyed to Leyden last week, but was unable to do much against the superiority displayed by the larger school. The Bison varsity was trampled, 97½ to 14½, while the frosh-soph squad wound up on the short end of a 59 to 45 count.

George Egly, the sole returning letterman on the BCHS varsity, scored nine of the team's points. Pedro Cuatrecasas, William Long and Wesley Poor proved to be the stars of the frosh-soph contest, finishing first, second and third respectively among all contestants.

Bob Simmons goes all the way, allows 2 hits

Arlington finally got itself a ball team. After five games (?) wherein the Cardinals made 28 errors, Coach Wally Grace's charges settled down Monday to play errorless ball behind the two-hit pitching of Bob Simmons to whitewash Glenbard, 5-0.

Simmons went all the way, allowing just two hits, struck out 11, walked three, and faced 25 men. Five boys reached first but nary a one saw third.

Offensively, Johnny Eakins was the star of the day with three singles in four times at bat. Oddity of the day was Bill Lynk. Though at the plate four times, he was never officially at bat after receiving three walks and being hit by a pitched ball.

For Glenbard Wayne Gieseke pitched 6 2/3 innings, allowing five runs, two of them earned, seven hits, fanned seven and walked six. Dick Whitehead finished the game.

ARLINGTON DREW first blood in the fourth frame. Eakins singled and advanced to second on Intravartolo's grounder. Lynk was hit by a pitched ball with the bases loaded on Nolte's single to left. After Dassonville forced Eakins at the plate, Lynk scored on a wild pitch. Simmons grounded out.

In the fifth inning, Grace lined to Weichenhain and Hesch struck out. Schmidt was safe on Gieseke's high throw to first and Eakins singled. Intravartolo singled through third, his second his in 17 times at bat, scoring Schmidt. After Lynk walked again Eakins scored on a passed ball. Nolte grounded out, McCrary to Vorbau.

IN THE SEVENTH Hesch and Schmidt grounded out. Eakins capped out a single, with Intravartolo following suit. Lynk walked, as did Nolte, forcing in Eakins. After a one-and-two count on Dassonville, Gieseke was relieved by Whitehead, who proceeded to walk the Cardinals' first baseman, forcing in Intravartolo. Simmons popped to Whitehead to end the scoring.

Getting the track ready for the Palatine Relays Saturday are J. E. Stutzman, on the tractor, and Hale Hildebrandt. These two have been working long hours packing the track and rolling the field in an effort to get Ost field in tip top shape for the big meet with more than 30 schools competing.

Eight trophies to winners at Hinsdale

Eight special trophies have been donated for the second annual Hinsdale Relays slated for next Saturday, May 3. The meet is strictly a team affair with even the individual events rating on the basis of four-man-totals determining winners.

The trophies are:

W. W. Kimball trophy for the 480 yard high hurdle shuttle relay.

Kimball Brothers "Bill and Curt" trophy for the 560 low hurdle shuttle relay.

C. D. F. Merrill trophy for the two mile relay.

Harry Theidel trophy for the one mile relay.

John H. Sherman trophy for the 880 yard relay.

Frank K. Foss trophy for the 440 yard relay.

Hinsdale Lions club trophy for the mile medley relay.

Art Nelson DeSoto-Plymouth trophy for the 440 yard freshmen relay.

Fox Valley coaches in track discussion

Fox Valley area coaches and officials association held the April meeting Monday night at Naperville with the program including track movies and a panel discussion about track, including physical and mental factors, coaching techniques, duties of a trainer and organizing and running a meet.

Meetings of the group, always informal and held several times a year, are directed by several coaches of this area with Bob Ferry of York serving as secretary. Monday night's panel included Clarence East of York as moderator and Russ Deacon of LaGrange as a member of the panel.

Arlington net squad loses first matches

Arlingotn Heights high school tennis squad lost its first two matches, a 3-2 decision at Crystal Lake Thursday and a 4-1 beating at the hands of Riverside Monday. The latter indicated Hts. could go a bit farther than they did last year, but not much.

Against the Lakers Tom Bowersox beat Holt, 6-3 and 6-2. Rodney Pellitier beat Rooney, 6-2 and 6-3. But from there on it was a losing proposition. Number three singles player Charles Knapp lost to Ackerman, 2-6 and 4-6, while number two doubles combination of Jay Vawter and Mike Dutton lost to Tym and Edwards, 1-6 and 4-6.

The number one doubles pair, Ray Holmes and Tom Birkholz, won the first set, 6-2, but then bowed, 3-6 and 4-6.

AGAINST RIVERSIDE Peltier looked the best in singles for Coach Ray DeGreeff's netmen. He fell behind J. Kracke in number two singles. 5-1, then revived to bring it up to 5-all. Rod gained one add in the next game, but faltered to lose the set, 7-5.

In the second match Kracke moved up to 4-1. Peltier pulled up to 4-3 and held the add six times before losing the game, then the set, 6-3. Number one singles Bowersox lost to DeLaby, 6-2, 6-1. Riverside's Seibert beat number three singles Birkholz, 6-1, 6-3.

IN THE DOUBLES G. Kracke and Beaudoin beat Knapp and Holmes, 6-1, 6-3, after which the Heights second doubles of Ross and Vawter copped the only local point, beating Staroba and Westholm, 6-3, 6-0.

In the frosh-soph division Linn of Riverside beat Hutchinson of Arlington 6-1, 6-2; Rogeness, Riverside, shut out Schnyder, Arlington, 6-0, 6-0; and Lang won by default. The second doubles also went by default to Altera and Flurkey of Riverside. In the first doubles Lindeman and Cross, Riverside, beat Sherrill and Morrissey, Arlington, 6-2, 6-1.

Northern Ill. fastball league to open May 23

Formation of the Northern Illinois fastball league was completed this week according to a press announcement from league commissioner Frank Bosworth of Chicago.

Bosworth revealed the league will consist of six major softball teams in northern Illinois, including the defending champion, the Libertyville Comets. In addition Highland Park, Oak Park, Evanston, Dundee and Palatine will join with the Comets in seeking the 1952 championship.

All league games will be night contests with the openers slated for the week end of May 23.

Last year Highland Park and Dundee were members of the Illinois-Wisconsin fastball league. Evanston is a newcomer to the circuit while Libertyville, Palatine and Oak Park are hold-overs from the three-year old circuit.

The umpires protective association of Chicago has secured the officiating contract. Bosworth will also serve as chief of umpires, a title he has held the past three years.

LaGrange trims Arlington, 7-1

LaGrange took the measure of Arlington Thursday, 7-1, in a 11-error game with Heights winning on this count, 6-5. Big fault with the Cardinals, however, was lack of power when men were on base.

Tom Meyer opened the game on the mound, twirling 3 and 2/3 innings. He was hit for five runs, four of them earned, seven hits, struck out four and walked four. Bob Simmons finished the game, permitting one run, one hit, striking out six and walking two. George Plesha pitched for LaGrange, going all the way as he allowed five hits, struck out seven and walked six.

LA GRANGE SCORED two in the third when Smith singled and Fields tripled, then scored on Lynk's wild throw to first on Kennedy's grounder.

In the fourth Plesha singled after Don Govednik walked. Both advanced on Boykin's grounder. Dave Govednik singled, scoring two ahead of him. After Smith flied to Schmidt, Baker and Fields singled, scoring Govednik. Kennedy fanned.

LaGrange tallied one more in the sixth when Boykin was safe on Grace's error, stole second, and scored on two fielder's choices. In the seventh Simmons walked Boykin with the bases filled, forcing in a run.

ARLINGTON SCORED their only run after two were out. Lynk singled, Simmons walked. Grace singled, loading the bags. Lynk then scored on Boykin's error of Schmidt's slow roller.

Palatine loses to Leyden trackmen

Palatine lost another dual track meet Tuesday, losing to Leyden's Eagles 65-48. The Pirates beat Leyden 9-0 in both hurdle events but got only one point to Leyden's eight in the mile, half mile, broad jump, and high jump. Burton Nessett was a double winner for Palatine in the hurdle events. Drennan won both distance events and Bradley copped both dashes and the broad jump and tied with team mate Kiss to score 19 points. There were no outstanding marks caused partly by a chilly wind.

Palatine frosh-sophs came out on top for the first time this season by beating Leyden 53-47. Norman Stenzel led the way for Palatine with 21¼ points through winning the high hurdles, 100 yard dash, 220 yard dash, broad jump, and anchoring the winning relay team.

Bears sure to do better with Dooley

The Chicago Bears continued their record-breaking signing of new players with the acquisition of Jim Dooley, outstanding halfback from the University of Miami (Florida).

Dooley was the Bears' first pick in the National football league player selection in January. He has been rated by coaches and scouts as one of the nation's foremost defensive backs the past two seasons. Dooley is 22 years old, stands 6 feet, 4½ inches, and weighs 200 pounds. He is a Florida product.

The new Bear halfback has been a 60 minute performer the past three seasons, although listed as a defensive specialist. Dooley intercepted 12 forward passes last season, and seven in 1950. He was one of Miami's top scorers, ball carriers and pass receivers, and holds three all-time Miami records, including most yards gained from scrimmage in one game (147). Dooley's brilliant play against such powerful foes as Kentucky, Tulane, Nebraska, Mississippi, and Purdue helped land Miami into the Orange Bowl two years ago, and the Gator Bowl last New Year's Day.

Buddy Bomar will exhibit his bowling prowess Sunday afternoon at Wheeling Recreation starting at 2:30 p. m. Admission is free to fans wishing to watch Bomar, former national match game singles and doubles champion.

Glenbard nine falls to York

Staggard by rallies in both the fourth and the sixth innings, the Glenbard nine tumbled to their second conference defeat of the season at the expense of York, 8-5, on the winner's turf Thursday afternoon.

The loss dropped the Bards into a tie for the loop's cellar position while the Dukes climbed into the driver's seat in the league.

Pitcher Dick Whitehead was tagged with the defeat although gave only four hits. Big Pat Lira gained his second conference triumph as he fanned nine Hilltoppers in five innings and allowed only four safties.

BOTH TWIRLERS fired away with amazing results in the first three innings as both squads failed to dent the opposition's defense. Only one hit was recorded in the trio of frames.

However, the Dukes caught on to Whitehead in the bottom of the fourth when they lashed out with four safties and a walk to rack up a quartet of tallies.

After Whitehead fanned first-baseman Riggs, Polunas, who paced the Dukes with a pair of hits, smashed a double which started the York rally. Herman nearly ended the spree when he smashed a grounder down to third, but the ball got away from the infielder and Polunas scored on the miscue while Herman went to second. Krench kept the rally alive when he sent a liner into left field as Herman tallied on the play.

MILLER SENT a long fly into the outfield and contributed a double after the ball went between the fly-chasers. Miller went to third on a passed ball and scored when Craver sent a long ball to the awaiting glove of Dick Ebling. Lira went to first on a walk, but Generro grounded out to end the inning.

The Bards followed it up with a two-run frame. Gieske started things off when Hoffman misplayed Gieske's grounder to give the Hilltopper a new lease. He took second on a passed ball and romped to third when Ed McCrary grounded out. Denny Vorbau pounded out a double to drive in Giseke and Jim Hollenbeck followed it up with a walk. Pitcher Whitehead added to his own cause when he hit safely to drive in Vorbau. However, the rally fizzled when both Corrigan and Weichenhain were called out.

THE BARDS rallied again in the seventh frame when they blasted out three more tallies.

However, in the previous inning, the Dukes ran up four more runs to go way out in front of their rivals. The Dukes collected their runs on successive blows by Lira, Gennaro, Hoffman, and Polunas, besides a walk given to Riggs.

Hope Gordie Busse can set new record as Bradley sprinter

Gordon Busse, one of the finest sprinters in Bradley university history competed Saturday in the Iowa teachers relays at Cedar Falls, Ia.

Busse, a graduate of Arlington Heights high school, is a serious threat to the two-year-old 100-yard dash record of :9.8. Busse has posted a number of :9.8 and :9.9 times in practice but needs to make such a time in a meet to record a new mark.

Busse is only a sophomore and can be expected to shatter the record before he graduates. He is the son of Mr. and Mrs. Elmer Busse of 836 N. Mitchell, Arlington Heights, and is one of the men new head coach Ray Ramsey, former Chicago Cardinals professional football star, is counting on to carry the Braves to a fine season this year.

Besides the Iowa Teachers meet, the Braves will compete in the Kansas Relays, the Drake Relays, the Central Collegiate open and closed meets, the AAU championships, and dual, triangular, and quadrangular meets with such outstanding teams as Wayne, Marquette, Notre Dame, Michigan Normal, Drake and Loyola.

Cards win, 8-0 on errors, but lose ball game, 10-2

One earned run of ten scored — that was the record chalked up against Arlington Wednesday in a 10-2 loss to Downers Grove. Once again fielding misplays cost Coach Wally Grace's charges a ball game.

Bob Simmons pitched a fair game five innings, permitting just three hits, striking out four and walking four. Eight errors changed the earned run total (1) to seven runs against him. Munn relieved him two innings, three more runs scoring in spite of his fanning three and walking one.

Paul Fister, Downers' number 1 twirler and possibly the best in the league at this point, struck out eleven, walked three, allowed four safeties, two runs scoring.

IN THE THIRD inning Becvaric and Spicer struck out for Downers but Intravartolo dropped the ball, Spicer taking first. Fister and Norman walked with McCollum's hit bringing in Spicer. Gorder dropped McLees' fly, Fister and Norman scoring. Ogren singled, scoring McCollum and McLees. Ogren took second on the throw to the plate, stole third and tallied on a wild pitch.

Arlington's scoring was all done in the second frame. Straus, batting for Gorder, walked. After Simmons grounded out, Grace doubled to score Straus, and Eakins singled, scoring Grace. Schmidt fanned, but Intravartolo walked, only to die on base when Hesch was out, Norman to Ogren.

NORMAN WAS HERO in the fifth for Downers when he walked, went to second on a passed ball, was sacrificed to third by McCollum, and scored on McLees' putout. In the seventh Fister walked, then went around the bases on errors by Munn, Dassonville and Thompson.

Bard netmen win three

Capturing every match except one, Glenbard's racketeers thumped visiting West Aurora, 4-1, in the first non-conference contest of the '52 campaign. Tom Rice was the only Auroran to triumph in a match. After putting up a scrappy fight, John McClennan, the Bards' No. 1 singles, fell before the powerful strokes of Rice. Bill Hunt, playing his first match at second singles, handed Ron Carlson a sound trimming. The Hilltopper's John Wise had a tough time convinving Jack White of his loss.

In the doubles, Bruce Ford and Bill Whittle easily dumped Aurorans Gorden Snyder and Ed Strunk while Noble Moran and Chuck Remington took the east victory of the matches.

Blue Island wins, 5-0

The Bard netters went down to defeat for the first time in the young season as the Blue Island crew took a clear-cut victory, 5-0.

Only the Whittle-Ford duo team caused the Islanders any trouble. After dropping the first set, 6-1, they came back to tag the Brenson-McCoy pair with a 6-0 set loss. However, in the third and final set, the Bard pair again fell to give the Island septet a shut-out triumph.

Blue Island's yearlings turned on the charm to rack up a 2-0 victory in the Bard Ponies' first match of the season.

Glenbard, 4; Elgin, 1

The local netmen added the Elgin squad to their list of victims Friday when they captured four out of five match sets. Bill Hunt was the only Bard to go down to defeat, by the unconvincing score of 7-5 in both sets.

After dropping his initial set, John McClennan turned on the power to rap out a victory over Elgin's Hank Pearsall. Bob Johnson mowed down his opponent by a pair of 6-4 sets. Noble Moran and Chuck Remington had the longest match of the afternoon. They went into extra games in every set. They gained a 7-5 victory in the opener, lost the second set by the score of 13-11, but came back in the finale to eke out a 8-6 triumph.

Bill Whittle and Bruce Ford easily downed their opponents by a pair of 6-1 sets.

Facing Downers Grove Friday on the Torjan courts and the Hinsdale netters on their home courts next Tuesday, the Bard septet will get into the swing of conference competition after their debut with LT last Tuesday.

Glenbard athletes given awards

Ninety-two Glenbard athletic awards were presented Thursday by athletic director Jim Cook. Twenty-five Bards received varsity football letters while twenty-three were awarded frosh-soph football numerals. Seventeen boys received frosh-soph basketball numerals while ten seniors were awarded basketball letters. Ten letters were presented to varsity cross-country members, nine numerals to frosh-soph winners, and seven to frosh thinclads.

Varsity football: Corrigan, B. Patch, C. Patch, Allen Peters, Wertz, Bolton, F. Slater, McCrary, Wise, Stelb, D. Duffey, Benson, Hollenbeck, Hesterman, Jordan, Murry, Peasley, Hill, Harp, Willis, Frost, Weichenhaln, LaPorte, and Walker.

Frosh-soph football: Swartz, Picton, Healy, Sylvester, Mills, Kirby, Whitaker, Everson, Mullican, Saviano, McCrary, Hale, Kiefer, Calmer, Refram, Biddle, Helledy, Slater, D. Kennedy, Cook, Newkirk, Kent, Griesheimer; manager, Tarbox.

Varsity basketball: Frost, Wise, Roby, Harp, Walker, Willis, Hollenbeck, Weichenhain, J. Ford, B. Ford.

Frosh-soph basketball: Peters, Cook, Slater, Bauder, Biddle, Bassett, R. Weichenhain, Mullin, Saviano, Newkirk, Kent, Rossitter, LaFleur, McNamee, Stone, Agnew, McCrary.

Varsity cross-country: Ingram, Lund, Mueller, Smidt, Clarke, Cline, Hoyer, Hutchinson, LaFleur, Long. Manager, Cottington.

Frosh-soph cross-country: Agnew, Barrows, Bauder, Bradshaw, Cullen, May, Shonkweiler, Souer, Zamistil.

Freshman cross-country: Griffith, Hansen, Holley, Mark, Missey, O'Leary, Schaus.

Swedish and Canadian stars to bolster Michigan assault on Penn Relays record

With champions from Sweden and Canada as well as topflight midwesterners in its ranks, mighty Michigan will attempt to dominate the 58th annual Penn Relay carnival when it sends five wing-footed relay teams and three exceptional individuals into the Franklin Field competitions Friday and Saturday, April 25 and 26, in Philadelphia.

The distinguished cast features such performers as Roland Nilsson, the shotput champion of Sweden who represented his country in the 1948 Olympics; NCAA two-mile champion Don McEwen, the Canadian who has been timed in 9:01.9 for 16 furlongs and 4:09.6 for the mile; sophomore John Ross, the Canadian who was the country's fastest collegiate miler during the winter with a 4:09.4 clocking; quarter-miler Jack Carroll, a sophomore from Canada who won the indoor Big Ten 440 title in 0:48.3, and 6 foot, 7 inch Milt Mead, a Michigan born basketball star who attained high jump prominence in the recent south relays at Birmingham, Ala., by defeating NCAA champion Poppa Hall, of Florida, and Penn Relays defending champion Herb Neff, of Tennessee.

THESE MEN, particularly the Canadians, will be conspicuous when Michigan seeks to shatter American and world records. The Wolverines will attempt to better their own world record for the distance medley when Carroll runs the leadoff 880, George Jacobi covers the 440, McEwen travels the three-quarters and Ross carries the baton over the anchor mile. Ross and McEwen also make Michigan appear capable of bettering the Carnival four-mile record of 17:16.2 by Indiana in 1937.

In addition to bidding for distance medley and four-mile success, Michigan will also seek to conquer in the two-mile, sprint medley and one-mile relays. The ever present Ross and McEwen, who are passing up the opportunities for individual glory offered by the Benjamin Franklin mile and the two-mile run, will team with Bill Hickman and Jacobi in the two-mile relay.

NILSSON, a native of Svano, Swenden, who plans to represent his homeland in the 1952 Olympic games at Helsinki, Finland, will compete in the shot put and discus. On the basis of past performance, the 29-year-old giant —Nilsson stands 6-6 and weighs 240—stands as the favorite to win both events.

In his first competitive discus throw this year, Nilsson propelled the flying saucer 164 feet, 3½ inches. In the 51 years the event has been a part of the carnival program, only two men, Yale's Vic Frank, jr. (170—7¾ in 1950) and Indiana's Archie Harris (167-10¼ in 1941), did better.

While he finds the discus a more enjoyable event, Nilsson is more accomplished as a shotputter. His first effort of the year brought a tapemeasure reading of 54-1. He won the Big Ten indoor title with a throw of 53-7¾ and at present leads all college weightmen with a distance of 54-5⅝.

Annual blue and white grid game at Illinois

Blue and white squads of University of Illinois football candidates will clash in the annual spring game at 1:30 p. m. Saturday in Memorial stadium, Champaign, but any resemblance between these teams and that which Coach Ray Eliot hopes to field this fall may be slight.

A wave of injuries and operations plus competition of spring sports may keep 12 possible 1952 first-stringers out of action. Nine are definitely sidelined but Ken Miller and Austin Duke, halfbacks, and Dan Sabino, center, may be in shape to play some of the game.

Possibly seeing action will be Herb Borman of Downers Grove at center and Clarence "Bud" DeMoss of York.

Maine cops double meet over Arlington

Maine walked off with both ends of a track meet with Arlington last week, copping the varsity half, 84½-27½, and the frosh-soph division, 72-32.

The winners scored grand slams in the pole vault and broad jump, and took the first two positions in the 100, mile, low hurdles and 880. Arlington copped firsts in the 440 (Albright in :56.5), and shot and discus (Winterbauer, 43'4", 118' 3¼").
